Licensing Royalty Rates, 2017 Edition (IL) Battersby, Grimes,2016-12-07 This valuable reference presents the -going- royalty rate for virtually any product, including over 1,500 products and services in ten lucrative categories--art, celebrity, character and entertainment, collegiate, corporate, designer, event, sports, nonprofit and music. The essential reference for both beginning and more experienced licensing professionals. By Gregory J. Battersby, Charles W. Grimes Knowing the -going- royalty rate for virtually any product is as simple as reaching for the newly published Licensing Royalty Rates, 2017 Edition . Setting a royalty rate too high can scare away potential licensees, while accepting a lower rate can cost licensors hundreds of thousands of dollars. Licensing Royalty Rates, 2017 Edition provides all the information you need to calculate the right rate every time. The data in Licensing Royalty Rates is compiled using information from the U.S. Patent and Trademark Office. After careful review by a blue-ribbon panel of expert licensing consultants uniquely qualified to know what the appropriate rate range is for specific properties in each licensing category, the information is organized into four time-saving sections that give researchers fast access to comprehensive statistical and analytical data: Royalty rate listing alphabetically by licensed product --provides a detailed alphabetical listing of products and their suggested rate range across all product categories. Royalty rate listing by international trademark class--lets you quickly identify subtle royalty rate differences between similar products within specific international trademark classes. Checklist of licensed products and services--offers a quick-reference to products with a high potential for licensing. Comprehensive list of licensed products and services--presents a detailed list of all surveyed products and services within a trademark class for preparing intent-to-use trademark applications. This detailed information gives both beginning and more experienced licensing professionals the confidence needed to negotiate the maximum allowable rate regardless of the product, the market and the parameters of the specific deal itself.

Hand in Hand Kenn Ferrell,2022-04-06 The Bible asks the question, Can two people walk together without agreeing on the direction? (Amos 3:3 NLT). The answer is obvious to everyone. Hand in Hand was written to help every couple discuss the direction of their marriage while holding hands with no intention of letting go. Wedding vows are every couple's proof that they have agreed to walk side by side. But what is the next direction in your journey? The answer isn't as obvious as Amos's thought. The explanation is as unique as your relationship, but effective communication smoothens the potholes in the road. Smiles, laughter, tears, and intimacy all await you on this journey. Embrace each change of direction or twist in the trail as long as you are walking hand in hand. Hand in Hand is a once-a-week devotion encompassing a full year. Each one is designed to be read together. Each devotion is composed of four segments that were created to enhance intimate conversations. The first segment articulates colorful analogies that reveal life application. The second segment is called Pillow Talk. Four questions are concealed here and are intended to activate heart-to-heart conversations. Prayer Focus will follow, intertwining the devotion, your marriage, and His Word, which activates spiritual growth. The last segment is called Walking It Out. Each week you will have an opportunity to express your love through action. This is designed to incorporate a fun or romantic expression of the collaborated understanding that you have received from that week's corresponding devotion. So lace up your brand-new hiking boots, take each other's hand, and enjoy the adventure of your lifelong journey together!

Behold His Glory Pastor Jim Heritage,2011-06-27 In this book, you will be exposed, through the Word of God, to these seven vital areas of Gods work in our lives through which He regularly shows His glory. The Well-Tun'd Word Elise Bickford Jorgens,

Daily Sword Sharpening Joseph G. Misiaszek,2023-01-20 The Word of God is the sword with which we do spiritual battle. You must study His Word regularly if you want to keep your spiritual sword sharp and wield it effectively. In this book, Joseph G. Misiaszek embarks on a daily journey through Scripture, challenging you to take your faith deeper and walk even closer to the Lord. The title—Daily Sword Sharpening—comes from Proverbs 27:17, “As Iron sharpens iron, so one man sharpens another.” As you read, it is the author’s fervent hope that you not only keep your sword sharp but also utilize it to sharpen others, encourage others, and support others. The author emphasizes that even though the Bible was written over several thousand years and completed about two thousand years ago, truth is truth and is always applicable. For truth to exist, there can only be one source—and that source is God. Challenge yourself to read God’s Word daily and open yourself to the Holy Spirit as He applies Scripture to your life, and through you, to the lives of others.

How to Build a Lie Jamie Allen,2016-07-17 How to Build a Lie experiments with “artistic research practice” that tries to escape disciplinary boundaries and look to as many aspects of a single technology, media, or topic as it can. This extra-disciplinary practice, as Brian Holmes and others have intimated, intersects with media and technology to direct artistic work toward institutional critique without aesthetic distance. How to Build a Lie is gonzo media studies that engages directly, physically, and operationally with the technological structures that frame our lives. What would it be to do research, but include the material engagements and framings of media, as a kind of hands-on technical inquiry? The text of this book was presented as a lecture on May 16, 2016, as part of Jamie Allen’s exhibit “How to Build a Lie: Apocryphal Technologies & Works” at the Dateline gallery in Denver, and is supported by the Media Archaeology Lab at the University of Colorado, Boulder.

5 *Stones* Jacques Grant,2013-12-30 1 Samuel 17:45-50 45 David said to the Philistine, You come against me with sword and spear and javelin, but I come against you in the name of the Lord Almighty, the God of the armies of Israel, whom you have defied. 46 This day the Lord will deliver you into my hands, and Ill strike you down and cut off your head. This very day I will give the carcasses of the Philistine army to the birds and the wild animals, and the whole world will know that there is a God in Israel. 47 All those gathered here will know that it is not by sword or spear that the Lord saves; for the battle is the Lords, and he will give all of you into our hands.48 As the Philistine moved closer to attack him, David ran quickly toward the battle line to meet him. 49 Reaching into his bag and taking out a stone, he slung it and struck the Philistine on the forehead. The stone sank into his forehead, and he fell face down on the ground.50 So David triumphed over the Philistine with a sling and a stone; without a sword in his hand he struck down the Philistine and killed him .
