101 Music Games for Children Ger Storms, Jerry Storms, 1995 Music is wonderful for bringing out creativity and encouraging learning in kids. They love to sing and dance, and they love it when adults sing and dance along with them. Appropriate for families, teachers, day care providers, and camp leaders, this book presents lively music games that children and adults can play together. Using popular songs, easy rhythms, and musical recordings, the games in this book help children develop creative, personal, and social skills. They also learn about music and sound. The games are not competitive, they encourage and reward children for participating, not for winning.
