Domestic Abuse and Sexual Assault in Popular Culture Laura L. Finley,2016-04-18 Using historical and current examples from film, television, literature, advertisements, and music, this book reveals the ways that rape and abuse are typically presented—and misrepresented—and evaluates the impact of these depictions on consumers. Incidences of domestic abuse and sexual assault aren't only commonplace nationwide and the source of a shockingly large number of serious injuries and deaths; they're also problems that are often subject to myths and misleading depictions in popular culture and media. The author of this important book seeks to shed light on the situation by examining the specific issues related to domestic violence and sexual assault, from the scope and extent of the problem to victim and offender characteristics, and from common misconceptions to societal, cultural, and judicial responses and prevention efforts. Each chapter discusses movies, music, literature, and other forms of popular culture that address issues of domestic abuse and sexual assault, identifying both accurate depictions and problematic examples. The final section of the book addresses how our culture responds to and attempts to prevent domestic abuse and sexual assault, covering depictions of police response to these kinds of crimes in popular culture, how the justice system handles these cases, and individual and community efforts to curb domestic abuse and sexual assault. A compendium of films, documentaries, popular books, and song lyrics featuring domestic abuse and sexual assault enables readers to easily investigate the subject further.

The Mindful Maker Clare Youngs,2019-10-08 Lose yourself in the creative process with 35 meditative makes. In today's busy world, it can be difficult to find time to slow down and make time for the simple joy of making, so Clare Youngs has designed a wide range of beautiful and tempting projects to help you experience the pleasure and satisfaction that making something with your own hands can bring. The best thing about practicing mindfulness through craft is that you have something tangible to show at the end, and you can start small with the coral reef-inspired embroidery hoops, or just by making pompoms and tassels to be added to the edge of a pillow or blanket. You can learn techniques such as block printing, punch needling, shibori dyeing, weaving, macramé, and quilting, all of which encourage a mindful approach, and a way to experience a feeling of "flow". Make unique things for yourself and your home, using natural materials such as wool, cotton, linen, and leather. Clare is a believer in making new things from old, using what you have, and adapting old fabrics to counteract a throwaway society, and all her designs have a Scandinavian-inspired, modern esthetic.

Outer Order, Inner Calm Gretchen Rubin,2019-03-05 NEW YORK TIMES BESTSELLER • In this lovely, easy-to-use illustrated guide to decluttering, the beloved author of The Happiness Project shows us how to take control of our stuff—and, by extension, our lives. Gretchen Rubin knows firsthand that creating order can make our lives happier, healthier, more productive, and more creative. But for most of us, a rigid, one-size-fits-all solution doesn't work. When we tailor our approach to suit our own particular challenges and habits, we can find inner calm. With a sense of fun, and a clear idea of what's realistic for most people, Rubin suggests dozens of manageable tips and tricks for creating a more serene, orderly environment, including: • Never label anything "miscellaneous." • Ask yourself, "Do I need more than one?" • Don't aim for minimalism. • Remember: If you can't retrieve it, you won't use it. • Stay current with a child's interests. • Beware the urge to "procrasticlear." By getting rid of things we don't use, don't need, or don't love, we free our minds (and our shelves) for what we truly value.

This Is My Brain in Love I. W. Gregorio,2020-04-14 Told in dual narrative, This Is My Brain in Love is a stunning YA contemporary romance, exploring mental health, race, and, ultimately self-acceptance, for fans of I Am Not Your Perfect Mexican Daughter and Emergency Contact. Jocelyn Wu has just three wishes for her junior year: To make it through without dying of boredom, to direct a short film with her BFF Priya Venkatram, and to get at least two months into the year without being compared to or confused with Peggy Chang, the only other Chinese girl in her grade. Will Domenici has two goals: to find a paying summer internship, and to prove he has what it takes to become an editor on his school paper. Then Jocelyn's father tells her their family restaurant may be going under, and all wishes are off. Because her dad has the marketing skills of a dumpling, it's up to Jocelyn and her unlikely new employee, Will, to bring A-Plus Chinese Garden into the 21st century (or, at least, to Facebook). What starts off as a rocky partnership soon grows into something more. But family prejudices and the uncertain future of A-Plus threaten to keep Will and Jocelyn apart. It will take everything they have and more, to save the family restaurant and their budding romance.

Think Like a Monk Jay Shetty,2020-09-08 Jay Shetty, social media superstar and host of the #1 podcast On Purpose, distills the timeless wisdom he learned as a monk into practical steps anyone can take every day to live a less anxious, more meaningful life. When you think like a monk, you'll understand: -How to overcome negativity -How to stop overthinking -Why comparison kills love -How to use your fear -Why you can't find happiness by looking for it -How to learn from everyone you meet -Why you are not your thoughts -How to find your purpose -Why kindness is crucial to success - And much more... Shetty grew up in a family where you could become one of three things—a doctor, a lawyer, or a failure. His family was convinced he had chosen option three: instead of attending his college graduation ceremony, he headed to India to become a monk, to meditate every day for four to eight hours, and devote his life to helping others. After three years, one of his teachers told him that he would have more impact on the world if he left the monk's path to share his experience and wisdom with others. Heavily in debt, and with no recognizable skills on his résumé, he moved back home in north London with his parents. Shetty reconnected with old school friends—many working for some of the world's largest corporations—who were experiencing tremendous stress, pressure, and unhappiness, and they invited Shetty to coach them on well-being, purpose, and mindfulness. Since then, Shetty has become one of the world's most popular influencers. In 2017, he was named in the Forbes magazine 30-under-30 for being a game-changer in the world of media. In 2018, he had the #1 video on Facebook with over 360 million views. His social media following totals over 38 million, he has produced over 400 viral videos which have amassed more than 8 billion views, and his podcast, On Purpose, is consistently ranked the world's #1 Health and Wellness podcast. In this inspiring, empowering book, Shetty draws on his time as a monk to show us how we can clear the roadblocks to our potential and power. Combining ancient wisdom and his own rich experiences in the ashram, Think Like a Monk reveals how to overcome negative thoughts and habits, and access the calm and purpose that lie within all of us. He transforms abstract lessons into advice and exercises we can all apply to reduce stress, improve relationships, and give the gifts we find in ourselves to the world. Shetty proves that everyone can—and should—think like a monk.
