The Laws of the Ring (Enhanced Edition) Urijah Faber,Tim Keown,2012-05-22 Laws of the Ring the enhanced e-book edition takes you behind-the-scenes of the life of top MMA fighter, Urijah Faber. In six exclusive videos, Urijah lets you meet his friends and family, brings you to the local gym to watch him spar, and gives you a special introduction to the enhanced e-book. This edition also features fifteen bonus photographs, four quizzes to test your knowledge of MMA history and lifestyle, and three music playlists to set the mood as you train, prep for a fight, and kick back and relax. What's your passion? For Urijah The California Kid Faber, fighting is not just a thrill but an act of self-expression. From his first fight in the outlaw MMA days of 2003, Urijah recognized his passion for the sport—and since then the former WEC World Featherweight Champion, now fighting as a top bantamweight in the UFC, has been living his dream. As one of the most exciting, charismatic fighters today, with a loyal following in the MMA community, Urijah is well known for his inventive fight style, cutting-edge approach to fitness, and California swag. In The Laws of the Ring, Urijah relates the full story of how he has made a career out of a highly demanding sport. Even outside the ring, his passion for fighting has motivated him to do so much more—to open his own fitness center, create a sports clothing line, lead a fight team, and recently to coach up-and-coming fighters in the television show The Ultimate Fighter. But even the California Kid couldn't do it all without constant hard work, healthy habits, and a whole lot of positive thinking. With his thirty-six Laws of Power, Urijah shares the life lessons he's learned along his unconventional path, drawing from personal experience to give readers a sense of life inside the ring—and show how to take those lessons into their own worlds. Part manifesto for success, personal journey, and meditation on a well-lived life, The Laws of the Ring is filled with funny, provocative, and inspirational stories for a colorful glimpse into the rise of a young superstar, and the philosophy behind his accomplishments. With clear-eyed perspective and down-to-earth advice, Urijah zeroes in on getting the life you want—and living it to the fullest. Please note that due to the large file size of these special features this enhanced e-book may take longer to download than a standard e-book.

Wrestling Price Guide Mixed Martial Arts Edition Martin Burris,Wrestling Price Guides,2019-12-24 MMA or Mixed Martial Arts is the hybrid contact sport that combines the best set of techniques from Muay Thai, karate, jujitsu, judo, wrestling, and boxing - just to name a few of the disciplines. Initially, MMA was considered to be a brutal blood sport because of its critics, but it slowly transitioned into a no-holds-barred competition, and it has maintained this persona to date. Nowadays, it has managed to move past 'the fastest-growing spectator sport' title into an internationally recognized and prosperous source of entertainment. You'll find MMA events being sanctioned in so many countries all over the world, along with all 50 states of the US. Action figures aren't only for kids now. Popular shows like 'The Toys that Made Us' illustrated the effect these collectibles have on cultures and people in recent times. This is why it is difficult to deny the fact that adults may drool over MMA action figures just as children would. Now we aren't saying every MMA toy has achieved the status of a collector's item. We're trying to tell you that the ultimate collector's items are those that have managed to become somewhat of a modern

cult phenomenon. So much so that there are already multiple fan groups across a wide array of international markets for these collectibles. To be entirely honest with you, toys like Star Wars and G.I. Joe action figures have near-official collectible's lists, but what about UFC devotees and sports fans? Well, we have the brilliant option of selecting fighters whose popularity hasn't really waned with time. With your choice of unique action figures, you can immerse yourself in the world of mixed martial arts - whether traditional or contemporary. If you read on further, you will find some newer action figures of modern fighters alongside those that will always be remembered as legends in the UFC Hall of Fame. Still, a lot of people are going to find these action figures silly because they aren't everyone's cup of tea. Those of you who enjoy expressing their appreciation for this brilliant sport, however, will understand that these figurines are nothing short of true happiness. What some people may see as lumps of plastic are actually sources of joy and nostalgia for the millions of UFC fans out there. All of these people would agree that each of these items qualifies as a great trade off for all the memories that were made on the mats and the octagon.

Worth Forgiving Vi Keeland, 2019-12-17 They say men like a lady in the living room and a whore in the bedroom. I never knew the sentiment was reciprocal. Until I met Jax Knight. A gentleman in public, a commanding, dirty talking rogue in the bedroom. Daughter of legendary fighter The Saint, Lily St. Claire knows firsthand how fighters can be. As the owner of a chain of MMA gyms, she's no stranger to aggressive, dominating, and possessive men. That's why she's always kept her distance. But the day Jax Knight walks through her door she's captivated by

his charm. Stunningly handsome, well mannered, Ivy League educated, and confident, he shatters all the preconceived notions she'd come to think were true about men who trained to fight. But falling for someone so soon after her breakup wasn't something she'd planned on. And definitely not something her ex plans to allow.
