**United States. Federal Communications Commission**

**Liberty** Gallery Studios,2018-10-22 Exhibition catalog for Liberty hosted by Arc Gallery and Studios in San Francisco, CA. Exhibition theme: The 1776 United States Declaration of Independence states that all men have a right to life, liberty, and the pursuit of happiness. Liberty is defined as freedom from arbitrary restraints and takes into account the rights of all involved. The history of this country is filled with struggles for liberty, ranging from freedom from foreign rule, emancipation from slavery, civil rights, women's right to vote, reproductive choice, gender rights, farm workers' rights, rights of refugees, access to health care, right to bear arms, etc. Sometimes liberty for one group of people may antagonize another. The works of art in this exhibition depict liberty in all its manifestations in this country.Juried by Donna Seager of the Seager Gray Gallery. Exhibition dates: November 10 - December 8, 2018

**The Lights of Liberty** Thomas Kinkade,2003 Thomas Kinkade believes in the transforming power of light, and believes that freedom casts the greatest, purest light of all. Filled with inspiring quotations and Kinkade's art, this Little Book offers hope-filled patriotism.

### **The Studio ,1925**

**The Jan & Dean Record** Mark A. Moore,2016-03-14 Jan & Dean were among the most successful artists of the late 1950s through the mid-1960s, with hits including Baby Talk, Surf City, Dead Man's Curve and The Little Old Lady (From Pasadena). Slapstick humor and offbeat personas were a big part of their shtick, but Jan Berry was serious when it came to the studio. This book chronicles Jan's career as a songwriter and arranger--and his tenure as producer for Jan & Dean and other acts--with day-by-day entries detailing recording sessions, single and album releases, concerts and appearances, film and television projects, behind-the-scenes business and legal matters, chart positions and more. Extensive commentary from Berry's family, friends and colleagues is included. Studio invoices, contract details, tape box notes, copyright information and other particulars shed light on how music was made in the Hollywood studio system of the 1960s.

**Sonic Boom** Peter Ames Carlin,2021-01-19 From journalist Peter Ames Carlin, Sonic Boom captures the rollicking story of the most successful record label in the history of popular music, Warner Bros. Records, and the remarkable secret to its meteoric rise. The roster of Warner Brothers Records and its subsidiary labels reads like the roster of the Rock & Roll Hall of Fame: Jimi Hendrix, the Grateful Dead, Joni Mitchell, Neil Young, James Taylor, Fleetwood Mac, the Eagles, Prince, Van Halen, Madonna, Tom Petty, R.E.M., Red Hot Chili Peppers, and dozens of others. But the most compelling figures in the Warner Bros. story are the sagacious Mo Ostin and the unlikely crew of hippies, eccentrics, and enlightened execs. Ostin and his staff transformed an out-of-touch company, revolutionized the industry, and, within just a few years, created the most successful record label in the history of the American music industry. How did they do it? One day in 1967, the newly tapped label president Mo Ostin called his team together to share his grand strategy: he told them to stop trying to make hit records/ Let's just make good records and turn those into hits." With that, Ostin ushered in a counterintuitive model that matched the counterculture. His offbeat crew recruited outsider artists and gave them free rein, while rejecting out-of-date methods of advertising, promotion, and distribution. And even as they set new standards for in-house weirdness, the upstarts'

experiments and innovations paid off, to the tune of hundreds of legendary hit albums. Warner Bros Records conquered the music business by focusing on the music rather than the business. Their story is as raucous as it is inspiring—pure entertainment that also maps a route to that holy grail: love and money. Includes black-and-white photographs

*Go Slow* Michael Owen,2017-07-01 It has been said that the records of singer and actress Julie London were purchased for their provocative, full-color cover photographs as frequently as they were for the music contained in their grooves. During the 1950s and 1960s, her piercing blue eyes, strawberry-blonde hair, and shapely figure were used to sell the world an image of cool sexuality that stoked the fevered dreams of many men. The contrast between that image and reality, the public and the private, is at the heart of Julie London's story. Through years of research, extensive interviews with family, friends, and musical associates, and access to rarely seen or heard archival material, author Michael Owen reveals the impact that her image had on the direction of her career and how it influenced the choices she made, including the decision to walk away from performing. *Go Slow* follows Julie London's life and career through its many stages: her transformation from 1940s movie starlet to the coolly defiant singer of the classic torch ballad *Cry Me a River* of the 1950s, and her journey from Las Vegas hotel entertainer during the rock and roll revolution of the 1960s to the no-nonsense nurse of the 1970s hit television series *Emergency!*

*Hollywood Screenwriting Directory Spring/Summer Volume 6* Writer's Store Editors,2015-04-01 Screenwriting Market Intel You Won't Find Anywhere Else Mailing out submissions based on some contact information you found on the Internet isn't enough to get your script sold. What's truly valuable to an aspiring screenwriter is the kind of specific details you can only get through years of Industry experience. That's why The Writers Store compiled the *Hollywood Screenwriting Directory*, the product of more than three decades working directly with the people behind the world's favorite films. This targeted reference book features: Verified contact information for Hollywood buyers, including phone numbers, and street and email addresses Crucial details like whether they accept unsolicited material and how they prefer to receive submissions A guide to proper script format and advice on packaging your submission Step-by-step instructions for writing professional query letters, treatments, and log lines Plus, you'll find samples throughout, illustrated with tips and pointers to help you create a quality submission. With the *Hollywood Screenwriting Directory* by your side, you'll have a reliable resource that significantly ups your chances of script-selling success!

**Early Paramount Studios** E. J. Stephens,Michael Christaldi,Marc Wanamaker,2013 For over 100 years, Paramount Pictures has been captivating movie and television audiences worldwide with its alluring imagery and compelling stories. Arising from the collective genius of Adolph Zukor, Jesse L. Lasky, and Cecil B. DeMille during the 1910s, Paramount Pictures is home to such enduring classics as *Wings*, *Sunset Boulevard*, *The Ten Commandments*, *Love Story*, *The Godfather*, the *Indiana Jones* series, *Chinatown*, *Forrest Gump*, *Braveheart*, *Titanic*, and *Star Trek*. Early Paramount Studios chronicles Paramount's origins, culminating in the creation and expansion of the lot at 5555 Melrose Avenue, the last major motion picture studio still in Hollywood.

### **Musical Forecast** ,1927

*Calling the Game* Stuart Shea,2015-05-07 Calling the Game: Baseball Broadcasting from 1920 to the Present is an exhaustive, meticulously researched history of bringing the national pastime out of the ballparks and into living rooms via the airwaves. Every play-by-play announcer, color commentator, and ex-ballplayer who has presented a Major League Baseball game to the public is included here. So is every

broadcast deal, radio station, and TV network. In addition to chapters for each of the game's thirty franchises, a history of national broadcasting and a look at some of the game's most memorable national broadcast moments are included, as are a foreword by Voice of the Chicago Cubs Pat Hughes, and an afterword by Jacques Doucet, the Voice of the Montreal Expos, 1972-2004. Each team chapter presents a chronological look from how and when the team began broadcasting (since all of the original sixteen major-league franchises predate radio) through the 2014 season. Author Stuart Shea details the history and strategies that shaped each club's broadcast crews, including the highlights and scandals, the hirings and firings, the sponsorships and corporate maneuverings. From the leap to Brooklyn from the radio booth of the Atlanta Crackers by young Ernie Harwell, to the dismissal of Mel Allen by the Yankees, from the tutelage of the now-legendary Vin Scully under the wing of the already legendary Red Barber, to the ascendance of the great Jack Buck to the number one chair in St. Louis upon the ouster of Harry Caray, the stories of the personalities who connect us to the game are all here. Calling the Game is a groundbreaking and illuminating look at the people and the story behind the soundtrack of summer for millions of baseball fans.

*Billboard*, 1943-10-02 In its 114th year, Billboard remains the world's premier weekly music publication and a diverse digital, events, brand, content and data licensing platform. Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music, video, gaming, media, digital and mobile entertainment issues and trends.

### **House Beautiful ,1927**

**Hollywood Studios** Tommy Dangcil,2007 Just after the turn of the 20th century, the motion picture industry moved to the West Coast, and the largest land of make-believe was created in Hollywood, California. From the silent-era beginnings of primitive, open-air stages to the fabled back lots of the studios' heyday, Hollywood Studios presents a bygone era of magical moviemaking in rare postcards. Assembled from the author's private collection, these images from the Chaplin Studios to Metro-Goldwyn Mayer depict an insider's look back at the dream factories known as the Hollywood studios.
