Astonishing Rock Trivia John Tait, 2020-09-28 A juicy piece of trivia is like a beautiful fresh cut of protein. It needs to be handled just right. Some fillets of trivia work well as a question, others are best posed as a ‘Did you know’. Some have so much flesh on them that they are better served up as a whole story or essay. That is what you will find between these pages, a smorgasbord of trivia treats to feast upon. Like a buffet on a cruise ship, you can start at the beginning and work your way along, you can push in at any point for the one tasty treat that you want, or you can fill a small plate and come back over and over again. This is possibly the most complete book of Rock Trivia ever compiled and the morsels will astonish ... Did you know that in 2013 Chubby Checker sued Hewlett-Packard over a 99-cent app called the ‘Chubby Checker’ which allowed users to enter a man’s shoe size to estimate the size of his penis? He claimed that the product would cause damage to his goodwill, tarnishing his image. Trivia with a twist? Did you know that Charles Manson co-wrote a song for the Beach Boys? Plus hundreds of questions to tease and expand the mind. At last ... a rock trivia book that is not at all trivial! This is a remarkable collection of questions, facts, myths, stories, jokes, riddles and answers. Number one with a bullet! - Brian

Nankervis, ABC Radio and RockWiz host. This is the book that we music trivia nuts have been waiting for. Even if you think you know it all there'll be something that surprises you. Read it from front to back or just dip into it when you need a trivia top up. I love it! - Murray Cook, The Wiggles, The Soul Movers

Michael Jackson ChristopherR. Smit, 2017-07-05
Throughout his 40-year career, Michael Jackson intrigued and captivated public imagination through musical ingenuity, sexual and racial spectacle, savvy publicity stunts, odd behaviours, and a seemingly apolitical (yet always political) offering of popular art. A consistent player on the public stage from the age of eight, his consciousness was no doubt shaped by his countless public appearances, both designed and serendipitous. The artefacts he left behind - music, interviews, books written by and about him, and commercial products including dolls, buttons, posters, and photographs, videos, movies - will all become data in our cultural conversation about who Michael Jackson was, who he wanted to be, who we made him to be, and why. *Michael Jackson: Grasping the Spectacle* includes essays that aim to understand Jackson from multiple perspectives: critical cultural theory, musicology, art history, media studies, cultural anthropology, sociology, philosophy, religious studies, literary theory, gender studies, performance studies, disability studies, film studies, and African-American studies. Intended for classroom use as well as research and general interest, this book expands our understanding both of this fascinating figure

himself and of gender, sexuality, celebrity, and popular culture.

Michael Jackson Shawn Henning, 2009-09-29 As fans of entertainers our voice is often overlooked. We are passed off as simple fans who really don't know too much. The media, with all their experts, reports, opinions, and speculations are often times not the truth. For the first time the fans of Michael Jackson will speak out. False reports and rumors are exposed in this book and the Author provides an in-depth look at the media theories and speculations. The fans finally have a book that expresses what they know to be the truth about The Icon of Music Michael Jackson. The Author takes you through Michael Jackson's life from the viewpoint of a fan. Backed by intense research and interview from noted film-maker and defense witness for Michael Jackson Larry Nimmer who also wrote this about the book. You've done excellent research and there were some things that I learned that I didn't know. It was interesting what you had to say about the accusers and about his dad, Joe Jackson. I liked your comparison that Americans will sleep with animals in their bed but they are not accused of bestiality... good comparison... You've presented a convincing story about people who fabricated stories for personal gain, including the media, at the expense of Michael Jackson... great job and very interesting. Larry Nimmer

Thriller Nelson George, 2010-06-08 *Thriller* takes us back to a time in 1982 when Michael Jackson was king of the charts, breaking the color barrier on MTV, heralding the age of video, and becoming the

ultimate representation of the crossover dreams of Motown's Berry Gordy, who helped launch Jackson's career with the Jackson 5. In this incisive and revealing examination of the making and meaning of *Thriller*, Nelson George illuminates the brilliant creative process (and work ethic) of Jackson and producer Quincy Jones, deftly exploring the larger context of the music, life, and seismic impact of Michael Jackson on three generations. All this from a groundbreaking journalist and cultural critic who was there. George questions whether the phenomenon Jackson became is even possible today. He revisits his early writings on the King of Pop and examines not only the stunning success of *Thriller* but also Jackson as an artist, public figure, and racial enigma—including the details surrounding his death on June 25, 2009.

Rock 'n' Pop Music Trivia Jim Green, 2010-06-01
An amazing and absorbing collection of facts, statistics, stories and gossip that will entertain for hours! Who was the first to have a hit with *Unchained Melody*? Which famous band started life as Starfish? Which Britney single sold 1.3 million copies in its first week? When did MTV first hit the airwaves? Where and when was the first ever pop festival held? This mind-bending collection of over 1000 facts, information and quirky details will surprise and amuse.
