**Pam Farrel, Doreen Hanna**

*Princess Mary* Elisabeth Basford, 2021-02-05 Princess Diana is seen as the first member of the British royal family to tear up the rulebook, and the Duchess of Cambridge is modernising the monarchy in strides. But before them was another who paved the way. Princess Mary was born in 1897. Despite her Victorian beginnings, she strove to make a princess's life meaningful, using her position to help those less fortunate and defying gender conventions in the process. As the only daughter of King George V and Queen Mary, she would live to see not only two of her brothers ascend the throne but also her niece Queen Elizabeth II. She was one of the hardest-working members of the royal family, known for her no-nonsense approach and her determination in the face of adversity. During the First World War she came into her own, launching an appeal to furnish every British troop and sailor with a Christmas gift, and training as a nurse at Great Ormond Street Hospital. From her dedication to the war effort, to her role as the family peacemaker during the Abdication Crisis, Mary was the princess who redefined the title for the modern age. In the first biography in decades, Elisabeth Basford offers a fresh appraisal of Mary's full and fascinating life.

**The Modern Princess** Early L. Jackson Jr., 2014-01-31 What do Belle, Dorothy, and Snow White all have in common? They have issues with the men in their lives. Interestingly enough, we've been spoon fed these tales of relational dysfunction since the crib, so no wonder half of all marriages suffer the fate of divorce. Often it is the expectations we learn as children that dictate the outcomes of adult life. If we are to grow and develop into mature, functional relationships it will take revisiting the lessons of the past to create a better tomorrow. In this farcical yet relevant work, Life Coach Early Jackson approaches the cycle of bad relationships from a fairy tale vantage. Women learn there is not a new problem that men present. In fact, these issues are as old as the stories we heard

as children. You'll learn from the 'Real Housewives of Fantasy' what it takes to live "Happily ever after".

**A Thoroughly Modern Princess** Wendy Markham, 2014-07-22 From Wendy Markham, author of HELLO, IT'S ME, soon to be a Hallmark movie. Love Can Be A Royal Pain! A most impetuous princess, Her Highness, Emmaline of Verdunia, would have wed her suitable prince and been done with it—if she hadn't been swept off her feet by Granger Lockwood IV, America's Sexiest Single Man. Their one brief dalliance was indeed magical—but now her wedding gown is feeling a bit tight in the waist. So Emmaline flees, hurtling across the Atlantic in the private jet of the surprised playboy who ruined her life . . . or, quite possibly, set her free. Now everyone is looking for Emmaline, from the press and paparazzi to her irate royal family and furious fiancé. And Granger, after pulling off the decade's most daring rescue, now has a pampered princess on his hands who's gone from pomp and circumstance to Big Macs and daytime soaps. Worse still, he's actually falling for this delightfully infuriating blue blood—and he's the last man on Earth she could ever marry!

The Princess Pose Aven Ellis,2019-08-29 A modern princess. A charming commoner. Can they hurdle tradition to find true love? Princess Elizabeth Liz of York isn't interested in a fairy tale life. Determined to use her elite platform to champion children's causes, she'd much rather raise awareness than find her prince. If only she could stop picturing one certain gardener with vivid hazel eyes... When the relentless paparazzi invade her space, Liz's crush comes to her rescue and steals her heart. Tossing aside centuries of tradition for something real, she takes Roman's calloused hand and braces for the backlash. But after her progressive approach ruffles, more than a few feathers, one member of the monarchy vows to keep the princess locked in her stylish but decidedly ivory tower. Can Liz break through her birthright to find a powerful kind of love? *The Princess Pose* is the second standalone book in the charming *Modern Royals* romantic comedy series. *Imperfect Princess* Sonya Jesus,2020-06-13 It started with fire. Not the kind that burns inside you and melts your heart into a mess of happy feelings. A real one. One that rips through wood and disintegrates brick and bone, leaving ashes and orphans in its wake. Death would have saved me from a rocky family life. There would be no cigarette burns on the soles of my feet, no vicious words engraved in my mind, and no Kai Madison. The friend who saw past the scars and offered me pennies for my secrets. The guy who stole my heart with a single kiss in the middle of a rose garden on a snowy winter. Nothing would have been easier to leave behind-to vanish from-but for the past

four years, I've been isolated from the world, living in a hospital room and helping the Feds build a case against my foster-dad. Now I'm free and willing to risk my life to see him again. There's only one problem. I'm no longer imperfect. I have the same heart, but a different face. From Bestselling author Sonya Jesus comes a new STANDALONE, friends to lovers college romance about a scarred girl next door and the bully who loves her. A modern retelling inspired by The Snow Queen. □□□□ WOW! One of the most emotional books I have ever read. The beginning clutched my heart and hooked me. Gripping, deeply emotional, contemporary dark romance full of angsty teen love, bullies, and a dangerous crime lord. I couldn't put this book down. Gigi's Book Blog
