In the first half of this book, authors Sean Adams and Noreen Morioka walk readers step-by-step through the entire logo-development process. Topics include developing a concept that communicates the right message and is appropriate for both the client and the market; defining how the client's long-term goals might affect the look and needs of the mark; choosing colors and typefaces; avoiding common mistakes; and deciphering why some logos are successful whereas others are not. The second half of the book comprises in-depth case studies on logos designed for various industries. No Logo Naomi Klein, 2009-11-24 A Tenth Anniversary Edition of Naomi Klein's No Logo with a New Introduction by the Author NO LOGO was an international bestseller and a movement bible (The New York Times). Naomi Klein's second book, The Shock Doctrine, was hailed as a master narrative of our time, and has over a million copies in print worldwide. In the last decade, No Logo has become an international phenomenon and a cultural manifesto for the critics of unfettered capitalism worldwide. As America faces a second economic depression, Klein's analysis of our corporate and branded world is as timely and powerful as ever. Equal parts cultural analysis, political manifesto, mall-rat memoir, and journalistic exposé, No Logo is the first book to put the new resistance into pop-historical and clear economic perspective. Naomi Klein tells a story of rebellion and self-determination in the face of our new branded world.

Mob Cop Fred Pascente, Sam Reaves, 2015-06-01 Former Chicago police officer and mafia associate Fred Pascente is the man who links Tony Spilotro, a central character in Nicholas Pileggi's Casino and one of Chicago's most notorious mob figures, to William Hanhardt, chief of detectives of the Chicago Police Department. Pascente and Spilotro grew up together on Chicago's Near West Side, and as young toughs they were roused and shaken down by Hanhardt. While Spilotro became one of the youngest made men in Chicago Outfit history, Pascente was drafted into the army and then joined the police department. Soon taken under Hanhardt's wing, Pascente served as Hanhardt's fixer and bagman on the department for more than a decade. At the same time, Pascente remained close to Spilotro,

making frequent trips to Las Vegas to party with his old friend while helping to rob the casinos blind. Mob Cop tells about the decline of traditional organized crime in the United States, and it reveals information about the inner workings of the Outfit that have never been publicly released. Fred Pascente's positions as an insider on both the criminal and law enforcement fronts make this story a matchless tell-all. Fred Pascente was a Chicago police officer for twenty-six years and a professional thief with close ties to the mafia. He died in 2014. Sam Reaves is the author of ten novels and has served as president of the Midwest chapter of the Mystery Writers of America. He lives in Evanston, Illinois.

The Migrant Diaries Lynne Jones, 2021-02-09 What is it like to run away from bombing, lose your family, and work out how to take care of yourself in a foreign country when you are seven years old? What do you do when the woman who promised you a good job in Europe turns out to have sold you into prostitution? How do you escape from torture and detention in Libya? What is it like to almost drown in the Mediterranean and then be confined in a garbage and rat-filled settlement on a Greek island for years? In this book, Lynne Jones answers these questions by combining direct testimony from children with a blazingly frank eyewitness account of providing mental health support on the front line of the migrant crisis across Europe and Central America in the past five years. Her diaries document how a compassionate welcome shifted to indifference and hostility toward those seeking refuge from war, disaster, and poverty in the richest countries in the world. They shine light on what it is like to be caught up on the front lines of the migrant crises in Europe and Central America, either as a person in flight or as a volunteer trying to help. They show how people who have fled war, poverty, and disaster—trapped in degrading, humiliating living conditions—have responded with resourcefulness and creativity. In the absence of most large professional humanitarian agencies, migrants and volunteers together have created a new form of humanitarianism that challenges old ways of working. Today there are 79 million forcibly displaced people in the world today, 1 percent of the world's population. Understanding the perspectives of people on the move has never been more important. The Author's profits from this book will be donated to the charity: CHOOSE LOVE/HELP REFUGEES

Better Late Than Never Len Goodman, 2009-10-06 Better Late Than Never is the extraordinary true story of how a man born into poverty in London's East End went on to find stardom late in life when he was chosen to be head judge on BBC1's Strictly Come Dancing. Len Goodman tells all about his new-found fame, his experiences on Strictly Come Dancing, and also on the no.1 US show Dancing with the Stars and his encounters with the likes of Heather Mills-McCartney and John Sergeant. But the real story is in his East End roots. And Len's early life couldn't be more East End. The son of a Bethnal Green costermonger he spent his formative years running the fruit and veg barrow and being bathed at night in the same water Nan used to cook the beetroot. There are echoes of Billy Elliot too. Though Len was a welder in the London Docks, he dreamt of being a professional footballer, and came close to making the grade had he not broken his foot on Hackney Marshes. The doctor recommended ballroom dancing as a light aid to his recovery. And Len, it turned out, was a natural. At first his family and work mates mocked, but soon he had made the final of a national competition and the welders descended en masse to the Albert Hall to cheer him

on. With his dance partner, and then wife Cheryl, Len won the British Championships in his late twenties and ballroom dancing became his life. Funny and heart-warming, Len Goodman's autobiography has all the honest East End charm of Tommy Steele, Mike Read or Roberta Taylor.

Mad Matters Brenda A. LeFrançois, Robert Menzies, Geoffrey Reaume, 2013 In 1981, Toronto activist Mel Starkman wrote: An important new movement is sweeping through the western world.... The 'mad, ' the oppressed, the ex-inmates of society's asylums are coming together and speaking for themselves. *Mad Matters* is the first Canadian book to bring together the writings of this vital movement, which has grown explosively in the years since. With contributions from scholars in numerous disciplines, as well as activists and psychiatric survivors, it presents diverse critical voices that convey the lived experiences of the psychiatrized and challenges dominant understandings of mental illness. The connections between mad activism and other liberation struggles are stressed throughout, making the book a major contribution to the literature on human rights and anti-oppression.
