Library of Medicine (U.S.)

The Case for Rage Myisha Cherry,2021-10-04 Anger has a bad reputation. Many people think that it is counterproductive, distracting, and destructive. It is a negative emotion, many believe, because it can lead so quickly to violence or an overwhelming fury. And coming from people of color, it takes on connotations that are even more sinister, stirring up stereotypes, making white people fear what an angry other might be capable of doing, when angry, and leading them to turn to hatred or violence in turn, to squelch an anger that might upset the racial status quo--

L.A. RAGE Gary Denne,2024-01-25 Ageing Australian screenwriter Bob Cavanaugh flies into L.A. to sell his screenplay, *The Mighty Kygor*, to a major Hollywood studio. But his world comes crashing down when he's informed a similar script is in the works and his script is no longer needed. Devastated, he enlists a beautiful and street-smart B-movie actress who realizes his script will be the next Hollywood blockbuster and wants to play a part in his success. With her industry knowledge, Bob discovers his script has been plagiarized entirely as a new movie, and sets out in

pursuit of those responsible to convince them to honor his deal.

Sorry I Ruined Your Childhood Ben Zaehring,2019-10-01 A subversive, hilarious, dark-but-uplifting collection of comics skewering the commercial figures, Disney stories, and pop cultural touchstones that Millennials and Gen X-ers grew up with in the '80s and '90s. Ben Zaehring's versatile art styles and wicked curveballs are sharp, clever and accessible, prompting many readers to comment that the author is ruining their childhood in the most delightful way possible.
