*Remediation in Medical Education* Adina Kalet,Calvin L. Chou,2013-11-26 Remediation in medical education is the act of facilitating a correction for trainees who started out on the journey toward becoming excellent physicians but have moved off course. This book offers an evidence-based and practical approach to the identification and remediation of medical trainees who are unable to perform to standards. As assessment of clinical competence and professionalism has become more sophisticated and ubiquitous, medical educators increasingly face the challenge of implementing effective and respectful means to work with trainees who do not yet meet expectations of the profession and society. Remediation in Medical Education: A Mid-Course Correction describes practical stepwise approaches to remediate struggling learners in fundamental medical competencies; discusses methods used to define competencies and the science underlying the fundamental shift in the delivery and assessment of medical education; explores themes that provide context for remediation, including professional identity formation and moral reasoning, verbal and nonverbal learning disabilities, attention deficit disorders in high-functioning individuals, diversity, and educational and psychiatric topics; and reviews system issues involved in remediation, including policy and leadership challenges and faculty development.

**Prisoner** Jason Rezaian,2019-01-22 The Inspiration for the New Podcast Featuring Jason Rezaian. “544 Days” is a Spotify original podcast, produced by Gimlet, Crooked Media and A24. The dramatic memoir of the journalist who was held hostage in a high-security prison in Tehran for eighteen months and whose release—which almost didn’t happen—became a part of the Iran nuclear deal In July 2014, Washington Post Tehran bureau chief Jason Rezaian was arrested by Iranian police, accused of spying for America. The charges were absurd. Rezaian’s reporting was a mix of human interest stories and political analysis. He had even served as a guide for Anthony Bourdain’s *Parts Unknown*. Initially, Rezaian thought the whole thing was a terrible misunderstanding, but soon realized that it was much more dire as it became an eighteen-month prison stint with impossibly high diplomatic stakes. While in prison, Rezaian had tireless advocates working on his behalf. His brother lobbied political heavyweights including John Kerry and Barack Obama and started a social media campaign—#FreeJason—while Jason’s wife navigated the red tape of the Iranian security apparatus, all while the courts used Rezaian as a bargaining chip in negotiations for the Iran nuclear deal. In *Prisoner*, Rezaian writes of his exhausting interrogations and farcical trial. He also reflects on his idyllic childhood in Northern California and his bond with his Iranian father, a rug merchant; how his teacher Christopher Hitchens inspired him to pursue journalism; and his life-changing decision to move to Tehran, where his career took off and he met his wife. Written with wit, humor, and grace, *Prisoner* brings to life a fascinating, maddening culture in all its complexity. “An important story. Harrowing, and suspenseful, yes—but it’s also a deep dive into a complex and egregiously misunderstood country with two very different faces. There is no better time to know more about Iran—and Jason Rezaian has seen both of those faces.” — Anthony Bourdain “Jason paid a deep price in defense of journalism and his story proves that not everyone who defends freedom carries a gun, some carry a pen.” —John F. Kerry, 68th Secretary of State
