*Moving Free* Deb Vaughan Ritter, 2017-07-07

Inspired by her mother's final declaration that she must move free, Deb Vaughan Ritter embarked on a remarkable journey of awakening. She felt compelled to share what she had learned in order to illuminate others' paths. Utilizing the metaphor of a challenging mountain hike, Deb fearlessly chronicles her trek and guides you on your own ascending journey with her poignant and humorous stories, original poetry and mantras, and sage advice. She encourages you to explore your life and integrate into it the mysteries of moving free. The grounded yet uplifting tenets in this book are accessible to all, whatever your age, stage in life, or belief system. Deb writes in a way that meets you where you are without judgment and urges you to move free right here, right now. As you join her on this trail, you will learn to navigate your challenges with courage and hope, ascend towards your personal peaks, and enjoy your daily hike. As you absorb these principles into your life, you'll gradually begin spiraling up toward the life, relationships, and career of your dreams. For years, I tried to go under, over and around the nagging issues I was experiencing in my life. The same issues kept showing up. I felt trapped under a very dark cloud in the personal, financial, career and relationship aspects of my life. The one common denominator was me. With Deb's coaching, insights, mantras, poems and patient encouragement, I learned to face my issues with peace and hope. As a result, I have changed my life dramatically! As my outlook, actions, and

expectations improved, I began manifesting better outcomes and relationships. I began feeling more peaceful and free. With Debs guidance, you too can begin moving free. No matter what your current circumstances, if you are willing to learn and grow, her light and insights will transform you, allowing you to reach new heights. Stacie Tindle, Coaching Client

*Four Comedies* Kenneth P. Langer, 2018-09-12 Comedy is how we cope with the absurdity of life. The person who cannot step back and see how ludicrous are most of the things we encounter in life is the person who gets mired and engulfed in them. Comedy lets us step back and see the whole picture. It reminds us of what is really important

which certainly includes laughing and laughing often. These four comedies each take on several situations but exaggerate them until they become enlarged and laughable. To each are added an unusual use of standard theatrical tradition. A writer of one play becomes involved with his own characters. Another play actually moves backwards in time. Another comedy is actually two separate plays that come together while another claims to be a musical but has no singing whatsoever. Come along for the fun and laughter and lighten your burdens for a while.

The Art of Happy Moving Ali Wenzke, 2019-05-07 A comprehensive, upbeat guide to help you survive the moving process from start to finish, filled with fresh strategies and checklists for timing and supplies, choosing which items to toss and which to keep, determining the best place to live, saying farewell and looking forward to hello. Moving is a major life change—time consuming, expensive, often overwhelming, and sometimes scary. But it doesn't have to be! Instead of looking at it as a burdensome chore, consider it a new adventure. Ali Wenzke and her husband moved ten times in eleven years, living in seven states across the U.S. She created her popular blog, The Art of Happy Moving, to help others build a happier life before, during, and after a move. Infused with her infectious optimistic spirit, The Art of Happy Moving builds on her blog, offering step-by-step guidance, much-needed comfort, practical information, and welcome advice on every step of the process, including: How to stage your home for prospective buyers How to choose your next neighborhood How to discard your belongings and organize your packing How to say goodbye to your friends How to make the transition easier for your kids How to decorate your new home How to build a new community And so much more. Ali shares invaluable personal anecdotes from her many moves, and packs each chapter with a wealth of information and ingenious tips (Did you know that if you have an extra-large welcome mat at the

entrance of your home, it's more likely to sell?). Ali also includes checklists for packing and staging, and agendas for the big moving day. Whether you're a relocating professional, newly married, a family with kids and pets, or a retiree looking to downsize, *The Art of Happy Moving* will help you discover ways to help make your transition an easier one—and be even happier than you were before.

Lawson, 2018-08-11 Do you suffer from physical pain relating to your writing life? Are you struggling with back pain, weight gain related to sedentary working, anxiety, depression, sleep problems, neck pain, eye strain, stress, loneliness, digestive issues, or Repetitive Strain Injury? These are the most common issues reported by writers and if you struggle with any of them, you are not alone. **Live Your Sunshine** Lesley MacCulloch, 2017-07-11  
We are brought up in a world where living in fear  
is both encouraged and accepted. Its normal to  
feel doubt, to feel guilt, to feel anger, to feel  
a failure. Its normal to lack enjoyment, self-  
confidence, and fulfilment. Its normal to live our

lives according to what other people want of us, or what we think other people want of us, and to feel that, in a world where we constantly criticise and compare, were simply not good enough. But good enough for what? And in whose view? Its time to turn that thinking around. You are good enough! You were born with confidence and a healthy self-esteem. You were born to smile more. You were born to feel ease, to feel well, and to listen to your heart and your intuition. And you can reconnect with that you. You can live true to yourself, and you can feel contentment, joy, and harmony. You can find peace, acceptance, and inner strength. You are perfect, human, worthy. You are special. You are you, and the world needs you. Free the spirit thats still burning deep inside you, and shine! You are and you can!

running, she thought she was free. Her depression  
alleviated, she came off antidepressants, winning

her in earnest, she knew she had to find a  
different way to kick her mental health demons for  
the sake of her sanity. So, she went down to her

*If You Only Knew* Kristan Higgins, 2016-06-01 A funny, frank and bittersweet look at sisters, marriage and moving on, from the New York Times bestselling author of the Blue Heron series Letting go of her ex-husband is harder than wedding-dress designer Jenny Tate expected...especially since his new wife wants to be Jenny's new best friend. Needing closure, Jenny trades the Manhattan skyline for her hometown up the Hudson, where she'll start her own business and bask in her sister Rachel's picture-perfect family life...and maybe even find a little romance of her own with Leo, her downstairs neighbor, who's utterly irresistible and annoyingly distant at the same time. Rachel's idyllic marriage, however, is imploding after she discovers what looks like her husband's infidelity. She always thought she'd walk away in this situation but now she's wavering, much to Jenny's surprise. Rachel points to their parents' perfect marriage as a shining example of patience and forgiveness; but

to protect her sister, Jenny may have to tarnish that memory—and their relationship—and reveal a family secret she's been keeping since childhood. Both Rachel and Jenny will have to come to terms with the past and the present, and find a way to help each other get what they want most of all.

**I'm 4'11" and Going to Heaven** William E. Pasco Jr., 2019-03-11 I'm 4'11" and Going to Heaven By: William E. Pasco Jr. I'm 4'11" and Going to Heaven opens with a vivid overview of the author's frustrations with love and relationships – until he met his Lupé. They experienced immediate attraction. Soon they fell in love and got married, but had to deal with Lupé's complex health problems. She tried valiantly to fight off her ailments. Her faith in Jesus Christ sustained her through her pain. Pasco rounds out this intimate journal with a tender glimpse into his own emotions and insights as his wife passed into the presence of the Lord, Whom they both loved. He shares his heartfelt recollection and devotional sentiment and gives God the Father, through His Son, Jesus Christ, all the glory, for He sent Pasco this 4'11" American Indian woman who became the love of his life. She gave him a wakeup call and inspired him to turn his life over to the Lord and become Born Again. I'm 4'11" and Going to Heaven is written in memory of Lupé as she always used to say, "I'm 4'11" and I'm going to heaven!" Now Pasco feels he hears Lupé's spirit saying, "I'm 4'11" and I'm IN heaven!"
