Limor Shifman

Memes in Digital Culture Limor Shifman, 2013-10-04 Taking “Gangnam Style” seriously: what Internet memes can tell us about digital culture. In December 2012, the exuberant video “Gangnam Style” became the first YouTube clip to be viewed more than one billion times. Thousands of its viewers responded by creating and posting their own variations of the video—“Mitt Romney Style,” “NASA Johnson Style,” “Egyptian Style,” and many others. “Gangnam Style” (and its attendant parodies, imitations, and derivations) is one of the most famous examples of an Internet meme: a piece of digital content that spreads quickly around the web in various iterations and becomes a shared cultural experience. In this book, Limor Shifman investigates Internet memes and what they tell us about digital culture. Shifman discusses a series of well-known Internet memes—including “Leave Britney Alone,” the pepper-spraying cop, LOLCats, Scumbag Steve, and Occupy Wall Street's “We Are the 99 Percent.” She offers a novel definition of Internet memes: digital content units with common characteristics, created with awareness of each other, and circulated, imitated, and transformed via the Internet by many users. She differentiates memes from virals; analyzes what makes memes and virals successful; describes popular meme genres; discusses memes as new modes of political participation in democratic and nondemocratic regimes; and examines memes as agents of globalization. Memes, Shifman argues, encapsulate some of the most fundamental aspects of the Internet in general and of the participatory Web 2.0 culture in particular. Internet memes may be entertaining, but in this book Limor Shifman makes a compelling argument for taking them seriously.

Mediated Intercultural Communication in a Digital Age Ahmet Atay, Margaret U. D'Silva, 2019-03-13 This book focuses on mediated intercultural communication in the context of globalization. Analyzing social and traditional media using qualitative, interpretive, and critical and cultural perspectives, contributors engage with diverse topics - ranging from hybrid identities in different communities, to journalistic collaborations in the global media landscape. In addition, the authors also examine the placeless and borderless communities of diaspora members, their transnational identities, and the social media stories that shape and are shaped by them.

Developing Intercultural Language Materials Freda Mishan, Tamas Kiss, 2024-03-29 Developing Intercultural Language Materials puts intercultural competence at the forefront of the learning agenda. It unpicks its underlying theory and provides a framework and practical methodologies for practitioners, providing a toolkit for them to create their own learning materials and design their own classroom activities to nurture intercultural competence. This innovative book showcases some of the new ways language teachers in practice successfully integrate this essential skill into their curricula. Directions for further research, pulling out recurring threads in this book, such as critical pedagogy and cultural sensibility, offer opportunities for professional development. This research-grounded and action-oriented text is essential reading for language and cultural studies practitioners who want to help their students thrive in today's multicultural world.

Meme Note J. KING, 2021-03-14 Write the name of the meme you want to make and at the end detail the information of the meme, following the indications of the template, and I don't now what to write anymore because I'm drunk. Good luck.

The Evolved Self Lloyd Hawkeye Robertson, 2020-09-15 In this work the self, which is core to such concepts as self-esteem and self-actualization, is mapped using elemental units of culture called memes. To understand this self, we draw on Western philosophy, major schools of psychology, and the cross-cultural experience of the self in both collectivist and individualist cultures. With this grounding a diverse sample of eleven selves representing three genders are mapped and analyzed, grouped in the following clusters: 1) North American selves built through participation in sports; 2) selves centred on notions of North American aboriginality; 3) selves of individuals following a secular humanist paradigm; and 4) selves from China and Russia. Two methods of self-mapping are described. The results support a hypothesis that a healthy or functional self is composed of fundamental elements including constancy, volition, uniqueness, productivity, intimacy, and social interest. The application of this research and the method of self-mapping to counselling and psychotherapy are explored. A disciplinary paradigm is proposed uniting major schools of psychotherapy. This work will be of interest to philosophers, psychologists, social workers, sociologists, and all who have wondered how they come to define themselves in the ways that they do. Published in English.

The Playful Politics of Memes Mette Mortensen, Christina Neumayer, 2023-05-22 Memes work as rhetorical weapons and discursive arguments in political conflicts. Across digital platforms, they confirm, contest and challenge political power and hierarchies. They simultaneously create social distortion, hostility, and a sense of community. Memes thus not only reflect norms but also work as a tool for negotiating them. At the same time, memes meld symbolic and cultural elements with technological functionalities, allowing for replicability and remixing. This book studies how memes disrupt and reimagine politics in humorous ways. Memes create a playful activity that follows a shared set of rules and gives a (shared) voice, which may generate togetherness and political identities but also increase polarization. As their template travels, memes continue to appropriate new political contexts and to (re)negotiate frontiers in the political. The chapters in this book allow us to chart the playful politics of memes and how they establish or push frontiers in various political, cultural, and platform-specific contexts. Taken together, memes can challenge and regenerate populism, carve out spaces for new identity formations, and create togetherness in situations of crises. They can also, however, lead to the normalization of racist discourses. This book will be of interest to researchers and advanced students of Media and Communication Studies, Information Studies, Politics, Sociology, and Cultural Studies. It was originally published as a special issue of the journal, *Information, Communication & Society*.

Creative Hubs in Question Rosalind Gill, Andy C. Pratt, Tarek E. Virani, 2019-03-23 Creative hubs have become a cornerstone of economic and cultural policy with only the barest amount of discussion or scrutiny. This volume offers the first interrogation of creative hubs, with ground-breaking critical writing from a combination of established scholars and new voices. Looking across multiple sites trans-nationally, and combining theoretical and empirical reflections, it asks: what are creative hubs, why do they matter, and are they making the world a better place? *Creative Hubs in Question* discusses creative hubs in relation to debates about creative cities, co-working spaces and workers' co-operatives. Featuring case studies from Argentina to the Netherlands, and Nigeria to the UK, the contributions address how hubs are situated in relation to projects of equality and social justice, and whether and in what ways they change the experiences of the creatives who work in them. Drawing on a range of disciplinary perspectives including sociology, geography, economics, media and communications, culture and creative industries, critical policy studies, gender studies, race and ethnicity, and urban studies, this collection will be of interest to policy makers, academics, scholars, students and practitioners across these fields.

The 2016 American Presidential Campaign and the News Jim A. Kuypers, 2018-03-14 This book examines issues such as fake news, media bias, visual meme depictions of the candidates, and social media as news during the 2016 presidential campaign. The contributors offer insights into how the campaign coverage affected the health of the American republic.

Internet Memes and Society Anastasia Denisova, 2019-03-21 This book provides a solid, encompassing definition of Internet memes, exploring both the common features of memes around the globe and their particular regional traits. It identifies and explains the roles that these viral texts play in Internet communication: cultural, social and political implications; significance for self-representation and identity formation; promotion of alternative opinion or trending interpretation; and subversive and resistant power in relation to professional media, propaganda, and traditional and digital political campaigning. It also offers unique comparative case

studies of Internet memes in Russia and the United States.

Digital Prohibition Carolyn Guertin, 2012-04-26 The act of creation requires us to remix existing cultural content and yet recent sweeping changes to copyright laws have criminalized the creative act as a violation of corporate rights in a commodified world. Copyright was originally designed to protect publishers, not authors, and has now gained a stranglehold on our ability to transport, read, write, teach and publish digital materials. Contrasting Western models with issues of piracy as practiced in Asia, Digital Prohibition explores the concept of authorship as a capitalist institution and posits the Marxist idea of the multitude (à la Antonio Negri and Michael Hardt, and Paulo Virno) as a new collaborative model for creation in the digital age. Looking at how digital culture has transformed unitary authorship from its book-bound parameters into a collective and dispersed endeavor, Dr. Guertin examines process-based forms as diverse as blogs, Facebook, Twitter, performance art, immersive environments, smart mobs, hacktivism, tactical media, machinima, generative computer games (like Spore and The Sims) and augmented reality.

No One Is Talking About This Patricia Lockwood, 2022-01-06 'Patricia Lockwood is the voice of a generation' Namita Gokhale 'A masterpiece' Guardian 'I really admire and love this book' Sally Rooney 'An intellectual and emotional rollercoaster' Daily Mail 'I can't remember the last time I laughed so much reading a book' David Sedaris 'A rare wonder . . . I was left in bits' Douglas Stuart * WINNER OF THE DYLAN THOMAS PRIZE 2022 ** SHORTLISTED FOR THE BOOKER PRIZE 2021 ** SHORTLISTED FOR THE WOMEN'S PRIZE FOR FICTION 2021 ** A BBC BETWEEN THE COVERS BOOK CLUB PICK * _____ This is a story about a life lived in two halves. It's about what happens when real life collides with the increasing absurdity of a world accessed through a screen. It's about living in world that contains both an abundance of proof that there is goodness, empathy, and justice in the universe, and a deluge of evidence to the contrary. It's a meditation on love, language and human connection from one of the most original voices of our time. _____ 'An utterly distinctive mixture of depth, dazzling linguistic richness, anarchic wit and raw emotional candour' Rowan Williams A 2021 Book of the Year: Sunday Times, Guardian, Daily Mail, Telegraph, Evening Standard, The Times, New Statesman, Red, Observer, Independent, Daily Telegraph

Speech and Language Technologies for Low-Resource Languages Bharathi Raja Chakravarthi,

Language, Creativity and Humour Online Camilla Vásquez, 2019-05-03 Language, Creativity and Humour Online offers new insights into the creative linguistic practices found in diverse digital contexts, such as social media platforms. It introduces new digital genres and contexts, expanding existing research on computer mediated communication (CMC) and covering key concepts in research on linguistic creativity. The book presents original linguistic analyses of a variety of digital genres, including: • Novelty Twitter accounts and political humour • Tumblr Chats • Amazon review parodies. This timely book uncovers the linguistic and interactional mechanisms underlying various types of creative, playful, and humorous texts online. It is essential reading for students and researchers working in the areas of language and media, and language and communication.

A Study of the Storage of Rice and Wheat with Special Reference to Price Fluctuation in the Lower Yantze Valley in China Suhow Hwa, 1950

There Is No Antimemetics Division qntm, An antimeme is an idea with self-censoring properties; an idea which, by its intrinsic nature, discourages or prevents people from spreading it. Antimemes are real. Think of any piece of information which you wouldn't share with anybody, like passwords, taboos and dirty secrets. Or any piece of information which would be difficult to share even if you tried: complex equations, very boring passages of text, large blocks of random numbers, and dreams... But anomalous antimemes are another matter entirely. How do you contain something you can't record or remember? How do you fight a war against an enemy with effortless, perfect camouflage, when you can never even know that you're at war? Welcome to the Antimemetics Division. No, this is not your first day. ----- This ebook is an official release by me, qntm from the SCP Foundation wiki! PM me if you require confirmation. This ebook collects all of my Antimemetics Division fiction: SCP-055, SCP-2256 and the complete serials There Is No Antimemetics Division and Five Five Five Five Five.

The Meme Book By Mobo Gallery, 2015-10-28 The Meme Book is a funny coffee table book, a way to share your favorite memes with your technophobe grandma, or a comment on the times. It can be all or none of these things. This collection of memes pulled from the Internet and framed in the book is funny and fun. The purpose of this volume is simply to curate some of the funniest memes and to raise a discussion about this new form of art. Is it really new? If so, what is novel about it compared to other editorial forms of art? How can we approach this sociologically? What can this collection of provocative memes show us about the future, and about the present? What does this curation add to existing conversations about art? How can memes exist as fingers on the pulse of today's youth? Will these memes stand in the long-term as examples of twenty-first century culture, or will this volume stand as the only evidence that they ever existed?

ATTENTION Joshua Cohen, 2019-08-06 A wide-ranging, rule-bending collection of nonfiction from the Pulitzer Prize-winning author of The Netanyahus “Attention reveals a fresh, vital literary voice as it covers seemingly every imaginable topic relating to modern life.”—Entertainment Weekly NAMED ONE OF THE BEST BOOKS OF THE YEAR BY WIRED One of Granta’s Best of Young American Novelists, Joshua Cohen arrives with his first collection of nonfiction, the culmination of two decades of writing and thought about life in the digital age. In essays, memoir, criticism, diary entries, and letters—many appearing here for the first time—Cohen covers the full depth and breadth of modern life: politics, literature, art, music, travel, the media, and psychology, and subjects as diverse as Google, Donald Trump, Bernie Sanders, fictional animals, Gustav Mahler, Aretha Franklin, John Zorn, landscape photography, fake Caravaggios, Wikipedia, Gertrude Stein, Edward Snowden, Jonathan Franzen, Olympic women’s fencing, Atlantic City casinos, the closing of the Ringling Bros. circus, and Azerbaijan. Throughout ATTENTION, Cohen directs his sharp gaze at home and abroad, calling upon his extraordinary erudition and unrivaled ability to draw connections between seemingly unlike things to show us how to live without fear in a world overflowing with information. In each piece, he projects a quality of thought that is uniquely his, and a voice as witty, profound, and distinct as any in American letters. At this crucial juncture in history, ATTENTION is a guide for the perplexed—a handbook for anyone hoping to bring the wisdom of the past into the culture of the future.

*The Book of F*cking Hilarious Internet Memes* Richard Face, 2012-01-13 WHAT THE HECK IS AN INTERNET MEME? Meme (pronounced meem): An idea, belief or element of social behavior spread that is transmitted from one person or group of people to another. This word was coined in the '70s by Richard Dawkins, the atheist godman worshipped by neckbeards everywhere. Simply put, Internet memes are memes that spread on the Internet through social networking sites, blogs, email, news sources, and so on. In the real world they're called ideas, but pseudo-intellectuals prefer memes. WHERE DO INTERNET MEMES COME FROM? Amongst all the stupid crap on the Internet are hilarious gems of wit and wisdom. Most of the best memes start as images shared on the Web and, by some great misfortune, they find their way into the lecherous hands of drunken basement trolls who mutate these images into the hilarious, the lame, and sometimes the downright bizarre. WHAT IS THIS BOOK? This book will take you on a bizarre journey through the bilges of the Internet and introduce you to 23 of its funniest and most popular memes, complete with a sh*tload of images that might just make you wet your panties. On this journey you will share lulz with unsavory characters like... Foul Bachelor Frog Socially Awkward Penguin Paranoid Parrot Courage Wolf Advice God Joseph Ducreux Hipster Kitty Inglip Successful Black Man Forever Alone Bill O'Reilly And more... Scroll up and click the Buy button now to laugh your a** off at the twisted hive mind of the Internet underworld...

I Can Get It for You Retail Rick Padulo,2012-03-26 An inside look at the advertising business by the man behind all those ads you just can't keep out of your head. If you have ever worked in or are interested in marketing, advertising, or retail, this book is a must read. *I Can Get it For You Retail* plots a course for success in the real world with the inside scoop on several of the most successful retail marketing/advertising campaigns in Canadian history: - Black's is Photography - Leon's - Don't Pay a Cent Event - Zellers - Because ... the Lowest Price is the Law - CIBC - Seeing Beyond - Rexall - A Pharmacy First These campaigns demonstrate in real time and real life how Rick's Nine Commandments help create success.

Cultural Resistance Reader Stephen Duncombe,2002 From the Diggers seizing St. George Hill in 1649 to Hacktivists staging virtual sit-ins in the 21st century, from the retributive fantasies of Robin Hoods to those of gangsta rappers, culture has long been used as a political weapon. This expansive and carefully crafted reader brings together many of the classic texts that help to define culture as a tool of resistance. With concise, illuminating introductions throughout, it presents a range of theoretical and historical writings that have influenced contemporary debate, and includes a number of new activist authors published here for the first time. Cultural Resistance Reader is both an invaluable scholarly resource and a tool for political activists. But most importantly it will inspire everyday readers to resist.
