People Called Mumbai ,2015-04-01 What makes Mumbai MUMBAI is its people. With a diverse population influx each minute, every person here is a story by themselves. Bombay Stories Saadat Hasan Manto,2014-03-25 A collection of classic, yet shockingly contemporary, short stories set in the vibrant world of mid-century Bombay, from one of India's greatest writers. Arriving in 1930s Bombay, Saadat Hasan Manto discovered a city like no other. A metropolis for all, and an exhilarating hub of license and liberty, bursting with both creative energy and helpless despondency. A journalist, screenwriter, and editor, Manto is best known as a master of the short story, and Bombay was his lifelong muse. Vividly bringing to life the city's seedy underbelly—the prostitutes, pimps, and gangsters that filled its streets—as well as the aspiring writers and actors who arrived looking for fame, here are

all of Manto's Bombay-based stories, together in English for the very first time. By turns humorous and fantastical, Manto's tales are the provocative and unflinching lives of those forgotten by humanity.

Mumbai Fables Gyan Prakash, 2010-09-20 A sweeping cultural history of India's largest city A place of spectacle and ruin, Mumbai exemplifies the cosmopolitan metropolis. It is not just a big city but also a soaring vision of modern urban life. Millions from India and beyond, of different ethnicities, languages, and religions, have washed up on its shores, bringing with them their desires and ambitions. *Mumbai Fables* explores the mythic inner life of this legendary city as seen by its inhabitants, journalists, planners, writers, artists, filmmakers, and political activists. In this remarkable cultural history of one of the world's most important urban centers, Gyan Prakash unearths the stories behind its fabulous history, viewing Mumbai through its turning points and kaleidoscopic ideas, comic book heroes, and famous scandals—the history behind Mumbai's stories of opportunity and oppression, of fabulous wealth and grinding poverty, of cosmopolitan desires and nativist energies. Starting from the catastrophic floods and terrorist attacks of recent years, Prakash reaches back to the sixteenth-century Portuguese conquest to reveal the stories behind Mumbai's historic journey. Examining Mumbai's role as a symbol of opportunity and reinvention, he looks at its nineteenth-century development under British rule and its twentieth-century emergence as a fabled city on the sea. Different layers of urban experience come to light as he recounts the narratives of the Nanavati murder trial and the rise and fall of the tabloid *Blitz*, and Mumbai's transformation from the red city of trade unions and communists into the saffron city of Hindu nationalist Shiv Sena. Starry-eyed planners

and elite visionaries, cynical leaders and violent politicians of the street, land sharks and underworld dons jostle with ordinary citizens and poor immigrants as the city copes with the dashed dreams of postcolonial urban life and lurches into the seductions of globalization. Shedding light on the city's past and present, *Mumbai Fables* offers an unparalleled look at this extraordinary metropolis.

The stories are bound to bring the reader a range of emotions and thoughts connecting to the characters' lives. The narratives are also contrasting as can be. No Presents Please Jayant Kaikini, 2020-07-28 For

readers of Jhumpa Lahiri and Rohinton Mistry, as well as Lorrie Moore and George Saunders, here are stories on the pathos and comedy of small-town migrants struggling to build a life in the big city, with the dream world of Bollywood never far away. Jayant Kaikini's gaze takes in the people in the corners of Mumbai—a bus driver who, denied vacation time, steals the bus to travel home; a slum dweller who catches cats and sells them for pharmaceutical testing; a father at his wit's end who takes his mischievous son to a reform institution. In this metropolis, those who seek find epiphanies in dark movie theaters, the jostle of local trains, and even in roadside keychains and lost thermos flasks. Here, in the shade of an unfinished overpass, a factory-worker and her boyfriend browse wedding invitations bearing wealthy couples' affectations—"no presents please"—and look once more at what they own. Translated from the Kannada by Tejaswini Niranjana, these resonant stories, recently awarded the DSC Prize for South Asian Literature, take us to photo framers, flower markets, and Irani cafes, revealing a city trading in fantasies while its strivers, eating once a day and sleeping ten to a room, hold secret ambitions close.

most gifted writers of our time.

Shantaram Gregory David Roberts, 2004-10-13 Based on his own extraordinary life, Gregory David Roberts' *Shantaram* is a mesmerizing novel about a man on the run who becomes entangled within the underworld of contemporary Bombay—the basis for the Apple + TV series starring Charlie Hunnam. "It took me a long time and most of the world to learn what I know about love and fate and the choices we make, but the heart of it came to me in an instant, while I was chained to a wall and being tortured." An escaped convict with a false passport, Lin flees maximum security prison in Australia for the teeming streets of Bombay, where he can disappear. Accompanied by his guide and faithful friend, Prabaker, the two enter the city's hidden society of beggars and gangsters, prostitutes and holy men, soldiers and actors, and Indians and exiles from other countries, who seek in this remarkable place what they cannot find elsewhere. As a hunted man without a home, family, or identity, Lin searches for love and meaning while running a clinic in one of the city's poorest slums, and serving his apprenticeship in the dark arts of the Bombay mafia. The search leads him to war, prison torture, murder, and a series of enigmatic and bloody betrayals. The keys to unlock the mysteries and intrigues that bind Lin are held by two people. The first is Khader Khan: mafia godfather, criminal-philosopher-saint, and mentor to Lin in the underworld of the Golden City. The second is Karla: elusive, dangerous, and beautiful, whose passions are driven by secrets that torment her and yet give her a terrible power. Burning slums and five-star hotels, romantic love and prison agonies, criminal wars and Bollywood films, spiritual gurus and mujaheddin guerrillas—this huge novel has the world of human experience in its reach, and a passionate love for India at

its heart.

Black Friday S Hussain Zaidi, 2014-11-15 On the afternoon of 12 March 1993, a series of explosions cut a swathe of terror and destruction through Bombay. The toll: 257 killed or missing, 713 injured, and a city in a shambles. In *Black Friday*, S. Hussain Zaidi takes us into the heart of the conspiracy which spanned several countries and the massive investigation that ensued. A product of four years of meticulous research, the book gives chilling insights into the criminal mind, through interviews with close associates of Dawood Ibrahim and Tiger Memon, among others. The characters we meet are compelling: the terrorists, the corrupt law enforcement agents who abetted the plot, the investigators who would stop at nothing, and, above all, the people of Bombay of whose resilient spirit this book is a celebration. Riveting and incisive, *Black Friday* reveals the true dimensions of a horrific tragedy which shook the nation.

Coming Back to the City Anuradha Kumar, 2019-10-10 Stories from the great metropolis--home to the young and the old, the rich and the poor, the loved and the unloved. In Parel's Jupiter Mills chawl, one of the few remaining ones in Mumbai, live many long-time residents: Pooja, restless and trapped in an unhappy marriage, finds joy in her flourishing dabba service and attempts at learning English. Pooja's husband Mahesh whose only dream is to zip through the streets in his boss's yellow Mercedes-Benz. Dr Joshi who has hidden away two paintings: one of a murder he witnessed, and the other a striking portrait of Pooja. And Vasudha, a scheming single mother who hopes to give her daughter a better life in this treacherous city. In the parallel Mumbai of high-rises live the affluent few: Suhel, a confirmed bachelor, who finds himself falling in love--first with a portrait and then its subject, Pooja. Ghatge,

Mahesh's boss and an upcoming politician of dubious repute. A young and disturbed journalist Raina Gupta who opens up old wounds when she interviews veteran activist Neera Joshi about the mill-workers' strike of the 1980s and her scandalous affair with its assassinated leader. And Dr Sneha Desai, a successful but lonely radiologist, fighting to restart her sex-education classes for adolescents in a municipal school. In the Mumbai of mills and malls where everything--especially land--is at a premium, the chawl becomes the target of greedy real-estate barons and sleazy politicians, thus bringing together this interconnected cast of characters. As vast and diverse as Mumbai itself, *Coming Back to the City* draws us effortlessly, completely into the lives of the people who animate the maximum city, even as they are consumed by it--people caught in a web of unexpected love, desperate ambition and endless, addictive optimism.

Death in Mumbai Meenal Baghel, 2011-12-12 Three years ago, the brutal killing of a young TV producer called Neeraj Grover sent shockwaves through Mumbai. An alluring aspiring actress, Maria Susairaj, and her dashing naval officer boyfriend, Emile Jerome, were accused of killing him and hacking his body into pieces, before setting it on fire. The cast of characters was young, attractive, and upwardly mobile, the press hungry for a headline. As details of the case unravelled, the questions flew around—what had gone wrong? What made these young professionals turn to violent crime? Was it the savage pressure of the city, or was the motive even darker? This book will shock and inspire a much needed change in perception of celebrity culture and Bollywood. It's about so much more than a contested killing case and will be a talking point for years to come.

Dongri to Dubai - Six Decades of the Mumbai

Mafia Hussain Zaidi, 2012-08-10 Dongri to Dubai is the first ever attempt to chronicle the history of the Mumbai mafia. The narrative encompasses several milestones in the history of crime in India, from the rise of the Pathans, formation of the Dawood gang, the first ever supari, mafia's nefarious role in Bollywood, Dawood's move to Karachi, and Pakistan's subsequent alleged role in sheltering one of the most wanted persons in the world. This story is primarily about how a boy from Dongri became a don in Dubai, and captures his bravado, cunningness, focus, ambition, and lust for power in a gripping narrative. The meticulously researched book provides an in-depth and comprehensive account of the mafia's games of supremacy and internecine warfare.

This is an attempt to tell some of these stories, to understand what being 'at home' really means to those who have been part of the incredible narrative that is Mumbai.
