Learn Spanish The Gringa Way Erin Ashley Sieber,2014-09-25 Step into a new world of learning, in which the journey itself is actually fun and exciting! The Gringa has taken a somewhat non traditional approach toward teaching the Spanish language to English speakers. In doing so, she pioneered a system, The Gringa Way, which allows learners to translate their English thoughts into Spanish thoughts and sentences. This total new approach not only makes the language much easier to learn and understand but it transforms what many thought was impossible and makes it completely achievable. Many people have been totally overwhelmed by the strict rules and vast grammatical differences they discovered when trying the old and traditional methods of learning usable Spanish - so they quit - saying it is simply way too hard and frustrating. With The Gringa Way method and the help of this book, you will be speaking Spanish easier than you ever thought possible.

Daily Spanish Lessons Octavio Méndez,2019-11-06 Are you planning on visiting a Spanish speaking country, but you don't know a word of Spanish? Do you feel like there is just no time in your busy day to learn a new language? Maybe you want to learn Spanish, but you're afraid it will be boring and useless? The thought about traveling to a new country where you can't understand or speak the language can sound scary. But it doesn't have to be. People who think about learning a new language can be filled with dread by the amount of studying and effort that has to be put into it. Learning a new language the right way can be fun and easy Meaning you don't have to be hunched over multiple Spanish textbooks, studying multiple hours a day. Instead, this book uses interval training. You can learn vocabulary, grammar, and phrases for just 10 minutes a day. In 2016 a study, called The Right Time to learn by Paul Smolen for the NCBI journal, he states, studying] with any considerable number of repetitions a suitable distribution of them over a space of time is decidedly more advantageous than the massing of them at a single time. Meaning you should study for 10-minute intervals every day, to maximize your long term Spanish learning goals. In this book, you will find it easy to understand vocabulary, grammar, and everyday phrases. With just 10 minutes a day, Spanish doesn't need to be hard or impossible to understand. In this eye-opening book, you will find: How understanding 2 of these words is essential in everyday Spanish-and how to use them without making a mistake How you can learn enough Spanish in just 45 days using this one simple studying technique How to use feminine and masculine pronouns correctly - even if you find them confusing The absolute worst 5 common mistakes you could be doing right now as a Spanish learning speaker - and how to avoid them at all cost Why these 6 mystery phrases are essential in everyday restaurant conversations - and when to use them without sounding confused The 23 must need phrases if you ever hope to communicate with Spanish speakers - and when to use them to communicate your wants

What native Spanish speakers know about conversing in everyday Spanish by using these 10 simple phrases - and non-native speakers don't Why this crucial mistake on understanding the difference between *estar*- and *ser*- could cause you trouble and confusion in social situations - and how to correct yourself in those situations and much, much more Committing to Spanish lessons is hard enough. By understanding the science behind Interval training, you can master the vocabulary, grammar, and everyday phrases used in Spanish. Mastering Spanish 2 in 1 Diego Banos,2019-02-04 Have you been desperately trying to learn Spanish but simply can't find the way to take the first steps? Are you interested in learning Spanish but prefer to do it on your own, in your free time, in your car or at home?Are you looking for the most sensible, quickest and most reliable way to learn Spanish where the whole method is backed by reliable scientific research? If you answered yes to at least one of the questions above, then this guide is exactly for you. For those who've despaired of ever learning a foreign language, here, finally, is a book that will make the words stick long-term. Possibly the most feared challenge to learning Spanish is the challenge of memory; there are just too many words and too many rules to remember. For every new word we learn, we seem to forget two old ones, and as a result, fluency can seem out of reach. That is exactly why this guide was written. According to Professor Elfrieda H. Hieber from the University of California, Berkeley, the 100 most frequent words account for about 50% of the words in a typical text and the 1000 most frequent words for about 70%. Therefore, it is evident that the first 1000 words of learning a language can provide you with an immense boost on your journey to master the language. This book includes: 1001 Top Spanish Words In Context: How To Speak Intermediate Level Spanish In Less Than 28 Days Learn Spanish In Your Car: 1001 Common Phrases for Beginners In 'Mastering Spanish -2 In 1-' you'll discover: The 7 most common contexts to INSTANTLY kickstart your learning process (even if you barely know a word at the moment!) The exact formula to use expressions, proverbs, and sayings like a native speaker The latest scientific research about language learning combined with a practical guide you will not find on your average online learning website How this guide can dramatically improve your skills while entertaining you at the same time (It doesn't feel like work, but the results will amaze you) The single best way to increase your reading and listening comprehension, and enable you to communicate with little or no grammar How a simple grouping of thematic vocabulary lists can take tremendous fear from getting started and make everything suddenly seem 10x easier The absolute basic 4 areas of phrases you HAVE to know to communicate in Spanish as quickly as possible (You might be missing out tremendously if you don't know these!) ...and much, much more! Even if you have already tried everything else without success, the beginner friendly and systematic choice of words and phrases are based on both practical experience as a native speaker and the latest scientific research. Thus, 'Mastering Spanish -2 In 1-' is your shortcut to master the hard beginning in the easiest way possible.
