Venturing far from the safety of the Realm, their search takes them deep into the Wilds—a hostile land of faeries, monsters, and untamed magic. A chance encounter with the wily and inscrutable shapeshifter Oko seems somehow connected, but memory of the Fey trickster flits away with a wink. The Rumi Prescription Melody Moezzi,2020-03-03 A powerful personal journey to find meaning and life lessons in the words of a wildly popular 13th century poet. Rumi's inspiring and deceptively simple poems have been called ecstatic, mystical, and devotional. To writer and activist Melody Moezzi, they became a lifeline. In *The Rumi Prescription*, we follow her path of discovery as she translates Rumi's works for herself – to gain wisdom and insight in the face of a creative and spiritual roadblock. With the help of her father, who is a lifelong fan of Rumi's poetry, she immerses herself in this rich body of work, and discovers a 13th-century prescription for modern life. Addressing isolation, distraction, depression, fear, and other everyday challenges we face, the book offers a roadmap for living with intention and ease, and embracing love at every turn—despite our deeply divided and chaotic times. Most of all, it presents a vivid reminder that we already have the answers we seek, if we can just slow down to honor them. You went out in search of gold far and wide, but all along you were gold on the inside. Become the sky and the clouds that create the rain, not the gutter that carries it to the drain. You already own all the sustenance you seek. If only you'd wake up and take a peek. Quit being a drop. Make yourself an ocean.

Magic James Hsu,2016-05-03 What does it mean to be competitive, and to put all of yourself into a competitive activity? I have played Magic: The Gathering for twenty years. I have traveled around the world to play all over North America, Europe, and China. I have had lots of fun, and made incredible friends, along the way. But I have also experienced feelings of anguish, frustrations, and self-doubt. Many years later, I have come to be at peace with myself. I have developed a framework for controlling my emotions in the heat of competition. I wrote my story so that it can be shared with you. Playing Magic is not a requirement for enjoying this book. Struggle is universal, and can apply to any activity you are passionate about. I welcome you to take the journey with me, and learn more about yourself in the process. Praise for Magic: The Gathering Reading this book took me back through my own journey as a Magic player. The experiences detailed here spoke to me and I finished the book in a single reading. I would recommend this book to Magic players and non-Magic players alike, as the author paints a compelling picture regardless of your familiarity with the source material. It's a tale of just how fully this game can grab you, and what that can lead to – from the positives of building relationships and finding a challenging mental pursuit to the dark side of obsession. –Luis Scott-Vargas, Professional Magic Player, Hall of Famer and 7-time Pro Tour Top 8 Finalist More than any author before him, James perfectly captures the very essence of what it means to suffer from the competitive drive. His brutally honest and highly entertaining reflections on two decades of worldwide gaming have been an eye-opening journey of discovery for me. –Julian Knab, Magic Player and 2013 Bazaar of Moxen Paris Winner James tells a clear and captivating story that resonated a lot with me given my upbringing as an Asian-American Magic player. –Jarvis Yu, Magic Player, 2015 Grand Prix Seattle Winner and 9-time Pro Tour Qualifier James's take on what drives Magic players to compete is vital and fresh in a media climate that either takes it for granted or portrays it as completely insane. –Chris Morris-Lent, Author, *A Brief History of Magic Cards*

Totally Unauthorized Guide to Magic the Gathering Card Game Joseph G. Bell,1996 This guide focuses on the most frequently asked questions, such as the timing of the cards, which cards take precedence and how to resolve the situations.

Jonny Magic and the Card Shark Kids David Kushner,2005-08-16 If you think a gang of real-life geeks can't take on the world and win big . . . think again. And whatever you do, don't sit down across a gaming table from Jon Finkel, better known as Jonny Magic. Jonny Magic and the Card Shark Kids is his amazing true story: the jaw-dropping, zero-to-hero chronicle of a fat, friendless boy from New Jersey who found his edge in a game of cards—and turned it into a fortune. The ultimate bully-magnet, Finkel grew up heckled and hazed until destiny came in the form of a trading-card game called Magic: The Gathering. Magic exploded from nerdy obsession to mainstream mania and made the teenage Finkel an ultracool world champion. Once transformed, this young shark stormed poker rooms from the underground clubs of New York City to the high-stakes tables online, until he landed on the largest card-counting blackjack team in the country. Taking Vegas for millions, Finkel's squad of brainy gamers became the biggest players in town. Then they took on the town's biggest game, the World Series of Poker, and walked away with more than \$3.5 million. Thrilling, edgy, and ferociously feel-good, the odyssey of these underdogs-turned-overlords is the stuff of pop-culture legend. And David Kushner, acclaimed author of *Masters of Doom*, masterfully deals out the outrageous details while bringing to life a cast of characters rife with aces, kings, knaves . . . and more than a few jokers. If you secretly believe every player has his day, you're right. Here's the proof.

War of the Spark: Forsaken (Magic: The Gathering) Greg Weisman,2019-11-12 Return to the multiverse of Magic: The Gathering as the hunt for Liliana Vess is on in the aftermath of the War of the Spark. The Planeswalkers have defeated Nicol Bolas and saved the Multiverse—though at grave cost. The living have been left to pick up the

pieces and mourn the dead. But one loss is almost too great to bear: Gideon Jura, champion of justice and shield of the Gatewatch, is gone. As his former comrades Jace and Chandra struggle to rebuild from this tragedy, their future, like the future of the Gatewatch, remains uncertain. As the Gatewatch's newest member, Kaya aims to help write that future. In joining, she pledged an oath to protect the living and the dead, but now that oath will be tested. The grieving guild masters of Ravnica have tasked her with a grave mission suited to her talents as a hunter and assassin—a mission she is ordered to keep secret from the Gatewatch. She must track down and exact retribution on the traitor Liliana Vess. But Liliana Vess has no interest in being found. Forsaken by her friends, she fled Ravnica after the defeat of Bolas. She was hostage to his wicked will, forced to assist in his terrible atrocities on pain of death—until Gideon, the last one who believed in her goodness, died in her place. Haunted by Gideon's final gift, and hunted by former allies, Liliana now returns to a place she'd thought she'd never see again, the only place she has left: home.

Among those who stand in the way of Bolas's terrifying machinations are the Gatewatch, Planeswalkers sworn to defeat evil, no matter where it's found. But as they work to unite the other mages and mount a defense of the city and its people, the terrifying truth of Bolas's plan becomes clear. The Elder Dragon has prepared a trap to ensnare the most powerful mages from across the Multiverse—and it's too late to escape. As forces great and small converge on the city and the battle rages, the stakes could not be higher.
