*"Wake Up, Mr. West"* Joshua K. Wright, 2022-01-14 Black celebrities in America have always walked a precarious line between their perceived status as spokespersons for their race and their own individual success--and between being not black enough for the black community or too black to appeal to a broader audience. Few know this tightrope walk better than Kanye West, who transformed hip-hop, pop and gospel music, redefined fashion, married the world's biggest reality TV star and ran for president, all while becoming one of only a handful of black billionaires worldwide. Despite these accomplishments, his polarizing behavior, controversial alliances and bouts with mental illness have made him a caricature in the media and a disappointment among much of his fanbase. This book examines West's story and what it reveals about black celebrity and identity and the American dream.

*Kanye West Owes Me \$300* Jensen Karp, 2017-05-02 In this "triumphantly funny" (AV Club) memoir, comedian Jensen Karp tells the story of how, as a Jewish kid from the L.A. suburbs, he became a rap battle legend—and then almost became a star. "The funniest person I follow on Twitter finally got smart and wrote about his unlikely—and hilarious—odyssey as teenage rapper Hot Karl."—Kevin Smith, New York Times bestselling author of *Tough Sh\*t* When twelve-year old Jensen Karp got his first taste of rapping for crowds at his friend's bar mitzvah in 1991, little did he know that he was taking his first step on a journey that would end with a failed million-dollar recording and publishing deal with Interscope Records when he was only nineteen. Now, in *Kanye West Owes Me \$300*, Karp finally tells the true story of his wild ride as "Hot Karl," the most famous white rapper you've never heard of. On his way to (almost) celebrity, Jensen shares his childhood run-ins with rock-listening, Southern California classmates, who tell him that "rap is for black people," and then recounts his record-breaking rap battling streak on popular radio contest "The Roll Call"—a run that caught the eye of a music industry hungry for new rap voices in the early '00s. He also introduces his rap partner, Rickye, who constitutes the second half of their group XTra Large; his supportive mom, who performs with him onstage; and the soon-to-be-household-name artists he records with, including Redman, Fabolous, Mya, and will.i.am. Finally, he reveals why his album never saw the light of day (two words: Slim Shady), the downward spiral he suffered after, and what he found instead of rap glory. Full of rollicking stories from his close brush with fame, Karp's hilarious memoir is the ultimate fish-out-of-water story about a guy who follows an unlikely passion—trying to crack the rap game—despite what everyone else says. It's 30 Rock for the rap set; 8 Mile for the suburbs; and quite the journey for a white kid from the valley.

**Kanye West** J.D. Rockefeller, 2016-04-20 How do you define a real artist? Is being a good singer, actor or dancer enough? Talent is either innate or enhanced through constant practice, and it is one of the requirements to become a certified artist. However, the ability to touch other people's lives, influence them through your acts and be able to change in the society is something worthy of praise, recognition and of course admiration from millions of people. One great example of this kind of artists is Kanye West, who has contributed to the world of hip hop. He is a kind of artist that pursues whatever he thinks is best for the art and music industry. Through his unique sound and style of music, he is considered one of the most admired, popular and influential people in the industry. Kanye West is known for being full of contradictions. He is materialistic but religious, arrogant or big headed but self-deprecating. And he is remarkably rude but also sensitive. Despite some of his negative aspects or attributes as a person,

people still see him as a person with a good side, which even makes him more worthy of admiration. Instead of sublimating those conflicts, he shows them off through his music!

**Kim Kardashian West and Kanye West** Monique Vescia, 2019-07-15 Kim Kardashian West and Kanye West may be the world's most ambitious power couple. Together they have amassed billions of dollars and dominated social media by courting controversy, and kept their global fan base fascinated and entertained. **Kanye West's My Beautiful Dark Twisted Fantasy** Kirk Walker Graves, 2014-06-19 In the first decade of the twenty-first century, Kanye West created the most compelling body of pop music by an American artist during the period. Having risen from obscurity as a precocious producer through the ranks of Jay Z's Roc-A-Fella records, by the time he released *My Beautiful Dark Twisted Fantasy* (MBDTF) in late 2010, West had evolved into a master collagist, an alchemist capable of transfiguring semi-obscure soul samples and indelible beats into a brash and vulnerable new art form. A look at the arc of his career, from the heady chipmunk soul exuberance of *The College Dropout* (2004) to the operatic narcissism of MBDTF, tells us about the march of pop music into the digital age and, by extension, the contradictions that define our cultural epoch. In a cloud-based and on-demand culture – a place of increasing virtualization, loneliness, and hyper-connectivity – West straddles this critical moment as what David Samuels of *The Atlantic* calls the first true genius of the iPhone era, the Mozart of contemporary American music. In the land of taking a selfie, honing a personal brand, and publicly melting down online, Kanye West is the undisputed king. Swallowing the chaos wrought by his public persona and digesting it as a grandiose allegory of self-redemption, Kanye sublimates his narcissism to paint masterstroke after masterstroke on MBDTF, a 69-minute hymn to egotistical excess. Sampling and ventriloquizing the pop music past to tell the story of its future – very much a tale of our culture's wish for unfettered digital ubiquity – MBDTF is the album of its era, an aesthetic self-acquittal and spiritual autobiography of our era's most dynamic artist.
