Standing Up Against Hate Mary Cronk Farrell, 2019-01-08 *Standing Up Against Hate* tells the stories of the African American women who enlisted in the newly formed Women's Army Auxiliary Corps (WAAC) in World War II. They quickly discovered that they faced as many obstacles in the armed forces as they did in everyday life. However, they refused to back down. They interrupted careers and left family, friends, and loved ones to venture into unknown and sometimes dangerous territory. They survived racial prejudice and discrimination with dignity, succeeded in jobs women had never worked before, and made crucial contributions to the military war effort. The book centers around Charity Adams, who commanded the only black WAAC battalion sent overseas and became the highest ranking African American woman in the military by the end of the war. Along with Adams's story are those of other black women who played a crucial role in integrating the armed forces. Their tales are both inspiring and heart-wrenching. The book includes a timeline, bibliography, and index.

Deep in the Woods Bryan Johnston, 2021-09-14 In 1935, nine-year-old George Weyerhaeuser, heir to one of the wealthiest families in America, is snatched off the streets two blocks from his home. The boy is kept manacled in a pit, chained to a tree, and locked in a closet. The perps—a career bank robber, a petty thief, and his nineteen-year-old never-been-in-trouble Mormon wife—quickly become the targets of the biggest manhunt in Northwest history. The caper plays out like a Hollywood thriller with countless twists and improbable developments. Perhaps the most astonishing thing of all, though, is how it all ends.

Midnight at the Bright Ideas Bookstore Matthew Sullivan, 2017-06-13 Lydia Smith, a clerk at the Bright Ideas bookstore, calls the lonely regulars who spend every day marauding the store's overwhelmed shelves BookFrogs. When Joey Molina, a young BookFrog, kills himself in the bookstore's upper room, he bequeaths his meager worldly possessions to her. Trinkets and books; the detritus of a lonely, uncared for man. But they seem to contain a hidden message. As Lydia untangles the mystery of Joey's suicide, she unearths a long buried memory from her own violent childhood.

Carl Maxey Jim Kershner, 2011-12-01 Carl Maxey was, in his own words, "a guy who started from scratch - black scratch." He was sent, at age five, to the scandal-ridden Spokane Children's Home and then kicked out at age eleven with the only other "colored" orphan. Yet Maxey managed to make a national name for himself, first as an NCAA championship boxer at Gonzaga University, and then as eastern Washington's first prominent black lawyer and a

renowned civil rights attorney who always fought for the underdog. During the tumultuous civil rights and Vietnam War eras, Carl Maxey fought to break down color barriers in his hometown of Spokane and throughout the nation. As a defense lawyer, he made national headlines working on lurid murder cases and war-protest trials, including the notorious Seattle Seven trial. He even took his commitment to justice and antiwar causes to the political arena, running for the U.S. Senate against powerhouse senator Henry M. Jackson. In *Carl Maxey: A Fighting Life*, Jim Kershner explores the sources of Maxey's passions as well as the price he ultimately paid for his struggles. The result is a moving portrait of a man called a "Type-A Gandhi" by the New York Times, whose own personal misfortune spurred his lifelong, tireless crusade against injustice.

We Live in Water Jess Walter, 2013-02-12 ONE OF PRESIDENT BARACK OBAMA'S FAVORITE BOOKS OF 2019 From the New York Times bestselling author of *Beautiful Ruins*, the first collection of short fiction from Jess Walter—a suite of diverse and searching stories about personal struggle and diminished dreams, all of them marked by the wry wit, keen eye, and generosity of spirit that has made him a bookseller and reader favorite These twelve stories—published over the last five years in *Harper's*, *The Best American Short Stories*, *McSweeney's*, *Playboy*, and other publications—veer from comic tales of love to social satire to suspenseful crime fiction, from hip Portland to once-hip Seattle to never-hip Spokane, from a condemned casino in Las Vegas to a bottomless lake in the dark woods of Idaho. This is a world of lost fathers and redemptive conmen, of meth tweakers on desperate odysseys and men committing suicide by fishing. *We Live in Water* is a darkly comic, heartfelt collection of stories from a "ridiculously talented writer" (New York Times), "one of the freshest voices in American literature" (Dallas Morning News).

The Life You Long For Christy Nockels, 2022-02-01 A beautiful invitation to discover your place in God's heart and let him set the pace for your life—from a wife and mother, singer-songwriter, and worship leader for Passion Conferences and IF:Gathering "Christy Nockels is a gentle, strong voice shepherding us into a fuller life with Jesus at the very center. This book will restore your weary soul."—Jennie Allen, New York Times bestselling author of *Get Out of Your Head* and founder and visionary of IF:Gathering Christy Nockels knows firsthand how easily our desire to serve God—even when using the gifts He has given us—can overshadow our delight in simply being with Him. When God called her to lay down her ministry for a season, Christy was forced to confront how her sense of purpose and worth had become tangled up in her work. God then lovingly invited her to discover true rest in His presence as she learned to live as the Beloved. In *The Life You Long For*, Christy shows us how to let go of hustle and achievement and instead find our identity in the quiet center of God's love. As we delight in being with Him, we are filled to overflowing with contentment and love that propel us into an entirely new way of being, one in which every act of service and every encounter with the people around us arise from a heart at rest. With irresistible warmth and grace, this book calls you to step fully into the life you didn't even realize you've been seeking, as you find your highest calling not in a duty to uphold but in a beautiful identity to live out.

Making Ukraine Soviet Olena Palko, 2020-11-26 Winner of the BASEES Alexander Nove Prize 2021 Winner of The American Association for Ukrainian Studies 2019-2020 Book Prize Honorable Mention for the ASEES Omeljan Pritsak Book Prize in Ukrainian Studies 2022 While most studies of Soviet culture assume a model of diffusion, according to which Soviet republics imitated the artistic trends and innovations born in Moscow, Olena Palko adroitly challenges this centre-periphery perspective. Rather than being a mere imposition from above, *Making Ukraine Soviet* reveals how the process of cultural sovietisation in Ukraine during the interwar years developed from a synthesis of different – and often conflicting – cultural projects both local and Muscovite in orientation. Engaging with a wide range of primary and secondary sources, including literary and archival material, Palko grounds her argument in the cases of two celebrated and controversial Ukrainian artists: the poet Pavlo Tychyna and prosaist Mykola Khyh'ovyi. Through this unique biographical lens, Palko's skilled analysis of cultural construction sheds fresh light on the complex process of establishing and consolidating the Soviet regime in Ukraine. In doing so, Palko offers a timely re-assessment of the Russo-Ukrainian conflict and adds nuance to current debates on the relationship between national identity, the arts, and the Soviet state.

No, You Shut Up Symone D. Sanders, 2020-05-19 "Symone's honest and profound reflection on standing up and speaking out is sure to inspire young people across the country to become the change agents the world needs." – Congresswoman Maxine Waters In this rousing call to leadership, the self-described millennial spokesperson for the culture, CNN's designated woke AF former commentator, and the youngest national press secretary in the history of the United States shares her take-no-prisoners approach to life, politics, and career success, and shows a new generation how to be loud and powerful in their own right. Many people—most notably white older men—may try to stop Symone Sanders from speaking up and out. But Symone will NOT shut up. And neither should you. In this inspiring call-to-action, Symone tells stories from her own life of not-shutting-up alongside loud young revolutionaries who came before her to help you find your authentic voice and use it to your advantage; to fight ideological battles more effectively; and to resist those who try to silence you. We are all gurus, masterminds, artists, entrepreneurs—we are the change agents we have been waiting for. IT IS US. And the time is RIGHT NOW. I know you're wondering, "But HOW?" And we don't have all the answers! Symone is the first to admit we're all

winging it in one way or another. But the point is we're out there doing it. So get started. Open your mouth and start talking. Loudly. No You Shut Up goes beyond the surplus of "Vote-Or-Die" books we've seen before. Because change doesn't just happen at the ballot box. We need people fighting oppression, injustice, and inequality—in the workplace, on the cultural battlefield, in government, in every corner of the world. With spirited storytelling filtered through a voice that cannot and will not be ignored, Symone inspires you to start now. You don't need to have all the answers, or wait your turn to help create the change you want to see. All you need is a new toolbox, an unshakable commitment, and the confidence and guidance to wield those tools effectively.

Butcher, Baker, Candlestick Taker: Book One of the Spokane Clock Tower Mysteries Patricia Meredith, 2021-10-04 Archie Prescott has traveled across the country to design the now-iconic Spokane clock tower for the new Great Northern Railroad Depot. When his talent for creating unique clock chimes connects him with a local patroness, he is thrilled, until she is discovered dead in the workshop of his new colleague. Her grand home on the South Hill provides ample suspects, as Archie works with his lodgers, Detective Carew and his twin brother, to prove his fellow inventor and himself innocent of the crime. While on the hunt for the murderer, romance crops up when a young lady crosses his path with a mysterious past of her own. Six intersecting storylines create a cohesive look at a convoluted murder that will require all points of view to discover the truth...

Where Bigfoot Walks Robert Michael Pyle, 2017-08-01 One of America's most esteemed natural history writers takes to the hills of the Pacific Northwest in search of Bigfoot—and finds the wildness within ourselves. "A unique book in the bigfoot literature . . . that understands what most lifetime bigfooters eventually come to know: that bigfooting is about the journey more than the destination." —Cliff Barackman, field researcher and star of Animal Planet's Finding Bigfoot Awarded a Guggenheim Fellowship to investigate the legends of Sasquatch, Yale-trained ecologist Dr. Robert Pyle treks into the unprotected wilderness of the Dark Divide near Mount St. Helens, where he discovers both a giant fossil footprint and recent tracks. On the trail of what he thought was legend, he searches out Indians who tell him of an outcast tribe, the Seeahtiks, who had not fully evolved into humans. A handful of open-minded biologists and anthropologists counter the tabloids Pyle studies, while rogue Forest Service employees and loggers swear of a vast conspiracy to deep-six true stories of unknown, upright hominoid apes among us. He attends Sasquatch Daze, where he meets scientists, hunters, and others who have devoted their lives to the search, only to realize that "these guys don't want to find Bigfoot—they want to be Bigfoot!" Where Bigfoot Walks was the inspiration for the 2020 film The Dark Divide, starring David Cross and Debra Messing. Since the book's original publication, Pyle's fresh experiences and findings have been added to his original work through an updated chapter. With an evaluation of recent DNA evidence from Bigfoot hair and scat, the study of speech phonemes in the "Sierra Sounds" purported Bigfoot recordings, an examination of the impact of the wildly popular Animal Planet series Bigfoot Hunters, the reemergence of the famous Bob Gimlin into the Bigfoot community, and more, Walking With Bigfoot keeps every Bigfoot enthusiast's mind wide open to one of the biggest questions in the land and brings Pyle's work on the "legend" of Bigfoot into the new century.
