A Flower with Love Bruno Munari,2007 Tiré du site Internet de Corraini: It's mother's day, it's father's day, today is spring, it's little brother's first birthday, the next-door neighbour gets married ! Every occasion is good to offer a flower. [...] But what really matters is the love with which a little daisy, a lavender sprig or some moss are chosen, that one there in particular and not that other one. (From the text) The creation of floral arrangements aims to transmit a message through a life (the plant) which is expression of silence. The one who gives and receives a flower should be able to compose and interpret this living silence, that tries to express life through another type of life. It's not meant to be a difficult or intricate purpose, but on the contrary a natural gesture which doesn't need money but love and inventiveness. Munari shows here many examples of such an inventiveness, not to be merely copied but as a suggestion to freely invent many other ones. The series workshop, which is focused on the imagination and the active involvement of children and adults, includes now a new book.

Now a widow and an empty-nester, she has become by her own admission something of a recluse. But after another birthday spent alone, she is finally inclined to listen to her sister, who has been begging Joan to reengage with the world. With Emmie’s support, Joan gathers the courage to take some long-awaited steps: hiring someone to tame her overgrown garden, joining a grief support group, and even renting out a room to a local college student. Before long Joan is starting to feel a little like herself again. Across town, Maggie Herbert works mornings as a barista, tending to impatient customers before rushing to afternoon nursing classes. She lives with her alcoholic father, ducking his temperamental outbursts and struggling to pay the household bills. But her circumstances brighten when she finds a room for rent in Joan’s home. In the unexpected warmth of her new situation, Maggie finds a glimmer of hope for a better life. But will Maggie’s budding attraction to one of her favorite customers ruin the harmony she’s only recently found with Joan? Meanwhile, what is Joan to make of the mysterious landscaper who’s been revitalizing her garden—a man who seems to harbor a past loss of his own? As Maggie and Joan confront difficult life choices, they draw strength from this new friendship in surprising ways—discovering in the process that “found family” is often the very best kind.

**A Flower of Love** Krister Hill,2015-07-28 When life does not go as planned and dreams are shattered, one can become lost in the what-ifs. Some people try to avoid the situation by running away ... the further away the better. When John Campbell discovered he could not father the child he longed for with his wife, he was shattered. Author Krister Hill’s A Flower of Love follows Campbell as he leaves his wife behind in England to patrol the border between India and Bangladesh. He quickly learns while one problem can be avoided, others appear when he is attacked and left for dead. But he also discovers help can appear in unexpected ways when he is rescued by a young girl on an elephant. Florence—Flower—is wiser than her twelve years. She, too, has experienced tragedy and disappointment but has used the experiences in building her faith in God. In A Flower of Love, you will see how God used a child to transform John’s life and reveal his purpose. Flower is a living example of true love and a reminder that help and inspiration can come from anyone.

His moody love poetry amorously covers ecstasy, angst, and caprice. His lyrical verses sensitively describe love in an authentic way, with idiosyncratic reality and ingenious creativity. They are in the context of an orchid flower, a traditional Chinese motif for delicate beauty. The poems are passionate yearnings with vibrant and vivid lyrical imagery of love. Their scope includes the peaks and the valleys of the amorphous art of love. In sensuous passion, they will intimately connect his heart as poet with your heart as a reader.
