The Second Coming John MacArthur,2006-01-09 And if I go and prepare a place for you, I will come again and will take you to myself, that where I am you may be also. John 14:3 ESV Jesus Christ was very clear: One day He will return-and none of us knows when. Vocal fanatics claim to know the details of the Second Coming, causing many Christians to all but ignore the good news that Jesus is coming again. Yet God's own Word commands us to know the signs of the times, to remain watchful, and to be ready-whenever Christ comes. This book is a straightforward, in-depth exploration of the key biblical texts regarding the Second Coming; most notably, Christ's longest and most important eschatological message, the Olivet Discourse. As you study what the Word of God says about these matters, it will stir in your heart an earnest longing for Christ's return-as well as a certainty about how to live expectantly until He comes again.

Let the Nations be Glad John Piper,2020-05-21 'Mission is not the ultimate goal of the church. Worship is. Missions exist because worship doesn't. Worship is ultimate.' John Piper's contemporary classic draws on key biblical texts to demonstrate that worship is the ultimate goal of the church and that proper worship fuels missionary outreach. Piper offers a biblical defence of God's supremacy in all things, providing a sound theological foundation for missions. He examines whether Jesus is the only way to salvation and issues a passionate plea for God-centredness in the missionary enterprise, seeking to define the scope of the task and the means for reaching 'all nations'. Let the Nations Be Glad! is a trusted resource for missionaries, pastors, church leaders, youth workers, seminary students, and all who want to connect their labours to God's global purposes. This third edition has been revised and expanded throughout and includes new material on the 'prosperity gospel'.

Undeniable Biblical Proof Jesus Christ Will Return to Planet Earth Exactly 2,000 Years After the Year of His Death Gabriel Ansley,2010 Let me ask you a question you probably never pondered: WHY did God create the world in 6 days? Do you think God had NO logic, motive, or purpose behind using that specific number of days? Do you think He just placed a bunch of numbers in a hat and nonchalantly drew one? Or do you think the cosmos required that number of days to be completed, as if God could not have created it in 2, 3, 5, 9, 12, 23 or however many days? Friend, you should know better...God can DO ANYTHING-which brings us back to the original question. The answer to this mystery is contained in the Bible, and its gradual (albeit, secret) uncovering in story after story leads to the stunning title of this book: Undeniable Biblical Proof Jesus Christ Will Return To Planet Earth Exactly 2,000 Years After The Year Of His Death. But FAR more important than merely discovering that fact, this book will fully elucidate and crush all confusion concerning what a person (soul) MUST DO to obtain eternal life by illuminating the true spiritual meaning behind every detail of the ancient Bible stories. So sit back and hold on, because this book's message is going to be a life-changing ride!

Revelation ,1999-01-01 The final book of the Bible, Revelation prophesies the ultimate judgement of mankind in a series of allegorical visions, grisly images and numerological predictions. According to these, empires will fall, the Beast will be destroyed and Christ will rule a new Jerusalem. With an introduction by Will Self.

How Did God Do It? A Symphony of Science and Scripture Walt Huber,Rose Huber,2013-12 Have you ever wondered... How Did God Do It? How did God perform the many miracles and supernatural events described in the Holy Bible - without violating the laws of physics and chemistry that He Himself put into place? And without conflicting with the basic tenets of Judaism and Christianity? This book proposes a theory that marries faith and rationality in a symphony of science and scripture....

Revelation Rightly Revealed Damon Daril Nailer,2016-03-10 Very accurate, extremely informative, and certainly understandable. However, Revelation Rightly Revealed (R3) conducts a precise yet comprehensive study of John's apocalypse. R3 analyzes and expounds on fourteen major themes found in the book of Revelation. As a result, you are guaranteed to receive dynamic and tremendous insight into the following concepts: The Four Horsemen, The Great Tribulation, Mystery Babylon, The Resurrections, The 7 Seals, 7 Trumpets, and 7 Vials, Eternity, and much more.

Teachings of Presidents of the Church: Brigham Young The Church of Jesus Christ of Latter-day Saints,2000 The prophet Brigham Young taught the restored gospel of Jesus Christ in a basic, practical way that gave inspiration and hope to the Saints struggling to build a home in the wilderness. Though more than a century has now passed, his words are still fresh and appropriate for us today as we continue the work of building the kingdom of God. President Young declared that as members of The Church of Jesus Christ of Latter-day Saints we possess the “doctrine of life and salvation for all the honest-in-heart” (DBY, 7). He promised that those who receive the gospel in their hearts will have awakened “within them a desire to know and understand the things of God more than they ever did before in their lives” and will begin to “inquire, read and search and when they go to their Father in the name of Jesus he will not leave them without a witness” (DBY, 450). This book reflects the desire of the First Presidency and the Quorum of the Twelve Apostles to deepen the doctrinal understanding of Church members and to awaken within them a greater desire to know the things of God. It will inspire and motivate individuals, priesthood quorums, and Relief Society classes to inquire, read, search, and then go to their Father in Heaven for a witness of the truth of these teachings. Each chapter contains two sections—“Teachings of Brigham Young” and “Suggestions for Study.” The first section consists of extracts from Brigham Young's sermons to the early Saints. Each statement has been referenced, and the original spelling and punctuation have been preserved; however, the sources cited will not be readily available to most members. These original sources are not necessary to have in order to effectively study or teach from this book. Members need not purchase additional references and commentaries to study or teach these chapters. The text provided in this book, accompanied by the scriptures, is sufficient for instruction. Members should prayerfully read and study President Young's teachings in order to gain new

insights into gospel principles and discover how those principles apply to their everyday lives. By faithfully and prayerfully studying these selections, Latter-day Saints will have a greater understanding of gospel principles and will more fully appreciate the profound and inspired teachings of this great prophet. The second section of each chapter offers a series of questions that will encourage thoughtful contemplation, personal application, and discussion of President Young's teachings. Members should refer to and carefully reread his words on the principle being discussed. Deep and prayerful study of these teachings will inspire members to greater personal commitment and will help them resolve to follow the teachings of the Savior, Jesus Christ. If individuals and families prayerfully follow the principles in this book, they will be blessed and inspired to greater dedication and spirituality, as were the early Saints who heard these words directly from the lips of the "Lion of the Lord" (HC, 7:434)—the prophet, seer, and revelator, President Brigham Young.

When Will Jesus Return For His People Don Nicely,2024-02-09 When Will Jesus Return For His People Book 2 When is Jesus actually coming back? Jesus warned his followers, stay awake, for you do not know on what day your Lord is coming So is Jesus coming back soon? That is the question that Author Don Nicely answers in this amazing revealing book. It's been said that it's been a while since such a simply written book comes out on such a complicated subject. Jesus will come back soon. However, no one knows the exact time when Jesus is coming again. Mark 13:32 says, But about that day or hour no one knows, not even the angels in heaven, nor the Son, but only the Father. Interestingly, though the disciples asked Jesus the very same question just before He returned to heaven on that monumental day. At that time, Jesus told them it was not for them to know the times or seasons which are in the Father's authority. Therefore, knowing that Jesus may come back tomorrow, next month, next year or 100 years from now. So, what does this mean for you and me? Always be ready for the second coming of Jesus Christ. Watch and focus on Jesus because the devil is seeking to distract mankind from understanding the signs and closeness of Jesus' coming. There are several questions that we must ask. Why is Jesus taking so long to come back? How should we live while we wait? Author Don Nicely answers these questions and so many more in this amazing book When Will Jesus Return For His People? Christians should be on guard, watching and praying until the day of the Lord. The Bible says in Luke 21:34-36, But take heed to yourselves, lest your hearts be weighed down with carousing, drunkenness, and cares of this life, and that Day come on you unexpectedly. For it will come as a snare on all those who dwell on the face of the whole earth. Watch therefore, and pray always that you may be counted worthy to escape all these things that will come to pass, and to stand before the Son of Man. Will the angels come back with Jesus? What happens to the righteous at the second coming? Are the wicked destroyed by Christ's coming? When will we get immortal bodies? Why is Jesus coming back? Jesus, more than anything, wants to spend time with you. He invites you to return to heaven with Him to enjoy an eternity with no more tears, pain or suffering The difficulty in believing Jesus is coming back soon is that 2,000 years have passed since he said he was coming soon, and we are still waiting. If that is soon, it doesn't feel like it. This forces us to come to grips with the word soon. We tend to think of soon with immediacy. Clearly, soon to Jesus is different from soon to us. The fact that Jesus is coming soon does not mean he is coming tomorrow.... but he could. Jesus coming soon could mean he will return within the next few days, the next few years, the next few decades, or possibly the next few centuries. We must deal with the question of him coming soon and be prepared for those who get tired of hearing it. This book will guide you in the truths of the word of God that will help you understand the end times and the return of Jesus. Get a copy today!

Understanding End Times Prophecy Paul N. Benware,2006-05-01 Many Christians think of end times prophecy as a gigantic, intimidating puzzle -- difficult to piece together and impossible to figure out. But every puzzle can be solved if you approach it the right way. Paul Benware compares prophecy to a picture puzzle. Putting the edge pieces together first builds the 'framework' that makes it easier to fit the other pieces in their place. According to Benware, the framework for eschatology is the biblical covenants. He begins his comprehensive survey by explaining the major covenants. Then he discusses several different interpretations of end times prophecy. Benware digs into the details of the Rapture, the Great Tribulation, the judgements and resurrections, and the millennial kingdom. But he also adds a unique, personal element to the study, answering questions as: -Why study bible prophecy? -What difference does it make if I'm premillennial or amillennial? If what the Bible says about the future puzzles you, Understanding End Times Prophecy will help you put together the pieces and see the big picture.

From Age to Age Keith A. Mathison,2009 Using the narrative method of biblical theology, From Age to Age traces the eschatological themes of Scripture from Genesis to Revelation, emphasizing how each book of the Bible develops these themes that culminate in the coming of Christ and showing how individual texts fit into the over-arching picture.
