Travel Guide,2019-07-13 For people not afraid to discover a real place with real people, Marseille is the place. From colourful markets (like Noailles market) that will make you feel like you are in Africa. To the Calanques (a natural area of big cliffs falling into the sea - Calanque means fjord), from the Panier area (the oldest place of the town and historically the place where newcomers installed) to the Vieux-Port (old harbor) and the Corniche (a road along the sea) Marseille has definitely a lot to offer. Forget the Canebiere, forget the savon de Marseille (Marseille soap), forget the cliches, and just have a ride from l'Estaque to Les Goudes. You will not forget it. Wink Travel Guides introduce you to the best world travel destinations, in a clear and concise way, illustrated by photos.

The Complete Works of Guy De Maupassant (A Bilingual Edition)

Guy de Maupassant, 2023-12-17 The 'Complete Works of Guy De Maupassant (A Bilingual Edition)' stands as a testament to the mastery of one of France's literary treasures. This compilation not only showcases Maupassant's keen eye for detail and narrative precision but also provides a bilingual avenue for readers to immerse themselves in his works as originally written. Organised with scholarly meticulousness, the collection incorporates a wide expanse of his oeuvre—from the darkest novellas to insightful travel sketches, illuminating the stylistic diversity and depth of his storytelling. This digital edition, with its reader-friendly formatting and the insightful introduction by Leo Tolstoy, offers a holistic approach to the richness of Maupassant's literary gifts, and situates him firmly within the pantheon of short story connoisseurs. Guy de Maupassant's legacy is closely entwined with the guidance of Gustave Flaubert, his mentor, whose influence is evident in Maupassant's commitment to the naturalist movement and the narrative brevity. His experiences as a soldier during the Franco-Prussian War and his bureaucratic career provided fertile ground for his fiction, which often delved into the complexities of social strata and the human psyche. The bilingual edition underscores the international acclaim of Maupassant's work and reflects his universal relevance, speaking to the timelessness of his themes and the universality of his insights into the human condition. This comprehensive collection is an indispensable addition for both scholars and enthusiasts of classic literature. It serves not only as a window into 19th-century French society but also as a bridge between language and culture, offering a unique opportunity to experience Maupassant's works in the original French with the

convenience of English translation. The volume is an invitation to both connoisseurs of Maupassant and newcomers alike, encouraging a deeper appreciation of one of literature's most proficient storytellers whose narratives continue to resonate well beyond their time.
