In this best selling book with over 25,000 copies sold, you will learn how to: Increase Your Book's Amazon And Google Search Traffic By 423% In 30 Minutes If you're a self-published author without a large platform or following, you will never be able to promote more than the published authors with huge marketing budgets. Amazon Prime All on the Berkeley Roundtable on the International Economy Steve Weber, Steve Weber, 2015-05-25 Here's a concise guide that simply explains how to get the most bang from your Prime bucks. Hi, I'm Steve Weber, publisher of KindleBuffet.com, a daily list of free and discount Kindle books. If you enjoy special deals on great books, please visit the site and tell me what you think. Way back in 2005, I received an email from Amazon.com announcing a new program called Prime. It was a simple proposition: If I paid \$79 a year for the annual membership, I'd get free two-day shipping on most of my orders.

Plus, I could upgrade to overnight shipping at a huge discount--just a few dollars per order. I'm plenty thrifty, but Amazon didn't need to twist my arm before I coughed up my \$79 fee for a Prime membership. It was a no-brainer. I order something from Amazon at least once or twice a week--books, groceries, electronic gadgets (the list has grown every year). So I didn't need to scribble the numbers on the back of an envelope to see that my annual Prime membership would pay for itself within a few months. Easily! In the decade since then, Amazon has increased the Prime membership fee just \$20. Meanwhile, the company has stacked up more and more benefits to Prime, much beyond the special shipping deals that attracted me at the start: Free on-demand streaming of movies and TV shows. The service, called Amazon Instant Video, is similar to Netflix's online video service. And while Amazon's video store doesn't yet match Netflix's selection, Amazon is gaining rapidly. Free monthly rentals of popular Kindle ebooks, thanks to the Kindle Owners' Lending Library. Anyone with a Kindle device and a Prime membership qualifies for the freebies, up to one book per month, with no due date. Free streaming music, a service like the popular Pandora or Spotify Internet music services. Whether you're like me--someone for whom Amazon Prime is a must-have--or a more infrequent Amazon customer--this book will explain how to get the most bang out of your Prime bucks.

Amazon Kindle Free Days Gordon Owen @ iGO eBooks, 2014-12-10 A few years back when there was a huge demand for Kindle books with little competition and no restrictions put on sites by Amazon; if you had the right kind of book it was possible to put it up on a 'free day' with no promotion and get thousands of downloads. At the time there were no 'verified purchase' labels and no checks so lots of people were buying Fiverr ads that gave them 2-3 reviews for \$5. This gave readers the impression that these books were well worth buying. The Kindle devices had limited display features so the quality of the book formatting did not matter as much as it does today. People had to download a sample to get a proper look at the book so in the case of a 'free' book, it was easier just downloading the whole thing than the possibility of virtually downloading it twice. This book is one of more than 30 eBooks in the genre subject matters of fundraising, governance, organisational, & ePublishing material series.
