Living in the Light of Death Larry Rosenberg,2001-09-18 This book presents the Buddhist approach to facing the inevitable facts of growing older, getting sick, and dying. These tough realities are not given much attention by many people until midlife, when they become harder to avoid. Using a Buddhist text known as the Five Subjects for Frequent Recollection, Larry Rosenberg shows how intimacy with the realities of aging can actually be used as a means to liberation. When we become intimate with these inevitable aspects of life, he writes, we also become intimate with ourselves, with others, with the world—indeed with all things.

**Light on Life** B.K.S. Iyengar,John J. Evans,Douglas Abrams,2006-09-19 B.K.S. Iyengar--hailed as the Michelangelo of yoga (BBC) and considered by many to be one of the most important yoga masters--has spent much of his life introducing the modern world to the ancient practice of yoga. Yoga's popularity is soaring, but its widespread acceptance as an exercise for physical fitness and the recognition of its health benefits have not been matched by an understanding of the emotional, intellectual, and spiritual development that the yogic tradition can also offer. In Light on Life, B.K.S. Iyengar brings readers this new and more complete understanding of the yogic journey. Here Iyengar explores the yogic goal to integrate the different parts of the self (body, emotions, mind, and soul), the role that the yoga postures and breathing techniques play in our search for wholeness, the external and internal obstacles that keep us from progressing along the path, and how yoga can transform our lives and help us to live in harmony with the world around us. For the first time, Iyengar uses stories from his own life, humor, and examples from modern culture to illustrate the profound gifts that yoga offers. Written with the depth of this sage's great wisdom, Light on Life is the culmination of a master's spiritual genius, a treasured companion to his seminal Light on Yoga.

**Living in the Light of Eternity** K. P. Yohannan,1995 Yohannan, founder and president of Gospel for Asia, challenges Christians to realign their lives in the light of eternity. From his Asian perspective, the author observes differences between the lifestyle of millions of Westerners and how Christ called them to live. Yohannan asserts that each Christian can make a difference in a world of hatred, suffering, starvation and spiritual need.

*Living in the Light of God'S Love* Mari Keisling,2014-07-31 Abiding may sound passive and inactive, but it is the active process of stayingstaying close to Jesus, focusing on Him, walking with Him, and living in His light. If walking as He did is how our claim to live in Him is realized, then we need to know what He did that we should be doing as well. Jesus experienced fellowship with His disciples, obeyed His heavenly Father, was humble to the point of death, grew in wisdom and the knowledge of Scripture, and prayed always. God calls each of us to different tasks, places, and purposes, but one thing is consistent for all of us: we cant do any of it or go anywhere without Him. Jesus had His unique purpose in this world as do we, and so just like Him we need to remain in the Father. His life was a living sacrifice, and it is our spiritual act of worship to live like Him. As we step into Gods light, it will shine truth on our livestruth that is sometimes hard to recognize, hard to acknowledge, and hard to live out. But as we learn to live in His light, He gives us clarity, understanding and transforms us from the inside out. We learn to walk in His light shining it wherever we go. Why? God loves the whole world, and He loves you. Everything He calls us to do according to His purpose is to show His love to the world and bring glory to Himself. As you work through the disciplines of fellowship, obedience, humility, meditation, prayer, and worship, you will learn how to draw close to the Father, follow the example of Jesus, and shine His light bright for all to see.

Living Life Backward David Gibson,2017-07-14 What if it is death that teaches us how to truly live? Keeping the end in mind shapes how we live our lives in the here and now. Living life backward means taking the one thing in our future that is certain—death—and letting that inform our journey before we get there. Looking to the book of Ecclesiastes for wisdom, Living Life Backward was written to shake up our expectations and priorities for what it means to live the good life. Considering the reality of death helps us pay attention to our limitations as human beings and receive life as a wondrous gift from God—freeing us to live wisely, generously, and faithfully for God's glory and the good of his world.

Connected Sam Allberry,2013 Is the doctrine of the Trinity really meant to be understood? Can it be applied to our everyday lives? Sam Allberry shows us that the Trinity really matters, and that this insight God gives us into himself has enormous implications for how we understand him and how we understand ourselves as beings made in his image. The Trinity shows us that God in his oneness is both unique and perfectly integrated. The relational qualities of his triune nature are eternal and foundational to our understanding of the unity and diversity of the church and the equality of and differences between men and women.

Although God had judged his people, he would also restore them and dwell with them forever – promises which find their ultimate fulfilment in Christ. A Life in Light Mary Pipher,2022-06-28 A USA Today Must Read New Book From the bestselling author of Women Rowing North and Reviving Ophelia-a memoir in essays reflecting on radiance, resilience, and the constantly changing nature of reality. In her luminous new memoir in essays, Mary Pipher-as she did in her New York Times bestseller Women Rowing North-taps into a cultural moment, to offer wisdom, hope, and insight into loss and change. Drawing from her own experiences and expertise as a psychologist specializing in women, trauma, and the effect of our culture on our mental health, she looks inward in A Life in Light to what shaped her as a woman, one who has experienced darkness throughout her life but was always drawn to the light. Her plainspoken depictions of her hard childhood and life's difficulties are dappled with moments of joy and revelation, tragedies and ordinary miseries, glimmers and shadow. As a child, she was separated from her parents for long periods. Those separations affected her deeply, but in A Life in Light she explores what she's learned about how to balance despair with joy, utilizing and sharing with readers every coping skill she has honed during her lifetime to remind us that there is a silver thread of resilience that flows through all of life, and that despite our despair, the light will return. In this book, she points us toward that light.
