📖 **How To Tune-Up Your Marriage For Life** Errol A. The purpose of this book is to help married couples enjoy their marriage.Every day we are faced with crunch time schedules and high demands to succeed in our businesses and our careers.This leaves us with much time for anything,much less our marriage. 📖 **How To Stay Married For Life** Bill Morelan,1996 How do some couples stay happily together for so long? Bill Morelan shares some secrets-100 to be exact-collected from happy couples married 50 years or more!

📖 **Catholic Theology of Marriage in the Era of HIV and AIDS** Emily Reimer-Barry,2015-04-09 Marriage for Life begins by listening to the lived experiences of Catholic, married, HIV-positive women, in order to better understand their struggles. The eight women interviewed in Chicago, Illinois, USA, shared their stories of marriage, of family life, of church involvement, and of living with HIV. Their candid reflections offer a fresh and grounded perspective on the challenges of living with HIV in a US context. After listening to and learning from these women’s experiences, Reimer-Barry constructs a theology of Christian marriage that is life-giving in a world with AIDS. While Catholic teachings have developed and now affirm the equal dignity of women and men, troubling legacies of women’s subordination remain embedded in liturgical practices and theological texts. Arguing that self-care is an indispensable component of a healthy marriage, Reimer-Barry constructs a life-affirming theology of marriage that is sensitive to the struggles of her collaborators. She argues that marriage for life must promote the full flourishing of both partners, respect wives as equal partners with their husbands, and offer a coherent and empowering sexual ethic. Building on the wisdom of her collaborators’ lived experiences, Reimer-Barry examines the need for a more adequate Catholic response to HIV and AIDS, arguing that church communities should promote comprehensive sexual education, affirm both abstinence and condom use for HIV prevention, and actively work to reduce stigmatizing behaviors within church communities. She also unpacks the implications of marriage for life for Catholic liturgical practice, marriage preparation programs, sexual education programs, and family ministries. Modeling her method on what Pope Francis calls the “art of accompaniment,” Reimer-Barry argues that Catholic theology of marriage must be renewed and updated so that all can plainly understand that marriage is for life.

📖 **The All-or-Nothing Marriage** Eli J. Finkel,2019-01-08 “After years of debate and inquiry, the key to a great marriage remained shrouded in mystery. Until now...”—Carol Dweck, author of Mindset: The New Psychology of Success Eli J. Finkel’s insightful and ground-breaking investigation of marriage clearly shows that the best marriages today are better than the best marriages of earlier eras. Indeed, they are the best marriages the world has ever known. He presents his findings here for the first time in this lucid, inspiring guide to modern marital bliss. The All-or-Nothing Marriage reverse engineers fulfilling marriages—from the “traditional” to the utterly nontraditional—and shows how any marriage can be better. The primary function of marriage from 1620 to 1850 was food, shelter, and protection from violence; from 1850 to 1965, the purpose revolved around love and companionship. But today, a new kind of marriage has emerged, one oriented toward self-discover, self-esteem, and personal growth. Finkel combines cutting-edge scientific research with practical advice; he considers paths to better communication and responsiveness; he offers guidance on when to recalibrate our expectations; and he even introduces a set of must-try “lovehacks.” This is a book for the newlywed to the empty nester, for those thinking about getting married or remarried, and for anyone looking for illuminating advice that will make a real difference to getting the most out of marriage today.

📖 **Understanding Love** Myles Munroe,2005 Munroe answers questions that all married couples face. Thoroughly biblical and practical, the book addresses critical but oft-neglected marital issues such as communication, finances, developing true intimacy and parenting.

📖 **Marriage For Life** Kenneth Alford,2022-08-01 The purpose of our story is to show how one relationship can lead to a fulfilled life that can include adventure and raising a family as well. Our lives were blessed due to devotion to each other and always returning to the basics. Money was never an issue or concern because we always had a goal of reaching the latter years with the assurance that we would never have to be a burden to our children. To start life together means setting realistic goals from the beginning, including preparing for careers that would be fulfilling as well as providing for the future. Keeping a positive attitude through life can be a major attribute that must be cultivated to best keep on a path that leads to a fruitful ending and must include a devotion to God daily. Keeping active and developing daily routines that include social and personal health should be included as part of daily and weekly routines. Square dancing and camping were activities that kept us active and contributed to a healthy lifestyle. Raising children must be planned with the goal of ensuring development of productive individuals, but perfection must not be instilled in individuals that have a unique personality, recognizing that what is expected may not be a fruitful goal on your part. Our story is not a perfect example but is offered, not to help develop how a couple should pattern their marriage but offer an insight that worked for us.

📖 **Marriage For Life** Darlene Alford,2020-02-08 The purpose of our story is to show how one relationship can lead to a fulfilled life that can include adventure and raising a family as well. 📖 **Marriage For Life** Maurice Russell,Paul Frederick,2018-06-11 In the 16th century, Michelangelo painted the ceiling of the Sistine Chapel in vivid, colored detail. Over the centuries both the color and detail faded. It was no longer the vivid set of Bible stories Michelangelo painted. Marriage is God’s painting. It is His mystery, once hidden, but now revealed in His Word. (Ephesians 5:22-33) In marriage God intended to paint a picture of the relationship between Himself, the groom, and His people, those who trusts in Jesus for everlasting life. Our world has altered, licensed, distorted, and corrupted God’s picture. The vivid colors of marriage have faded. The distinct images of marriage have been obscured by opinions, laws, and careless ignorance. The 20th century restoration of the Sistine ceiling has, not without controversy, reclaimed Michelangelo’s eloquent art for visitors to again observe. The pictures once again tell Bible stories. Biblical marriage tells the story of God’s love for His people and their love for, and submission to, Him. The authors’ prayer is that the biblical details in Marriage For Life will help establish marriages that display God’s lovely plan: one man and one woman who come together committed to a life-long commitment to God and to each other. For others, whose marriages may have grown dull, the authors pray that Marriage For Life might help restore all the color and vivid detail God intended.

📖 **Married For Life** D. Stuart Briscoe,Jill Briscoe,2006-07-19 D. Stuart Briscoe and Jill Briscoe tell the nearly fifty-year saga of their marriage--a classic opposites-attract story teeming with lessons for newlyweds and young marrieds.

Each entry includes a nugget of wisdom, the name of the couple, the date they married, and a brief biography.

📖 **Relationship Smart** Eziaku Odimuko,2014-07-31 Life is all about relationships. A person begins forming relationships from birth to the end of life here on earth. Life would seem boring without other people with whom to share, laugh, and cry. Relationships can be a source of great joy or great despair. When structured and wholesome, one can bring out the best; however, a dysfunctional relationship can cause great harm to an individual. Get the facts to becoming Relationship Smart. Be your best self and enhance your friendship, courtship, or marriage with lessons from this book.

📖 **Plural Marriage for Our Times** Philip L. Kilbride,Douglas R. Page,2012-08-17 This thoroughly revised second edition offers a child-centered, international perspective as it urges America to de-stigmatize alternate family forms. In this book’s first edition, Philip L. Kilbride showed polygamy as the preferred marriage pattern in most parts of the nonwestern world and explained how plural marriage is surfacing in western countries to address economic and spiritual crises. In Plural Marriage for Our Times: A Reinvented Option? Second Edition, Kilbride and his coauthor, Douglas R. Page, update and enhance this thesis in light of contemporary circumstances, new studies, and current legal debates. This new edition examines plural marriage’s benefits for children. It extends the discussion of polygamy and religion, especially the Muslim perspective on marriage and family; considers the illegal polygamy of immigrants; and looks at multiple marriage in African American communities, where crisis polygamy is a growing phenomenon. The authors suggest Americans consider plural marriage as a viable practice that can help reduce the divorce rate, better protect women and children, and serve as an alternative to the fractured family so prevalent in America today.
