HOW TO PREDICT FUTURE LOTTERY RESULTS Francis Isaac,2014-05-23 This book is designed for lottery players around the world. The prediction in this book is based on understanding the behavior and complexity of random systems. Understanding the complexity of random systems is the best tool that we have of predicting future lottery results. The prediction in this book is based on a month-by-month analysis because I believe that knowing that by the end of the month you will definitely win a certain amount of money, but just not knowing how much it is going to be yet, is a wonderful feeling. That is how I feel each month, and I would also like all those who buy this book to have the same feeling every month. First of all, I want to show that it is possible to predict future lottery numbers at whatever combination, be it two or three or four or five or six number combinations. My first book, titled *How to Predict Future Lottery Results*, did present two number combinations. You can see by checking the results page how accurate the prediction from the first book has been. The first book was published on December 18, 2013. All results from 6/49 lotteries around the world after that date have so far verified and validated my predictions on a month-by-month basis. This book presents a three-month snapshot of the matching numbers from eight countries around the world during January, February, and March 2014. These results correspond with the predictions in my first book. I have now decided to publish the combinations for predicting four numbers on a month-by-month basis.

How to Predict Future Lottery Results Book 5 Francis Isaac,2022-07-12 This book is designed for all lottery players around the world. The prediction in this book is based on understanding the behaviour and complexity of random systems. Understanding random systems is the best tool we have for predicting future lottery results. This book predicts higher returns when numbers 48 and 49 come out together in your chosen combination. Each combination in this book is affordable to individuals, families playing together as a syndicate, or syndicates set up in the workplace or community. The book includes a selection of lucky bonus combinations which can also be played in various countries around the world, including the UK. You can be the judge of this book by observing each combination over time, or you can choose from combinations 1 to 21 and start playing your chosen combination. You can also choose from one of the seven bonus combinations in this book. The following combination has already come out from the German lottery on Saturday, 15 January 2022: 5 34 42 43 48 49 This is evidence that the researched combinations in this book have the potential to guarantee winnings. After the prediction of two-, three-, and four-number combinations in previous volumes of the series, the author now publishes the prediction of five-number combinations that are affordable to lottery players around the globe.

Hot Lotto Numbers Jean Simpson,1987-04 Based on the same ingenious numerological system from which the amazingly successful Hot Numbers system derived, Hot Lotto Numbers is a very simple way to choose winning Lotto numbers for any of the state lotteries.

Lottery Post 2012 Lottery Results Almanac, United States Edition Todd Northrop,2013-01-29 5-star reviews for Lottery Results Almanac SPRINT, RUN, HOP over fences to get this jewel --Lottolaffs Everything I expected and more I can say without reservation this book is well worth having for its easy and convenient access. --C.A. Great addition to my lottery library Hard copy information is much easier to refer to when looking up data. --Douglas S. Lottery Post's Lottery Results Almanac series is an essential part of every lottery player's library, providing the fundamental data and accurate documentation of past numbers that is at the heart of every lottery system. In this book you will find: Every state in the USA with an official lottery (also includes Washington, D.C. and Puerto Rico). Every winning number in the year of 2012 for every game, including games that were only played for part of the year. The jackpot amount for each drawing date (for games with a rolling jackpot). Detailed information for every game, including game parameters, drawing schedule, drawing method, start or end date for games drawn only part of the year, and Web links for more information. The lottery results pages were carefully designed to be as clear and legible as possible, so you can find what you're looking for quickly. You will want to keep this book close at hand and refer to it often.

Winning Lotto/Lottery for Everyday Players Prof. Jones, The worlds foremost lotto and lottery expert shows players his inside secrets of beating the game that millions play religiously every day. Prof. Jones shows you how to scientifically track and wheel numbers to substantially increase your chances of winning million-dollar jackpots. You'll learn how to use three- and four-ball lottery strategies, advanced six-ball wheeling systems, how to create the same wheels used by experts, and how to identify high/low frequency and hot numbers. Includes winning strategies for every state, plus twenty Dimitrov Wheels. 160 Pgs.

The Lottery Book Don Catlin,2003 This book should be read by everyone who plays the state-run lotteries. Despite the fact that we players all know 'the odds are a million to one' against winning those big jackpots, most of us don't know the nature of these games or the math behind them or, yes, how to most effectively play them. In this groundbreaking book, you will learn: How to increase your chances of winning a jackpot that doesn't have to be shared with other players; How to tell when a jackpot becomes a 'positive expectation' bet and what that really means; How to keep the long arm of the government from getting its hands on significant portions of your wins; How to figure the odds on the various lotteries and the typical scratch-off tickets; How to find 'positive expectation' scratch-off games during special promotions.

2021 Lottery Numbers Dream Book Dr Golder,2021-01-01 Picking Winning Lottery Numbers can be hard. Many people have complicated mathematical systems that use historical data (maybe a birthday, or what they are lucky numbers). Some people use the same numbers every time they play. Others just let the system spit out random numbers. Very often the results are disappointing or totally random. This book goes back to the grand tradition of fusing our own dreams and modern numerology--coding this dream imagery into usable, meaningful numbers. For instance, are you dreaming of Pizza every other night? Well this could mean something (apart from waking up hungry every morning!). Why not use this in your choice of number? The tables in this Modern Lottery Dream Book will give you something usable from that dream to actually use in the Lottery of your choice. The number to choose for Pizza would be 65 if you are playing Power Ball. In this book, you will Learn how to remember your dreams Learn how to Transcode Proper Nouns Create complete sets of Lottery Numbers from your Dreams Over 1000 common items included - all with their own numbers ** While no Winning is Guaranteed, this book can make the numbers directly connect with your dreams. Tables and descriptions valid for Mega Millions (US), Powerball (US), UK National Lottery (UK), Euro Jackpot (EU) and Euro Millions (EU).
