For all the 10 years of her life, H&A has only known Saigon: the thrills of its markets, the joy of its traditions, the warmth of her friends close by, and the beauty of her very own papaya tree. But now the Vietnam War has reached her home. H&A and her family are forced to flee as Saigon falls, and they board a ship headed toward hope. In America, H&A discovers the foreign world of Alabama: the coldness of its strangers, the dullness of its food, the strange shape of its landscape, and the strength of her very own family. This is the moving story of one girl's year of change, dreams, grief, and healing as she journeys from one country to another, one life to the next.

It is a story about a young Vietnamese American girl named Grace who was kind and helpful to others. Grace was very excited about her trip to California to attend the big family reunion during Vietnamese Lunar New Year celebration. She also learned many interesting traditions that Vietnamese practice during this special holiday like making rice cake (called Banh Tet), decorating with yellow apricot followers (called Hoa Mai) and of course receiving lucky red envelopes. But Grace would never have guessed about meeting this new unexpected friend. Let's read and find out who it was!

Other Moons ,2020-08-04 In this anthology, Vietnamese writers describe their experience of what they call the American War and its lasting legacy through the lens of their own vital artistic visions. A North Vietnamese soldier forms a bond with an abandoned puppy. Cousins find their lives upended by the revelation that their fathers fought on opposite sides of the war. Two lonely veterans in Hanoi meet years after the war has ended through a newspaper dating service. A psychic assists the search for the body of a long-vanished soldier. The father of a girl suffering from dioxin poisoning struggles with corrupt local officials. The twenty short stories collected in Other Moons range from the intensely personal to narratives that deal with larger questions of remembrance, trauma, and healing. By a diverse set of authors, including many veterans, they span styles from social realism to tales of the fantastic. Yet whether describing the effects of Agent Orange exposure or telling ghost stories, all speak to the unresolved legacy of a conflict that still haunts Vietnam. Among the most widely anthologized and popular pieces of short fiction about the war in Vietnam, these works appear here for the first time in English. Other Moons offers Anglophone audiences an unparalleled opportunity to experience how the Vietnamese think and write about the conflict that consumed their country from 1954 to 1975—a perspective still largely missing from American narratives.

13 Moons over Vietnam—1st Moon: Innocence Ben Thieu Long,2019-02-14 13 Moons over Vietnam—1st Moon: Innocence Why another memoir on Vietnam? There are already hundreds of publications on the Vietnam War. 13 Moons over Vietnam captures a unique perspective of a soldier's experience of war, juxtaposing more than 150 stories between the lines of 280 uncensored letters to his wife, who was pregnant with their first child. These stories, describing actual experiences, are conveyed with raw emotions of anxiety and fear, refuting the nonchalant tone of his correspondence home. The effect is a stark and unsettling contrast between what is written home and what actually happens. 13 Moons over Vietnam is organized as a series segmented by lunar cycles that symbolize the author's struggles with identity and faith as he confronts progressive incidents of social and emotional violence. Begin with 1st Moon: Innocence, and witness a metamorphosis that spirals through a moral and spiritual minefield.

Vietnamese Legends George F. Schultz, 2004-09-15 This collection of Vietnamese mythology will be of great interest to cultural scholars as well as people of Vietnamese descent. The history of every country is reflected in its myths and legends and this absorbing collection of thirty-two stories vary from the sweep and grandeur of past battles, to the wit of parables. While a number of Chinese fables have absorbed into the folk-lore of Vietnam, The story of Tam and Cam' is the Vietnamese version of a Chinese Cinderella story. Most of these tales are indigenous to the Vietnamese. But whether imported or Vietnam originals, all of these stories contain an Oriental charm and logic that will intrigue the modern reader. These range from lengthy legend 'Trach Sanh,' to 'Statesman Ly,' a remarkable comment from the past, illustrating the situation today. Many of these stories reflect the fierce respect Vietnamese hold for honor. Filial and conjugal love, devotion to one's friends, are constant themes characteristic of the Vietnamese people. Particularly noteworthy is the author's success in retaining this atmosphere in translation. These stories vividly portray a Vietnamese way of thinking that make a book of rare appeal to the western reader.
