Let's Talk About Love Claire Kann, 2018-01-23 Striking a perfect balance between heartfelt emotions and spot-on humor, this debut features a pop-culture enthusiast protagonist with an unforgettable voice sure to resonate with readers. Alice had her whole summer planned. Nonstop all-you-can-eat buffets while marathoning her favorite TV shows (best friends totally included) with the smallest dash of adulting—working at the library to pay her share of the rent. The only thing missing from her perfect plan? Her girlfriend (who ended things when Alice confessed she's asexual). Alice is done with dating—no thank you, do not pass go, stick a fork in her, done. But then Alice meets Takumi and she can't stop thinking about him or the rom com-grade romance feels she did not ask for (uncertainty, butterflies, and swoons, oh my!). When her blissful summer takes an unexpected turn and Takumi becomes her knight with a shiny library-employee badge (close enough), Alice has to decide if she's willing to risk their friendship for a love that might not be reciprocated—or understood. Claire Kann's debut novel *Let's Talk About Love*, chosen by readers like you for Macmillan's young adult imprint Swoon Reads, gracefully explores the struggle with emerging adulthood and the complicated line between friendship and what it might mean to be something more. Praise for *Let's Talk About Love* from the Swoon Reads community: "A sweet and beautiful journey about self-discovery and identity!" —Macy Filia, reader on SwoonReads.com "There aren't many novels that have asexual characters and it's something people need more of." —Alice, reader on SwoonReads.com "I want this on my shelf where I can admire it every day." —Kiara, reader on SwoonReads.com

The Love Book Nina Solomon, 2015-01-06 An anti-romantic comedy about the

misadventures of four women who meet on a singles' bike trip.

Loving Hugh Nini, Neal Treadwell, 2020-10-14 *Loving: A Photographic Story of Men in Love, 1850-1950* portrays the history of romantic love between men in hundreds of moving and tender vernacular photographs taken between the years 1850 and 1950. This visual narrative of astonishing sensitivity brings to light an until-now-unpublished collection of hundreds of snapshots, portraits, and group photos taken in the most varied of contexts, both private and public. Taken when male partnerships were often illegal, the photos here were found at flea markets, in shoe boxes, family archives, old suitcases, and later online and at auctions. The collection now includes photos from all over the world: Australia, Bulgaria, Canada, Croatia, France, Germany, Japan, Greece, Latvia, the United States, the United Kingdom, Russia, and Serbia. The subjects were identified as couples by that unmistakable look in the eyes of two people in love - impossible to manufacture or hide. They were also recognized by body language - evidence as subtle as one hand barely grazing another - and by inscriptions, often coded. Included here are ambrotypes, daguerreotypes, glass negatives, tin types, cabinet cards, photo postcards, photo strips, photomatics, and snapshots - over 100 years of social history and the development of photography. *Loving* will be produced to the highest standards in illustrated book publishing. The photographs - many fragile from age or handling - have been digitized using a technology derived from that used on surveillance satellites and available in only five places around the world. Paper and other materials are among the best available. And *Loving* will be manufactured at one of the world's elite printers. *Loving*, the book, will be up to the measure of its message in every way. In these delight-filled pages, couples in love tell their own story for

the first time at a time when joy and hope – indeed human connectivity – are crucial lifelines to our better selves. Universal in reach and overwhelming in impact, *Loving* speaks to our spirit and resilience, our capacity for bliss, and our longing for the shared truths of love.

Love Hanne Ørstavik, 2018-02-13 WINNER OF THE 2019 PEN TRANSLATION PRIZE FINALIST FOR THE NATIONAL BOOK AWARD FOR TRANSLATED LITERATURE A mother and son move to a village in northern Norway, each ensconced in their own world. Their distance has fatal consequences. Love is the story of Vibeke and Jon, a mother and son who have just moved to a small place in the north of Norway. It's the day before Jon's birthday, and a travelling carnival has come to the village. Jon goes out to sell lottery tickets for his sports club, and Vibeke is going to the library. From here on we follow the two individuals on their separate journeys through a cold winter's night – while a sense of uneasiness grows. Love illustrates how language builds its own reality, and thus how mother and son can live in completely separate worlds. This distance is found not only between human beings, but also within each individual. This novel shows how such distance may have fatal consequences.

All About Love bell hooks, 2018-01-30 A New York Times bestseller and enduring classic, *All About Love* is the acclaimed first volume in feminist icon bell hooks' *Love Song to the Nation* trilogy. *All About Love* reveals what causes a polarized society, and how to heal the divisions that cause suffering. Here is the truth about love, and inspiration to help us instill caring, compassion, and strength in our homes, schools, and workplaces. "The word 'love' is most often defined as a noun, yet we would all love better if we used it as a verb," writes bell hooks as she comes out fighting and on fire in *All About Love*. Here, at her most provocative and intensely personal, renowned scholar, cultural critic and feminist bell hooks offers a proactive new ethic for a society bereft with lovelessness--not the lack of romance,

but the lack of care, compassion, and unity. People are divided, she declares, by society's failure to provide a model for learning to love. As bell hooks uses her incisive mind to explore the question "What is love?" her answers strike at both the mind and heart. Razing the cultural paradigm that the ideal love is infused with sex and desire, she provides a new path to love that is sacred, redemptive, and healing for individuals and for a nation. The Utne Reader declared bell hooks one of the "100 Visionaries Who Can Change Your Life." All About Love is a powerful, timely affirmation of just how profoundly her revelations can change hearts and minds for the better.

A General Theory of Love Thomas Lewis, Fari Amini, Richard Lannon, 2007-12-18 This original and lucid account of the complexities of love and its essential role in human well-being draws on the latest scientific research. Three eminent psychiatrists tackle the difficult task of reconciling what artists and thinkers have known for thousands of years about the human heart with what has only recently been learned about the primitive functions of the human brain. A General Theory of Love demonstrates that our nervous systems are not self-contained: from earliest childhood, our brains actually link with those of the people close to us, in a silent rhythm that alters the very structure of our brains, establishes life-long emotional patterns, and makes us, in large part, who we are. Explaining how relationships function, how parents shape their child's developing self, how psychotherapy really works, and how our society dangerously flouts essential emotional laws, this is a work of rare passion and eloquence that will forever change the way you think about human intimacy.

A Book About Love Jonah Lehrer, 2016-07-12 “Jonah Lehrer has a lot to offer the world...The book is interesting on nearly every page...Good writers make writing look easy, but what people like Lehrer do is not easy at all.” –David Brooks, The New York Times Book Review Science writer Jonah Lehrer explores

the mysterious subject of love. Weaving together scientific studies from clinical psychologists, longitudinal studies of health and happiness, historical accounts and literary depictions, child-rearing manuals, and the language of online dating sites, Jonah Lehrer's *A Book About Love* plumbs the most mysterious, most formative, most important impulse governing our lives. Love confuses and compels us—and it can destroy and define us. It has inspired our greatest poetry, defined our societies and our beliefs, and governs our biology. From the way infants attach to their parents, to the way we fall in love with another person, to the way some find a love for God or their pets, to the way we remember and mourn love after it ends, this book focuses on research that attempts, even in glancing ways, to deal with the long-term and the everyday. The most dangerous myth of love is that it's easy, that we fall into the feeling and then the feeling takes care of itself. While we can easily measure the dopamine that causes the initial feelings of “falling” in love, the partnerships and devotions that last decades or longer remain a mystery. This book is about that mystery. Love, Lehrer argues, is not built solely on overwhelming passion, but, fascinatingly, on a set of skills to be cultivated over a lifetime.

The Book that Made Me Judith Ridge, 2017-03-14 Essays by popular children's authors reveal the books that shaped their personal and literary lives, explaining how the stories they loved influenced them creatively, politically, and intellectually.

Why Does Love Hurt So Good? Ondray Pearson, 2019-10-30 Why Does Love Hurt So Good? It's hard to explain why we stay with someone who isn't treating or loving them the way they should. Staying, some would say is foolish, unhealthy and not normal, and they're right, but for you to understand the

why, you must experience loving someone first hand because until you do, you have no idea the power that love has over many of us. Within these stories, you will read and experience what people will do to have someone love them. Sex, lies, deception, betrayal, abuse, and infidelity were just a few of the traits used to obtain what they thought would make them happy in their relationship. As you read, you will, at some point, have to rethink what you thought you knew about love because, contrary to what many think and believe, not all love is good love that we receive from those we love. Readers are talking: Avis Parter, from Fayetteville, North Carolina, says, It truly touched my soul, I saw myself in it. I loved it; I cried because it was so my life. I needed this book three years ago. Deborah Antrum, St. Louis, Missouri, says, I read your book, and I love it! I let my daughter read also. I am looking forward to what you have in the making; you have my FULL support. Pastor Ricardo Manuel, from Savannah, Georgia, says, The book is a great read. I recommend that you get a copy and read it for yourself!
