**Car-Free Los Angeles and Southern California** Nathan Landau, 2011-08-09 The time has come for Car-Free Los Angeles and Southern California. The peril of global climate change dominates the headlines. In California almost 40% of greenhouse gases come from transportation. More and more people--especially young people--are realizing the current approach to mobility is not sustainable. Car-Free Los Angeles and Southern California is designed as a complete guide to a car-free vacation in Southern California, from the time travelers land or arrive until the time they leave. Los Angeles' buses go to the front door of world class museums, theatres, and shops. Disneyland will shuttle travelers from motels to the park.
