Unlock the Hidden Job Market Duncan Mathison, Martha I. Finney, 2009-09-20 More than 70% of today's job opportunities come through the "hidden job market": they're never advertised, assigned to search firms or internal recruiters, or displayed at job fairs. What's more, as employers cut recruiting costs, the proportion of "hidden" job opportunities is actually growing. And, since most jobseekers know practically nothing about it, those who do understand it have a powerful inside advantage. Now, two career experts reveal the hidden job market, and show how to use it to dramatically improve your chances of landing a job that fits your passions and skills perfectly. Duncan Mathison and best-selling author Martha Finney help you launch a custom, personal job search that avoids competing with thousands of desperate, laid-off job seekers. Learn how to: Use the hidden job market to leap-frog salary levels or even change professions Uncover hidden market opportunities, and your target employers' unspoken needs and wants Tell your story in two minutes, and make people want to know more Get the interviews that count, and run them like a pro Network without sounding phony, lame or desperate Reframe experiences, passions, and hobbies as "transferrable skills" Build a strategic support team of advisors Identify a "dead-ended" job search, and get it restarted Negotiate compensation for "hidden" jobs.

How to Find Your Dream Sales Job - The Future is Yours to Create! Susan A. Enns, 2020-09-01 Sales is considered to be one of the most recession proof careers. Why should you consider a sales career, how to know if you would be good at it, how to write a resume and a gender neutral cover letter, what to include in your LinkedIn profile, how to do interview prep, what to wear, how to access the hidden job market, how to evaluate a job offer, how to resign from your current job it's all in this book! More Details: A study published by Jobfox, identified Sales Representative/Business Development as the most recession-proof profession. Profit Magazine reported; "Finding the right sales talent was one of the biggest concerns facing sales organizations today." Similar studies conducted annually by Manpower Inc. report that the position of "sales representative" is consistently considered by management as one of the most difficult jobs to fill. According to the research in the book "How to Hire & Develop Your Next Top Performer - The Five Qualities That Make Sales People Great", 1 in 4 people have an aptitude and are well suited for a career in sales. So, if there are that many sales organizations always looking to hire sales people, and so many people have the ability to sell, why are so many sales people having difficulties finding their dream sales position? It's probably because few of us are ever taught how to actually find it. This eBook is going to fix that. "How to Find Your Dream Sales Job - The future is yours to create!" will ask and answer four basic questions: 1. Why should you consider a

career in sales? 2. How to know if you would be good at it? 3. What does your dream job look like? 4. How do you go out into the job marketplace and find it? Why should you consider a sales career, how to know if you would be good at it, how to write a resume and a gender neutral cover letter, what to include in your LinkedIn profile, how to do interview prep, what to wear, how to access the hidden job market, how to evaluate a job offer, how to resign from your current job IT'S ALL IN THIS BOOK! Written by Susan A. Enns, a sales coach and author who has been in sales, in one form or another, for well over 3 decades. Over those 30 plus years, in all capacities at all levels of sales, sales management, and executive level management, she has interviewed hundreds, maybe even thousands of candidates for various sales and sales management positions. With that experience under her belt and a record of proven performance to her credit, she wrote this book. She started to write it the day she met a very enterprising young man who wanted to start a career in sales. He told her he found a company online and they were going to charge him more than \$3000 to teach him how to find a sales job. She thought at the time that was highway robbery, let alone questioning if it was even legal. She finished writing it shortly after the COVID-19 Pandemic of 2020 changed the world, and so many talented sales people were forced to change jobs and were hitting the job market on a moment's notice. As Confucius once said, "Choose a job you love, and you will never have to work a day in your life". Susan has had such a rewarding career in sales, she wants to help you explore the same opportunity. So let's get started!

The Perpetual Paycheck Lori B. Rassas,2018-01-16 Finding a new job is almost as challenging as the job itself. What makes this even more challenging is that few people recognize what's happening in today's job market-and even fewer people possess the tools to effectively navigate this new environment. Today's workplace may be loyalty-free, but with some strategic guidance anyone can learn to achieve unprecedented success. The Perpetual Paycheck, Volume 2 represents the third book in a series that began with The Perpetual Paycheck: 5 Secrets to Getting a Job, Keeping a Job, and Earning Income for Life in the Loyalty-Free Workplace, a book that provides advice and specific strategies that job seekers can use to navigate the loyalty-free workplace in all phases of their careers. That book was followed by Over the Hill But Not the Cliff: 5 Strategies for 50+ Job Seekers to Push Past Ageism & Find a Job in the Loyalty-Free Workplace, which built upon the first book and provided guidance that was specific to older job seekers looking to navigate the modern workplace. In this volume, readers will receive five new tips that build upon the information presented in the prior books in the series and which can be used to distinguish you from the stacks of other qualified candidates. This will includes the best strategies to get your resumes in the right hands, create an effective team in place that will take care of you, and create additional streams of income so that you can respond to the latest conditions and prepare yourself for the worst case scenario. Even if you currently have a job and have no plans to actively look for a new opportunity, or are fortunate enough to never have a disruption in your income stream, it never hurts to be

prepared. The Perpetual Paycheck, Volume 2 will help you to do just that.
