It's Time! Bruce Buffer,2013-05-14 If you're reading these words, chances are that you, like me, are a fan of the great sport we call MMA. And if you're a fan, then you probably recognize my face. Yeah, that's right—I'm that guy you see at every UFC match, spinning around and roaring into the microphone and getting up in fighters' grills. Okay, so I might not be the most subtle or refined announcer in the business. But I hope I communicate my passion for the sport in a way no other announcer does. I'll say it again: Passion. Because that's what this book is about. In these pages, I want to tell you about the passion that first led me to bet everything on this sport of ours, way back when MMA was outlawed in half the country and there wasn't a dime to be made on it. I want to tell you how that passion all started, with my larger-than-life father, a former Marine Drill Sergeant who, by the time I was ten, had taught me to play poker and blackjack, field-strip a Luger pistol blindfolded, and recite poetry. He was a man who thought nothing of confronting a group of thugs armed with nothing but his fists—and who expected the same strength and honor from his sons. I want to take you inside the incredible brotherhood that makes up the UFC as nobody ever has before, to tell you about the bond we all share and the crazy times I've had over the years with guys like Randy Couture, Tito Ortiz, Chuck Liddell, BJ Penn, and Jon "Bones" Jones. I want to give you my Octagon-side insights on many of the big fights you remember, and just maybe, to tell you about a few memorable fights that took place outside of the octagon, too—from my own sparring match with a youngster named Royce Gracie back before the phrase "Mixed Martial Arts" even existed, to some other brawls you might've heard about. And I want to tell you about the remarkable, late-life meeting with the celebrity brother I never knew I had—a brother whose existence my parents had never once breathed a word about!—that helped inspire me to chase my own dreams of standing up in the Octagon. Surprising stuff from the guy in the fancy tux, right? And that's just the start. There's a lot you don't know about me yet. And now... IT'S TIME! I told you.

Mixed Martial Arts and the Law Jason J. Cruz,2020-01-03 Barbaric. Savage. Violent. Words often used by critics to describe the sport of mixed martial arts. To this can be added lucrative, popular and flourishing. MMA has seen astronomical growth since the 2000s, spurred on by its biggest promotion, the Ultimate Fighting Championships (UFC). Along the way, legal issues have plagued the sport. This book provides an overview of the most important cases and controversies arising both inside and outside of the cage--antitrust suits by fighters against promoters, fighters suing other fighters, drug testing, contractual issues, and the need for federal regulation.

The MMA Encyclopedia Jonathan Snowden,Kendall Shields,2010-11 ' Did you see the big fight this weekend' The question used to be about boxing matches, when the giants of the fight world were Mike Tyson and Roy Jones. Now fans are leaving the sweet science in droves for the combat sport of the future: mixed martial arts (MMA). MMA has drawn millions on cable and network television, as well as out-performed professional wrestling and boxing on pay-per-view. Fans are attracted to the sport, but unlike boxing (where strategy and technique are limited to using both your left and right hands), an MMA fight can be surprisingly complicated. The MMA Encyclopedia puts the fighters, the facts, and the fundamentals of the world's fastest growing sport at your fingertips as the definitive reference guide to mixed martial arts. The encyclopedia will break the MMA language barrier for those who don't know a wristlock from a wristwatch, while at the same time offering perspective and analysis that will entertain the hardcore fan who already has the basics down pat. With three appendices that detail the results of every MMA fight in history, this the ultimate reference book for the ultimate sport.

Dying to Live Michael Stanley,2022-08-13 A Bushman is discovered dead near the Central Kalahari Game Reserve in Africa. Although the man looks old enough to have died of natural causes, the police suspect foul play, and the body is sent to Gaborone for an autopsy. Pathologist Ian MacGregor confirms the cause of death as a broken neck, but is greatly puzzled by the man's physiology. Although he's obviously very old, his internal organs look remarkably young. He calls in Assistant Superintendent David "Kubu" Bengu. When the Bushman's corpse is stolen from the morgue, suddenly the case takes on a new dimension.

In *Quitters Never Win*, Michael Bisping—Britain’s own Rocky Balboa—tells his life story from childhood as a British Army brat to a legendary mixed martial arts career and induction into the UFC Hall of Fame. The ultimate UFC underdog, Bisping fought his way to Number One contender three times, only to be knocked back each time. But he refused to give in, clawing his way to his first World Title shot at the age of thirty-seven—and becoming the first ever British UFC world champion. Bisping offers fresh insights about his fighting career, never-before-told stories about his film and TV career, and a harrowing account of his fighting off attempted kidnappers while filming in South Africa. Loaded with the humor and brutal honesty that first won him a following on the television show *Ultimate Fighter 3*, Bisping recounts his record setting thirteen-year fight career battling the likes of Anderson Silva, Georges St-Pierre, and Dan Henderson.

Inside the Cage Jim Whiting,2009-07 Fans are in for the match of a lifetime when two of the best fighters enter the ring. Relive some of the best matches in the history of MMA.

This Is Gonna Hurt Tito Ortiz,2008-05-06 He's the ultimate showman in the world's greatest spectator sport -- a controversial, charismatic figure who has dominated Ultimate Fighting for more than ten years as one of its most exciting and skillful stars. But for Tito Ortiz, life very nearly took a different path. Growing up in Huntington Beach, California, Ortiz spent part of his childhood living in motels and in the backs of other people's houses, as his heroin-addicted parents were forced to leave one apartment after another. By the time he was in sixth grade, he had dabbled in almost every drug available, and his early youth involved time in juvenile detention centers, a string of petty crimes, and a stint in a local gang. Then, in high school, Tito discovered wrestling -- the perfect match for this tough, streetwise, ambitious kid. Tito made his mixed martial arts debut at UFC 13 in 1997, winning his first fight in twenty-two seconds. In 2000, he was chosen as a light heavyweight contender in UFC 25 and took the belt, successfully defending it five times in the following three years. Tito Ortiz pulls no punches as he recounts his journey from Huntington Beach Bad Boy to UFC superstardom -- his difficult upbringing, his first marriage and struggles with fidelity, his battles with the UFC, his career highs and lows, and his current happy relationship with former porn star Jenna Jameson. An inspirational story of beating the odds, and an incredible glimpse into just what it takes to win in the world's most brutal arena, *This Is Gonna Hurt* is raw, frank, funny, and as fearless as its subject.

To Live or to Perish Forever Nicholas Schmidle,2010-03-02 A gritty, lively, and revelatory look inside the crucial and volatile nation of Pakistan In *To Live or to Perish Forever*, Nicholas Schmidle takes readers to Pakistan's rioting streets, to Taliban camps in the North-West Frontier Province, and on many surprising adventures as he provides a contemporary history of this country long riven by internal conflict. With the intimacy and good humor available only to the most fearless and open-eyed reporters, Schmidle narrates what was arguably the most turbulent period of Pakistan's recent history, a time when President Pervez Musharraf lost his power and the Taliban found theirs, and when Americans began to realize that Pakistan's fate is inextricably linked with our own. In February 2006 Schmidle had traveled to Pakistan hoping to learn about the place dubbed the most dangerous country in the world. It was while there that he befriended a radical cleric (who became an enemy of the state and was killed), came to crave the smell of tear gas (because it assured him that he was sufficiently close to the action), and in the end, was deported by the Pakistani authorities, managed to get back into the country, and was chased out a second time.

Rise Paige VanZant,2018-04-10 AN INSPIRING MEMOIR FOR ANYONE WHO'S BEEN KNOCKED DOWN AND CAME UP SWINGING Paige VanZant is a rising Mixed Martial Arts star in the UFC's women's strawweight division and holds a reputation for her ability to defeat obstacles and brutal fights in and out of the octagon. But long before she was a world-class fighter and winning over fans with her unlikely strength, Paige battled her own private demons. *Rise* is the story of her fight to become a bone-breaking competitor. It is the deeply moving and soul-inspiring journey of a warrior who transformed her pain into power and became one of the toughest women in the world.

Uncaged Frank Shamrock,Charles Fleming,Mickey Rourke,2012-10-01 Frank Shamrock may be the toughest man alive. The veteran cage fighter—his “extreme fighting” style involves aspects of boxing, kickboxing, wrestling, karate, Brazilian jujitsu, and even Southeast Asian Muay Thai—is the only person to win a title in all three major North American fight promotions. As Ultimate Fighting Champion he was widely regarded as the best pound-for-pound fighter in the world. But Shamrock has led a life of profound, even Dickensian, difficulty. Born Frank Alicio Juarez III, he suffered through a childhood of abuse, neglect, and molestation before sliding into juvenile delinquency and petty crime. After finding some refuge in the penal system, he was eventually taken in by Bob Shamrock, a Northern California man who had fostered hundreds of lost boys—among them Frank's adoptive older brother, Ken, also a champion MMA fighter. An early marriage followed, and an unplanned pregnancy. When Frank couldn't afford to support his family, he turned to burglary and wound up in state prison—a fact he has never, until now, discussed publicly. But when he was released, Frank joined Ken in training as a cage fighter. For the next two decades he dominated the entire sport. This riveting book tells his whole story. Shamrock gives vivid accounts of his fights, both in and out of the ring. He explains his losses and discloses what enabled him to become a champion. He credits the fighters who taught and inspired him and points out the weaknesses of many who didn't. He details his beef with the UFC and the reasons behind his retirement. He tells all about the violence,

the injuries, the booze—and how he overcame them all to become a champion in every sense of the word.
