Joel Hirschhorn

Movie Ratings and the Independent Producer United States. Congress. House. Committee on Small Business. Subcommittee on Special Small Business Problems, 1977

Has Hollywood Lost Its Mind? Chris Hicks, 2013-05-01 The wire-thin line that separates movies rated PG and R has been crossed over so many times in both directions that industry observers are questioning whether the rating system carries any validity at all. As a movie reviewer for more than thirty years and as a watchful, caretaker parent, author Chris Hicks learned pretty quickly that Hollywood movers and shakers like to “push the envelope,” as they put it, and it doesn’t seem to matter whether it’s a children’s film or an adult movie. It’s not just R-rated movies that are troubling. PG-13s and even PGs can also be problematic. And sometimes worse than problematic. Simply put, relying on the Motion Picture Association of America to make choices for you or your children is a mistake. Breaking down the history of the film rating system and exploring today’s ratings confusion and quagmire, Hicks provides valuable information to help parents know how to interpret and what to expect from today’s movies.

Freedom and Entertainment Stephen Vaughn, 2006 This is a story that Jack Valenti has long tried to keep secret. *Freedom and Entertainment* is the first book to offer a behind-the-scenes account of the motion picture rating system and the Motion Picture Association of America under Valenti's leadership. The book is based on the private papers and oral history of Richard D. Heffner, who headed the Classification and Rating Administration for two decades, from 1974 to 1994, and who was once called 'the least-known most powerful person in Hollywood.' The story chronicles the often tense working relationship between Heffner and Valenti, and the sometimes bruising encounters Heffner had with such Hollywood heavyweights as Clint Eastwood, Oliver Stone, Michael Douglas, George C. Scott, Lew Wasserman, Arthur Krim, Jerry Weintraub, and many others.

Predicting movie ratings and recommender systems

Arkadiusz Paterek,2012-06-19 A 195-page monograph by a top-1% Netflix Prize contestant. Learn about the famous machine learning competition. Improve your machine learning skills. Learn how to build recommender systems. What's inside:introduction to predictive modeling,a comprehensive summary of the Netflix Prize, the most known machine learning competition, with a \$1M prize,detailed description of a top-50 Netflix Prize solution predicting movie ratings,summmary of the most important methods published - RMSE's from different papers listed and grouped in one place,detailed analysis of matrix factorizations / regularized SVD,how to interpret the factorization results - new, most informative movie genres,how to adapt the algorithms developed for the Netflix Prize to calculate good quality personalized recommendations,dealing with the cold-start: simple content-based augmentation,description of two rating-based recommender systems,commentary on everything: novel and unique insights, know-how from over 9 years of practicing and analysing predictive modeling.

A History of Movie Ratings Chris Hicks,2013-07-23 The wire-thin line that separates movies rated PG and R has been crossed over so many times in both directions that industry observers are questioning whether the rating system carries any validity at all. Just where did this system come from? And who's been trusted with dishing out the ratings anyway? As a movie reviewer for more than thirty years, author Chris Hicks knows a thing or two about Hollywood. His masterful synopsis of CARA, the MPAA, and the mess we're in today will make you think twice before you take a film rating at face value.

A History of Movie Ratings Chris Hicks,2013-07-23 The wire-

thin line that separates movies rated PG and R has been crossed over so many times in both directions that industry observers are questioning whether the rating system carries any validity at all. Just where did this system come from? And who's been trusted with dishing out the ratings anyway? As a movie reviewer for more than thirty years, author Chris Hicks knows a thing or two about Hollywood. His masterful synopsis of CARA, the MPAA, and the mess we're in today will make you think twice before you take a film rating at face value.

The Movie Rating Game Stephen Farber, 1972 A rebellious teen-ager goes back in time to Liverpool during World War II and views her own mother's adolescence and her aunt's tragic romance.

The Naked Truth Kevin Sandler, 2007-08-22 From parents and teachers to politicians and policymakers, there is a din of voices participating in the debate over how young people are affected by violence, strong language, and explicit sexual activity in films. The Motion Picture Association of America (MPAA) responded to this concern in 1968 when it introduced a classification and rating system based on the now well-known labels: "G", "PG", "PG-13", "R", and "X". For some, these simple tags are an efficient way to protect children from viewing undesirable content. But do the MPAA ratings actually protect children? In *The Naked Truth*, Kevin S. Sandler argues that the rating system does not protect children but instead protects the Hollywood film industry. One prime indicator of this is the collective abandonment of the NC-17 rating in 1990 by the major distributors of the MPAA and the main exhibitors of the National Association of Theatre Owners. By categorizing all films released by Hollywood and destined for mainstream theaters into R ratings (or lower), the industry ensures that its products are perceived as "responsible entertainment" to all audiences and "incontestable" to politicians and moral reformers. By embracing a no-NC-17 rule, the industry collapses mature subject matter with pornography,

creating a national cinema where certain representations of sex and nudity are taboo.

Rating the Movie Stars for Home Video, TV, Cable Joel Hirschhorn, 1983

Movie Ratings Brian Hansen, Congressional Quarterly, inc, 2003

Policing Cinema Lee Grieveson, 2004-05-24 White slave films, dramas documenting sex scandals, filmed prize fights featuring the controversial African-American boxer Jack Johnson, D.W. Griffith's *The Birth of a Nation*—all became objects of public concern after 1906, when the proliferation of nickelodeons brought moving pictures to a broad mass public. Lee Grieveson draws on extensive original research to examine the controversies over these films and over cinema more generally. He situates these contestations in the context of regulatory concerns about populations and governance in an early-twentieth-century America grappling with the powerful forces of modernity, in particular, immigration, class formation and conflict, and changing gender roles. Tracing the discourses and practices of cultural and political elites and the responses of the nascent film industry, Grieveson reveals how these interactions had profound effects on the shaping of film content, form, and, more fundamentally, the proposed social function of cinema: how cinema should function in society, the uses to which it might be put, and thus what it could or would be. *Policing Cinema* develops new perspectives for the understanding of censorship and regulation and the complex relations between governance and culture. In this work, Grieveson offers a compelling analysis of the forces that shaped American cinema and its role in society.

The Negro Motorist Green Book Victor H. Green, The idea of The Green Book is to give the Motorist and Tourist a Guide not only of the Hotels and Tourist Homes in all of the large cities, but other classifications that will be found useful wherever he may be. Also facts and information that the Negro Motorist can use and depend upon. There are thousands of places that the public doesn't know about and aren't listed. Perhaps you know of some? If so send in their names and addresses and the kind of business, so that we might pass it along to the rest of your fellow Motorists. You will find it handy on your travels, whether at home or in some other state, and is up to date. Each year we are compiling new lists as some of these places move, or go out of business and new business places are started giving added employment to members of our race.

This Book Is Not Yet Rated Peter Bognanni,2019-04-09 In this enormously funny, smart, and moving contemporary YA novel, fighting for the thing you love doesn't always turn out like in the movies. Hilarious, big-hearted, poignant...An unadulterated triumph. --Jeff Zentner, author of *The Serpent King* Movies have always helped Ethan Ashby make sense of the world. So when developers swoop in and say the classic Green Street Cinema is going to be destroyed to make room for luxury condos, Ethan is ready for battle. And so a motley crew of cinema employees comes together to save the place they love: There's Sweet Lou, the elderly organist with a penchant for not-so-sweet language; Anjo, the too-cool projectionist; Griffin and Lucas who work concessions, if they work at all; and Ethan, their manager (who can barely manage his own life). Still, it's going to take a movie miracle for the Green Street to have a happy ending. And when Raina Allen, Ethan's oldest friend (and possible soul mate?), comes back to town after working in Hollywood--cue lights and music--it seems that miracle may have been delivered. But life and love aren't always like in the movies. *This Book Is Not Yet*

Rated is about growing up, letting go, and realizing love hides in plain view--in the places that shape us, the people who raise us, the first loves who leave us, and the lives that fade in and fade out all around us. A beautifully written look at first love and first loss. --Julie Buxbaum, author of What to Say Next Film aficionados and fans of John Green will especially like this one. --Booklist, starred review It pulls you in, holds you...A funny and moving winner. --Adi Alsaid, author of Never Always Sometimes I cannot get over how much I love this book. --Jared Reck, author of A Short History of the Girl Next Door [A] sweet love story with a quest at its heart. --PW Reel[s] you in...Absorbing...quirky and fun. --VOYA

Rating the Movies Jay A. Brown, 1991

Movie Watching Journal Zoe Swan, 2019-12-05 Book viewing journal for those who love to watch movies Watching movies is one of the most rewarding hobbies anyone at any age can have. This movie viewing log is made for those who are frequent film watchers, and who may lose track of what they have and have not seen, or would simply like to record their thoughts and ideas about the films they have seen. This movie log is something many people will keep for their entire lives. The earlier you start recording, the more logs you will finish, and the more you will have to show for it. It also makes a great gift to be passed down through generations, as a great piece of personal, sentimental history. What does this book contain? Cover page with space for owner information and logbook number Space to rate, review and record 200 different films Quick Recap List at the end of the journal which acts as a contents page for your reviews, ensuring you are able to quickly find what you are looking for Lined notes pages at the back of the book to record other relevant information (Such as movie wishlist, sexual information etc) What do the review pages contain? Title Director Length Year Genre and Subject Actors Overall Rating (1-10) Quick Notes / Review Book Features 6 x 9 Inch - Very convenient size 120 pages (100 pages for reviews - 200 movies) Softcover (Paperback) with professional

perfect binding Printed on white paper Awesome cover design
Numbered pages with recap to make your own contents page

After We Fell Anna Todd, 2014-12-30 Soon to be a major motion picture! Book 3 of the After series—newly revised and expanded, Anna Todd's After fanfiction racked up 1 billion reads online and captivated readers across the globe. Experience the internet's most talked-about book for yourself from the writer Cosmopolitan called “the biggest literary phenomenon of her generation.” Tessa and Hardin’s love was complicated before. Now it’s more confusing than ever. AFTER WE FELL...Life will never be the same. #HESSA Just as Tessa makes the biggest decision of her life, everything changes. Revelations about first her family, and then Hardin’s, throw everything they knew before in doubt and makes their hard-won future together more difficult to claim. Tessa’s life begins to come unglued. Nothing is what she thought it was. Not her friends. Not her family. The one person she should be able to rely on, Hardin, is furious when he discovers the massive secret she’s been keeping. And rather than being understanding, he turns to sabotage. Tessa knows Hardin loves her and will do anything to protect her, but there’s a difference between loving someone and being able to have them in your life. This cycle of jealousy, unpredictable anger, and forgiveness is exhausting. She’s never felt so intensely for anyone, so exhilarated by someone’s kiss—but is the irrepressible heat between her and Hardin worth all the drama? Love used to be enough to hold them together. But if Tessa follows her heart now, will it be...the end?

Reviewing **Movie Ratings:** Unlocking the Spellbinding Force of Linguistics

In a fast-paced world fueled by information and interconnectivity, the spellbinding force of linguistics has acquired newfound

prominence. Its capacity to evoke emotions, stimulate contemplation, and stimulate metamorphosis is truly astonishing. Within the pages of "**Movie Ratings**," an enthralling opus penned by a very acclaimed wordsmith, readers set about an immersive expedition to unravel the intricate significance of language and its indelible imprint on our lives. Throughout this assessment, we shall delve in to the book is central motifs, appraise its distinctive narrative style, and gauge its overarching influence on the minds of its readers.
