All of Us Villains Amanda Foody, C. L.

Herman, 2021-11-09 A NEW YORK TIMES BESTSELLER An Indie Bestseller! An Indie Next Pick! The blockbuster co-writing debut of Amanda Foody and C. L. Herman, *All of Us Villains* begins a dark tale of ambition and magick... You Fell in Love with the Victors of the Hunger Games. Now Prepare to Meet the Villains of the Blood Veil. The Blood Moon rises. The Blood Veil falls. The Tournament begins. Every generation, at the coming of the Blood Moon, seven families in the remote city of Ilvernath each name a champion to compete in a tournament to the death. The prize? Exclusive control over a secret wellspring of high magick, the most powerful resource in the world—one thought long depleted. But this year a scandalous tell-all book has exposed the tournament and thrust the seven new champions into the worldwide spotlight. The book also granted them valuable information previous champions never had—insight into the other families' strategies, secrets, and weaknesses. And most important, it gave them a choice: accept their fate or rewrite their legacy. Either way, this is a story that must be penned in blood. The *All of Us Villains* Duology: #1) *All of Us Villains* #2) *All of Our Demise* At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

The Rewind Allison Winn Scotch, 2022-11-01 A Good Morning America Buzz Pick One of Amazon's Best Romances of November! Two exes wake up together with wedding bands on their fingers—and no idea how they got there. They have just one New Year's Eve at the end of 1999 to figure it out in this big-hearted and nostalgic rom-com from New York Times bestselling author Allison Winn Scotch. When college sweethearts Frankie and Ezra broke up before graduation, they vowed to never speak to each other again.

Ten years later, on the eve of the new millennium, they find themselves back on their snowy, picturesque New England campus together for the first time for the wedding of mutual friends. Frankie's on the rise as a music manager for the hottest bands of the late '90s, and Ezra's ready to propose to his girlfriend after the wedding. Everything is going to plan—they just have to avoid the chasm of emotions brought up when they inevitably come face to face. But when they wake up in bed next to each other the following morning with Ezra's grandmother's diamond on Frankie's finger, they have zero memory of how they got there—or about any of the events that transpired the night before. Now Frankie and Ezra have to put aside old grievances in order to figure out what happened, what didn't happen...and to ask themselves the most troubling question of all: what if they both got it wrong the first time around?

Panic Lauren Oliver, 2014-03-04 From New York Times bestselling author Lauren Oliver comes a captivating, thrilling novel of fear, friendship, courage, and hope that will leave readers gasping for air. Now a television series on Prime Video, starring Olivia Welch, Mike Faist, Jessica Sula, Enrique Murciano, Camron Jones, and Ray Nicholson! E. Lockhart, author of *We Were Liars*, calls *Panic* a thrill a minute. Kirkus says: Will have readers up until the wee hours, School Library Journal raves: Fast-paced and captivating. *Panic* began as so many things do in Carp, a poor town of twelve thousand people in the middle of nowhere: because it was summer, and there was nothing else to do. Heather never thought she would compete in *panic*, a legendary game played by graduating seniors. She'd never thought of herself as fearless, the kind of person who would fight to stand out. But when she finds something, and someone, to fight for, she will discover that she is braver than she ever thought. Dodge has never been afraid of *panic*. His secret will fuel him, and get him all the way through the game; he's sure of it. But what he doesn't know is that he's not the only one with a secret. Everyone has something to play for. For Heather and Dodge, the game will bring new alliances, unexpected revelations, and

the possibility of first love for each of them—and the knowledge that sometimes the very things we fear are those we need the most. Read the book that inspired the series, which the New York Times described as “Reminiscent of ‘The Hunger Games’ but grounded in the real world.”

All of Our Demise Amanda Foody, C. L.

Herman, 2022-08-30 All of Our Demise is the epic conclusion to Amanda Foody and C. L. Herman’s New York Times bestselling All of Us Villains duology. “I feel like I should warn you: this is going to be absolutely brutal.” For the first time in this ancient, bloodstained story, the tournament is breaking. The boundaries between the city of Ilvernath and the arena have fallen. Reporters swarm the historic battlegrounds. A dead boy now lives again. And a new champion has entered the fray, one who seeks to break the curse for good... no matter how many lives are sacrificed in the process. As the curse teeters closer and closer to collapse, the surviving champions each face a choice: dismantle the tournament piece by piece, or fight to the death as this story was always intended. Long-held alliances will be severed. Hearts will break. Lives will end. Because a tale as wicked as this one was never destined for happily ever after. The All of Us Villains Duology: #1) All of Us Villains #2) All of Our Demise At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Drive Kate Stewart, 2017-10-13 Music . . . the heart's greatest librarian. The average song is three and a half minutes long; those three and a half minutes could lead to a slow blink, a glimpse of the past, or catapult the soul into heart-shattering nostalgia. At the height of my career, I had the life I wanted, the life I'd always envisioned. I'd found my tempo, my rhythm. Then I received a phone call that left me off key. You see, my favorite songs had a way of playing

simultaneously. I was in love with one man's beats and another's lyrics. But when it came to the soundtrack of a life, how could anyone choose a favorite song? So, to erase any doubt, I ditched my first-class ticket and decided to take a drive, fixed on the rearview. Two days. One playlist. And the long road home to the man who was waiting for me.
