Bamberger's Michael J. Lisicky,2016-11-14 For almost one hundred years, generations of New Jersey customers flocked to Bamberger's. From its grand Newark flagship to numerous suburban locations, the store was hailed for its myriad quality merchandise and its dedicated staff. Its promotional events were the highlight of every season, from the Thanksgiving Parade to elaborate Christmas festivals featuring celebrities such as Bob Hope, Carol Channing and Jerry Lewis. Though the once mighty flagship closed in 1992, Bamberger's is still fondly remembered as a retail haven. With vintage photographs, interviews with store insiders and favorite recipes, nationally renowned department store historian and New Jersey native Michael J. Lisicky brings the story of New Jersey's Greatest Store back to life.

Ocean City, New Jersey Mark McLaughlin,1999-03-01 From the early 1900s through the 1950s, the postcard was an extraordinarily popular means of communication, and many of the postcards produced during this golden age can today be considered works of art. Postcard photographers traveled the length and breadth of the nation snapping photographs of busy street scenes, documenting local landmarks, and assembling crowds of local children only too happy to pose for a picture. These images, printed as postcards and sold in general stores across the country, survive as telling reminders of an important era in America's history. This fascinating new history of Ocean City, New Jersey, showcases more than two hundred of the best vintage postcards available. Images in this collection date between 1879 and 1950.

The Mom & Pop Store Robert Spector,2010-09-07

Business journalist Robert Spector grew up working in his family's butcher shop in Perth Amboy, New Jersey, where he learned invaluable lessons about the independent retail business. Mom & pop stores have always brought people together, fostering a sense of neighborhood identity and camaraderie, and are the glue that connects people in big cities and small towns alike. Long fascinated by the direct connection people feel as merchants and customers when they do business in neighborhood stores, at shops that are not super-sized, but human-sized, and responding to the growing buy local movement across the country, Spector set out to discover the state, and the state of mind, of independent retailing in America. From a specialty soda pop shop in Los Angeles to a florist shop in Dayton, Ohio, from a bakery in Chicago to a bookstore in Washington State, mom & pop store owners shared their stories with him, revealing the spirit and tenacity of the small business owner, dealing with frustration and defeat as well as triumph and success. Spector also interweaves the history of independent retailing. The Mom & Pop Store reflects the story of this country, for it embraces and cross-references every ethnic group, and virtually every element of our society.

Last Pawn Shop in New Jersey James

Hoch,2022-02-09 Finalist for the Paterson Poetry Prize With Last Pawn Shop in New Jersey, James Hoch gives readers a heart-lugged romp and a work of resistance, conversing with the interstices of public and personal histories and identities in the context of ecological deterioration. Drawing on emotional experiences prompted by his brother's going to war in Afghanistan, the death of his mother from ovarian cancer, and the raising of his sons, Hoch investigates the difficulty of loving and of making beauty in times of crisis when faced with knowledge of its limitations and necessity. Lyrical and meditative, intense and intimate, his poems evoke landscapes with views of the New York water supply system, industrialization along the Hudson River, and the geology of the Palouse in the Pacific

Northwest. A bare-knuckled argument for the sublime in the context of war and environmental degradation, Last Pawn Shop in New Jersey asserts the redemptive power of art as survival.

The Jersey Effect Hunter Smith with Darrin

Gray,2012-06-01 The Jersey Effect takes a look into the hearts and minds of athletes who achieved Super Bowl success and examines the battles they faced. It presents the stories of champions who desired to reflect glory back to God by using their “jersey” and the platform God had given them to make a positive difference in the world. Even so, sometimes their great intentions were hijacked by pride, materialism, distractions, and deficiencies within their own character that were never truly understood until the ultimate success had come their way. Intended for players, coaches, and parents that want to learn and in turn teach important lessons about how to properly align their love of sports with God’s heart, The Jersey Effect advocates for a full 360 degrees of influence: coach on player, player on coach, player on parents, parents on player, and team on community. The Jersey Effect demonstrates how to pursue the ultimate prize—a goal that has little to do with winning a championship ring and everything to do with how we can have a positive effect on those around us through the sports we love.

Jersey Justice Cathy D. Knepper,2011-09-15 The case of the Trenton Six attracted international attention in its time (1948–1952) and was once known as the “northern Scottsboro Boys case.” Yet, there is no memory of it. The shame of racism evident in the case has been nearly erased from the public record. Now, historian Cathy D. Knepper takes us back to the courtroom to make us aware of this shocking chapter in American history. Jersey Justice: The Story of the Trenton Six begins in 1948 when William

Horner, an elderly junk dealer, was murdered in his downtown Trenton shop. Over a two-week period, six local African American men were arrested and charged with collectively killing Horner. Violating every rule in the book, the Trenton police held the six men in incommunicado detention, without warrants, and threatened them until they confessed. At the end of the trial the all-white jury sentenced the six men to die in the electric chair. That might have been the end of the story were it not for the tireless efforts of Bessie Mitchell, the sister of one of the accused men. Undaunted by the refusal of the NAACP and the ACLU to help appeal the conviction of the Trenton Six, Mitchell enlisted the aid of the Civil Rights Congress, ultimately taking the case as far as the New Jersey Supreme Court. Along the way, the Trenton Six garnered the attention and involvement of many prominent activists, politicians, and artists, including Paul Robeson, Thurgood Marshall, Eleanor Roosevelt, Pete Seeger, Arthur Miller, and Albert Einstein. Jersey Justice brings to light a shameful moment in our nation's history, but it also tells the story of a personal battle for social justice that changed America.

The Mendhams John W. Rae, 1998-10 The Mendhams is a region of New Jersey once home to the Rock-a-bye-Baby Railroad, early industries, and the mansions of millionaires. This visual history follows the region from the Revolutionary War to the Industrial Revolution, and from the Gilded Age to its transformation into a community for New York commuters. The photographs from years gone by allow both young and old to meander down the dirt road of Main Street, past the nation's oldest post office and over the bridges crossing streams that powered the early mills.

Featured in The Mendhams are views of elaborate historic homes and businesses, including the mill where Jersey Lightning--New Jersey's first apple jack--was produced. Captured in over 200 images are moments in the lives of the people who made this community--not just early town officials, religious leaders, and gilded age millionaires but also store owners, housewives, and children.
