Harold Taw

**Don't Stop Believin'** Brian Raftery, 2008-12-09

Armed with a keen eye and a terrible singing voice, writer Brian Raftery sets out across the globe, tracing karaoke's evolution from cult fad to multi-million dollar phenomenon. In Japan, he meets Daisuke Inoue, the godfather of karaoke; in Thailand, he follows a group of Americans hoping to win the Karaoke World Championships; and in New York City, he hangs out backstage with the world's longest-running heavy-metal karaoke band. Along the way, Raftery chronicles his own time as an obsessive karaoke fan, recalling a life's worth of noisy relationships and poor song choices, and analyzing the karaoke-bar merits of such artists as Prince, Bob Dylan and Fugazi. Part cultural history, part memoir, *Don't Stop Believin': How Karaoke Conquered the World and Changed My Life* is a hilarious and densely reported look at the liberating effects of a good sing-along.

**Karaoke** Xun Zhou, Francesca Tarocco, 2013-06-01

*Dancing Queen*. *Respect*. *Brandy (You're a Fine Girl)*. There are some songs so infectious that you can't help but belt out the lyrics along with the singer. Karaoke—meaning “empty orchestra” in Japanese—gets rid of the singer and leaves you in the spotlight alone. It is the social manifestation of our desire to sing, in tune or out, and in three short decades, it has exploded into a worldwide craze. In this unprecedented study, Zhou Xun and Francesca Tarocco engagingly examine karaoke and all its associated kitsch, crime, and weirdness. Usually thought of as the pastime of desperately bad singers and slurring

drunks, karaoke has never enjoyed a particularly stellar image. Xun and Tarocco, however, reveal its surprisingly complex history and significant cultural impact around the world. Originating in postwar Japan, karaoke soon spread to Southeast Asia and the West. Karaoke traces how it became a wildly successful social phenomenon that constantly evolved to keep pace with changes in technology and culture. Drawing on extensive research and international travels, the authors chart the varied manifestations of karaoke, from karaoke taxis in Bangkok to nude karaoke in Toronto to the role of karaoke in prostitution. Extensive personal anecdotes reveal the dramatic range of social experiences made possible by karaoke and how the obsession with performance and song has touched politics, history, and pop culture throughout global society. Karaoke bars are at the heart of rich escapist fantasies and the authors—in readable fashion and using vibrant full-color illustrations—document this unpredictable fantasy world and the people who inhabit it. Karaoke, therefore, will delight anyone who has had the courage to take the mike and front the “empty orchestra.”

Hit Me with Your Best Shot! Raina Lee, 2008-04-30  
When karaoke calls, get ready to steal the show. Karaoke Queen Raina Lee helps beginners and veterans conquer stage fright, pick songs to showcase vocal talent (or disguise a lack thereof), and master their moves (mic twirls, Mick Jagger kicks, etc.). She turns what can be a terrifying social rite of passage into a party no one wants to miss. With lists of the best songs

for all occasions, advice from World Karaoke Champions, awesome hand-drawn typography and illustrations, plus party scene snapshots of people singing their hearts out, this pocket-size resource will turn up the volume on happy hour. Rock on.

Karaoke, Karaoke, Karaoke! Dax Radtke, 2004-04

Karaoke Around the World Shuhei Hosokawa, Toru Mitsui, 2005-06-20 The karaoke machine is much more than an instrument which allows us to be a star for three minutes. The contributors to this lively collection address the importance of karaoke within Japanese culture and its spread to other parts of the world, exploring the influence of karaoke in such different societies as the United Kingdom, North America, Italy, Sweden, Korea and Brazil. They also consider the nature of the karaoke experience, which involves people as singers, co-singers and listeners.

*Guide to Karaoke Confidence* Jeffrey Allen, A quick, simple and fun course for everyone who loves to sing. Designed for all vocal ranges and styles, Jeffrey Allen's Guide to Karaoke Confidence offers numerous, invaluable performance and singing tips to insure that each and every moment in the Karaoke spotlight is successful.

**Turn Around Bright Eyes** Rob Sheffield, 2013-08-06 Once upon a time I was falling apart. Now I'm always falling in love. Pick up the microphone. When Rob Sheffield moved to New York City in the summer of 2001, he was a young widower trying to start a new life in a new town. Behind, in the past, was his life as a happily married rock critic, with a wife he adored, and a massive

collection of mix tapes that captured their life together. And then, in a flash, all he had left were the tapes. Beyoncé , Bowie, Bon Jovi, Benatar . . . One night, some friends dragged him to a karaoke bar in the West Village. A night out was a rare occasion for Rob back then. Turn around Somehow, that night in a karaoke bar turned into many nights, in many karaoke bars. Karaoke became a way out, a way to escape the past, a way to be someone else if only for the span of a three-minute song. Discovering the sublime ridiculousness of karaoke, despite the fact that he couldn't carry a tune, he began to find his voice. Turn around And then the unexpected happened. A voice on the radio got Rob's attention. The voice came attached to a woman who was unlike anyone he'd ever met before. A woman who could name every constellation in the sky, and every Depeche Mode B side. A woman who could belt out a mean Bonnie Tyler. Bright Eyes Turn Around Bright Eyes is an emotional journey of hilarity and heartbreak with a karaoke soundtrack. It's a story about finding the courage to move on, clearing your throat, and letting it rip. It's a story about navigating your way through adult romance. And it's a story about how songs get tangled up in our deepest emotions, evoking memories of the past while inspiring hope for the future.

**Karaoke Idols** Kevin Brown, 2015 Most ethnographers don't achieve what Kevin Brown did while conducting their research: in his two years spent at a karaoke bar near Denver, Colorado, he went from barely able to carry a tune to someone

whom other karaoke patrons requested to sing. Along the way, he learned everything you might ever want to know about karaoke and the people who enjoy it. The result is *Karaoke Idols*, a close ethnography of life at a karaoke bar that reveals just what we're doing when we take up the mic and how we shape our identities, especially in terms of gender, ethnicity, and class, through performances in everyday life. Marrying a comprehensive introduction to the history of public singing and karaoke with a rich analysis of karaoke performers and the community that their shared performances generate, *Karaoke Idols* is a book for both the casual reader and the scholar, and a fascinating exploration of our urge to perform and the intersection of technology and culture that makes it so seductively easy to do so.

**in Search of A Voice** Casey M.K. Lum, 2012-10-12  
Originating in Japan early in the 1970s as a simple sing-along technology, karaoke has become a hybrid media form designed to integrate mass-mediated popular music, video images, computer graphics, and the live musical performance of its human users. Not only has karaoke become a multimillion-dollar entertainment industry, its varied uses have also evolved into diverse popular cultural and social practices among many people around the world. Based on a two-year ethnographic study, this book offers a penetrating analysis of how karaoke is used in the expression, maintenance, and (re)construction of social identity as part of the Chinese American experience. It also explores the theoretical

implications of interaction between the media audience and karaoke as both an electronic communication technology and a cultural practice. This book analyzes the social origins of karaoke and the dramaturgical characteristics of karaoke events, and explains how various musical genres are reframed as karaoke music. It also visits the numerous karaoke scenes in their natural context - the sites of the actual consumption of media products, such as expensive private homes and fancy hotel ballrooms in the affluent suburbs of New Jersey, working-class restaurants and nightclubs in the multiethnic neighborhoods in Flushing, Queens, and Cantonese opera music clubs in New York's Chinatown. Finally, the book offers an intimate analysis of how karaoke has been adopted by several interpretive communities of first-generation Chinese immigrants not only as popular entertainment but also as a means to help (re)define their social identity and way of life.

Karaoke Nights Rob Drew, 2001-10-16 Karaoke creates its own culture, while reflecting much about the wider culture and the place of popular music as a media form. Its complexities and nuances make karaoke a marvelous ethnographic subject, and Rob Drew is compelling in his experience and understanding. *Karaoke Nights* is both a keen observation on the external behavior of deejays, performers, and audience and an intimate portrait of the emotional rollercoaster that is the internal life of a karaoke singer.

*Karaoke in Da Hood* Traci Gaines, 2008-01-01 *Karaoke In Da Hood* is a book about all of the places in the Bay Area that you can have fun

singing in. We sing with our own voices, and we have a ball. I always say that karaoke is for fun, anyone can sing it. Enjoy, eat, and have fun!

Chicken Karaoke Heidi E. Y. Stemple, 2023-01-31 On Chicken karaoke night, duck wants to shine in the spotlight, but she must overcome her stage fright.

Karaoke Queen Erik Schubach, 2013-06-13 Skylar was horribly scarred by a fire in a violent crime, thoughts of suicide plagued her until she found music. It was her savior. She came forward from the shadows to express her pain through song. Karaoke bars were her salvation. Now in an international competition, she finds herself continually vexed by her rival, Kim, who never shows her any quarter. A strange relationship of respect grows between them, but could it be something more? Something beautiful? This is set in the same world as Music of the Soul but is a standalone book.

**Karaoke In Da Hood** Traci Gaines, 2008-01 Karaoke In Da Hood is a book about all of the places in the Bay Area that you can have fun singing in. We sing with our own voices, and we have a ball. I always say that karaoke is for fun, anyone can sing it. Enjoy, eat, and have fun!

The Frankster & Co, Party to Go - DJ & Karaoke Frank Casto,

**Karaoke!** Tracey Howard-Baker, 2007-01 In this amusing guide to the sophisticated world of singing along, Tracey Howard-Baker takes us through the dos and don'ts of successful karaoke, reveals the top ten songs for singles, duets, and groups, and gives tips for holding karaoke-themed

parties.

Let's Go Karaoke! Yama Wayama, 2022-05-24 Nothing worries Satomi Oka more than the upcoming final choir competition of his middle school career—right up until he is accosted by a stranger from the shadows who demands, “Let’s go karaoke!” As a yakuza, Kyouji Narita doesn’t scare easily, but a terrifying prospect has driven him to seek Satomi’s help. The boss is holding a karaoke contest, with the loser forced to get a tattoo to be selected and torturously applied by the boss himself! Oka has been to many vocal rehearsals over the years, but never one-on-one karaoke sessions with a gangster!!

*Adventures of the Karaoke King* Harold Taw, 2011-04-26 Guy Watanabe is a thirty-something man who is marginally in touch with his Asian heritage and completely out of touch with his own needs and desires. Recovering from a divorce, Watanabe is unsure of himself and the course his future might take. When he wins a local karaoke contest, he discovers not only a newfound confidence, but the courage to take risks. With the victor's medallion in hand, he seizes the moment--and his life changes dramatically, albeit not as he might have hoped. From a weekend romp with Megumi, a former hooker, comes a physical beating and the loss of his beloved medallion. Stung by this humiliation, and yet able to muster a courage long dormant, his quest begins. From the western states and on to Asia, with a return trip in a shipping container, we follow his wild ride. Will a Korean barmaid be his downfall--or his redemption? Will Billy, a closeted gay man, or

Milt, a heavily-armed dwarf, help Guy on his journey? And what about the patricidal Chinese businessman who will stop at nothing to create a global karaoke empire?--Amazon.com, viewed May 17, 2011.

*Confessions Of A Karaoke Queen* Ella Kingsley, 2011-12-08 Maddie Mulhern is suddenly in charge. Her parents - former 80s pop duo Pineapple Mist - have left for the summer on a nostalgia tour, entrusting her to manage their struggling karaoke bar, Sing It Back. Panicking over the dodgy finances, Maddie takes a gamble: she signs up for a fly-on-the-wall reality TV series. With her faithful staff (divalicious drag queen Ruby, shy barman Simon and wannabe actress Jasmine) she'll transform the bar into a huge success. Simple. Right? Executive Producer Evan Bergman knows that scandal sells. It's no coincidence that he hires cool, attractive Nick Craven as director. Evan wants drama on screen - and he'll do anything to get it. As the series builds to a live finale, will Maddie see the truth in a Careless Whisper? Will Nick be able to keep his Poker Face? One thing's for sure: we all do things at karaoke that we regret . . .
