There Is No Good Card for This Kelsey Crowe,Emily McDowell,2017-01-17 The creator of the viral hit Empathy Cards teams up with a compassion expert to produce a visually stunning and groundbreaking illustrated guide to help you increase your emotional intelligence and learn how to offer comfort and support when someone you know is in pain. When someone you know is hurting, you want to let her know that you care. But many people don't know what words to use—or are afraid of saying or doing the wrong thing. This thoughtful, instructive guide, from empathy expert Dr. Kelsey Crowe and greeting card maverick Emily McDowell, blends well-researched, actionable advice with the no-nonsense humor and the signature illustration style of McDowell's immensely popular Empathy Cards, to help you feel confident in connecting with anyone experiencing grief, loss, illness, or any other difficult situation. Written in a how-to, relatable, we've-all-been-that-deer-in-the-headlights kind of way, There Is No Good Card for This isn't a spiritual treatise on how to make you a better person or a scientific argument about why compassion matters. It is a helpful illustrated guide to effective compassion that takes you, step by step by step, past the paralysis of thinking about someone in a difficult time to actually doing something (or nothing) with good judgment instead of fear. There Is No Good Card for This features workbook exercises, sample dialogs, and real-life examples from Dr. Crowe's research, including her popular Empathy Bootcamps that give people tools for building relationships when it really counts. Whether it's a coworker whose mother has died, a neighbor whose husband has been in a car accident, or a friend who is seriously ill, There Is No Good Card for This teaches you how to be the best friend you can be to someone in need.

Happy Mother's Day Ali Parnian,2019-05-04 The Mother's Day Forever Greeting Card(TM) is the perfect BookCard(TM) for that special mother in your life, and not just for this Mother's Day but all Mother's Days through the end of this century. You see, purchasing one BookCard(TM) can be used again and again because there is a page for you to add a new Mother's Day message each year through the year 2100. You can keep years of Mother's Day messages of love, gratitude and appreciation in one place to cherish for years and that is just the beginning. The author of this book learned the hard way that not taking the time to purchase a greeting card for his wife on Mother's Day resulted in a much more costly gesture in order to make amends for his oversight. This would never have been an issue for him had he purchased a Forever Greeting Card(TM). Other benefits of purchasing a Forever Greeting Card(TM) for Mother's Day include: -SAVE MONEY: Over the course of 50 years you would spend \$250 if you bought 50 cards that cost \$5 each.-SAVE TIME: You can get a Forever Greeting Card(TM) delivered to most places within a few days.-STAY RELEVANT: People typically don't throw books away so your ForeverGreetingCard(TM) will likely end up on a bookshelf or coffee table.-ENVIRONMENTALLY FRIENDLY - Forever Greeting Cards(TM) are environmentally friendly. Cards purchased for Mother's Day over the course of 50 years produce much more paper waste and leave a larger carbon footprint due to driving to and from stores than having one book delivered to your door that can be used for years and recycled.-GET CREATIVE - Adults and kids enjoy drawing and making creative images on these cards.-SEE TRENDS - Recipients can see trends over time in how your love for them has grown, diminished or changed over the years.
