The Book of Gardening Projects for Kids Whitney Cohen,John Fisher,2012-07-12 “What better way to begin to explore the natural world than to experience the magic and beauty of a family garden.” –Arden Bucklin-Sporer, author of *How to Grow a School Garden* Many gardeners find that once they have children gardening goes the way of late-night dinner parties and Sunday morning sleep-ins. Raising kids and maintaining a garden can be a juggling act, leaving the family garden forgotten and neglected. But kids can make great gardening companions, and the benefits of including them are impossible to ignore. Gardening gets kids outdoors and away from television and video games, increases their connection to plants and animals, and helps build enthusiasm for fresh fruits and vegetables. Their involvement becomes the real harvest of a family garden. In *The Book of Gardening Projects for Kids*, Whitney Cohen and John Fisher draw on years of experience in the Life Lab Garden Classroom and gardening with their own children to teach parents how to integrate the garden into their family life, no matter its scope or scale. The book features simple, practical gardening advice, including how to design a play-friendly garden, ideas for fun-filled theme gardens, and how to cook and preserve the garden's bounty. 101 engaging, family-friendly garden activities are also featured, from making Crunch-n-Munch Vegetable Beds and Muddy Miniature Masterpieces to harvesting berries for Fresh Fruity Pops.

100 Fun & Easy Learning Games for Kids Amanda Boyarshinov,Kim Vij,2016-05-24 Learn While You Play With These Fun, Creative Activities & Games From two experienced educators and moms, *100 Fun & Easy Learning Games for Kids* prepares your children to thrive in school and life the fun way by using guided play at home to teach important learning topics—reading, writing, math, science, art, music and global studies. Turn off the TV and beat boredom blues with these clever activities that are quick and easy to set up with common household materials. The huge variety of activities means you can choose from high-energy group games full of laughter and delight, or quiet activities that kids can complete on their own. All activities highlight the skill they teach, and some are marked with a symbol whether they are good for on-the-go learning or if they incorporate movement for kids to get their wiggles out. In *Zip-Line Letters*, children learn letter sounds as the letters zoom across the room. In *Parachute Subtraction*, place foam balls in a parachute, then kids shake the parachute and practice subtraction as they count how many balls fall off. Kids will have so much fun, they won't even realize they're gaining important skills! The activities are easy to adapt for all ages and skill levels. *100 Fun & Easy Learning Games for Kids* is the solution for parents—as well as teachers, caregivers or relatives—to help kids realize how fun learning can be and develop what they'll need to do well wherever life takes them.

Fun with 50 States Nicole Claesen,2021-08-24 The big book of surprising facts and 100+ amazing activities featuring our fascinating, unique, wacky 50 states!

Welcome to the wild and wonderful United States of America! With 50 states, a capital in Washington, DC, and several territories, our country is home to spectacular national parks, exciting cities, and stunning vistas—as well as the only place in the world where you can dig for diamonds and keep them, the largest tree in the world, and the only place in the world where alligators and crocodiles live together! In this book, you'll discover where to find the only royal palace in the United States, a river that flows backwards, and the smallest park in the country (and the world!). This awesome travel activity book helps 6–10 year-olds: LEARN fascinating and often weird facts about each state, Washington, DC, and five territories, including their unique history, landscape, and attractions. Kids will learn valuable geography skills, too! DIG DEEP INTO 100+ ACTIVITIES—ranging from mazes, dot-to-dots, and word searches to coloring pages, crack the code, and matching games—that teach even more about the states and territories and reinforce what kids have already learned. LEAP AHEAD OF CLASSMATES in knowing where the 50 states are located, plus each state's capital, flower, bird, nickname, and more. Whether you want to learn more about your amazing country, take a virtual trip that reveals hidden attractions, or have fun with activities and wacky facts, Fun with 50 States is an educational and exciting guided tour of the USA.
