Kevin Garnett: the Inspiring Story of One of Basketball's Greatest Power Forwards Clayton Geoffreys,2015-12-12 Learn the Incredible Story of the Minnesota Timberwolves' Basketball Legend Kevin Garnett! Read on your PC, Mac, smartphone, tablet or Kindle device! In *Kevin Garnett: The Inspiring Story of One of Basketball's Greatest Power Forwards*, you will learn the inspirational story of one of basketball's premier power forwards, Kevin Garnett. Since joining the NBA directly from high school, Kevin Garnett has had a highly productive and legendary career in the NBA as a leader and as a basketball player. From leading the Minnesota Timberwolves in the early 2000s to playing an important role as part of the Boston Big 3 alongside Paul Pierce and Ray Allen in their deep playoff runs (including a 2008 NBA Championship), Kevin Garnett is easily one of the greatest power forwards to play the game. It is hard to believe that we have had the unique opportunity of seeing a young teen mature into a man throughout his NBA career. While Kevin Garnett is nearing the twilight of his career and has openly accepted the role as a mentor for young bigs such as Karl-Anthony Towns, his legacy on the game of basketball will never be forgotten. After all, anything is possible. Here is a preview of what is inside this book: Early Life and Childhood High School Years of Kevin Garnett Kevin Garnett's

NBA Career Getting Drafted Rookie Season All-Star Season and Controversial Contract 1998-1999 Lockout Season Superstardom and First Round Exits MVP Season The Slow Breakup The Trade The New Boston Big 3 Becoming an NBA Champion Celtic Run The End of an Era and Trade to Brooklyn Brooklyn Stint Minnesota Homecoming Garnett's Personal Life Garnett's Legacy and Impact on the Game An excerpt from the book: No single person in the history of the NBA has been as fiery in both ends of the court as Kevin Garnett. Aside from his lone championship, individual accolades, numerous All-Star game appearances, and career milestones, Kevin Garnett (or KG as he is better known) is intensity personified on the basketball court. Whether as a teammate or as a player on the opposing side, KG will always push you to your limit in any manner conceivable and will get into your head both on and off the court. He pushes people so hard that he once made his Boston Celtics teammate Glen Big Baby Davis cry during a televised game by scolding him on the sidelines after a timeout. Moreover, opposing players tend to get the worst aspects of his intensity as he is a very physical player and is one of the best trash-talkers in the game. He once called opposing forward Charlie Villanueva a cancer on the team while defending him. KG has even gone as far as insulting All-Star Carmelo Anthony's wife in a game. However, it is also KG's intense persona that contributed to his legendary and accomplished career. He is a 15-time NBA All-Star, a one-time MVP, a one-time Defensive Player of the Year, an Olympic gold medalist, an All-NBA team member nine times, a 12-time All-Defense team member (tied with Kobe Bryant for second of all-time), and above all an NBA champion. He is also today's longest tenured NBA player as he has been with the league since the 1995 season. Tags: kevin garnett bio, kevin garnett

Kevin Garnett Daniel Osier,2011 Biography of Boston Celtics player Kevin Garnett.

The Big Three Michael Holley,2020-12-01 **Selected by the Wall Street Journal among the Best Sports Books of 2021** A New York Times bestselling sportswriter tells the inside story of how three star players joined together to form the most dominant team in basketball and lead the Boston Celtics to their first championship in more than two decades. The first of The Big Three was Paul Pierce. As Boston Celtics fans watched the team retire Pierce's jersey in a ceremony on February 11, 2018, they remembered again the incredible performances Pierce put on in the city for fifteen years, helping the Celtics escape the bottom of their conference to become champions and perennial championship contenders. But Pierce's time in the city wasn't always so smooth. In 2000, he was stabbed in a downtown nightclub eleven times in a seemingly random attack. Six years later, remaining the sole star on a struggling team, he asked to be traded and briefly became a lightning rod among fans. Then, in 2007, the Boston Celtics General Manager made two monumental trades, bringing Ray Allen and Kevin Garnett to Boston. A press conference on July 31, 2007 was a sight to behold: Pierce, KG, and Ray Allen holding up Celtics jerseys for the flood of media. Coach Doc Rivers made sure the

team bonded over the thought of winning a title and living by a Bantu term called Ubuntu, which translates as I am because we are. Rivers wanted to make it clear that togetherness and brotherhood would help them maximize their talent and win. What came next—the synthesis of the Celtics' Big Three and their dominant championship run—cemented their standing as one of great teams in NBA history, a rival to Kobe Bryant's Lakers and LeBron James's Cavaliers. This is the team that brought excitement back to the Garden, and therefore to one of the most storied franchises in all of sports. They met their historic rivals, the Lakers, in the 2008 NBA Finals, winning the series in Game 6, in a rout on their home court with a raucous, concert like atmosphere. Along the victory parade route, Paul Pierce smoked a cigar—as a tribute to legendary former Celtics Coach Red Auerbach. In a city now defined by a wealth of championships, The Big Three joined the club. Michael Holley, the premier chronicler of Boston sports, brings their story to life with countless untold stories and behind-the-scenes details in another bestselling tome for New England and sports fans across the country.
