Haiku from My Journey Martha D. Matteson,2010-02 What in the world is haiku? Haiku is a form of Japanese poetry containing only seventeen syllables in each brief poem (five syllables in line one; seven syllables in line two; and five syllables in line three). Every syllable in a haiku poem is important. Although many haiku poems have references to nature there are no limits to the topics haiku poetry may embrace. CLUTTER Where are my car keys? I cannot find my checkbook! Have you seen my purse? Clutter everywhere Closing in around my neck I don't want to drown! Often haiku poetry reflects matters of faith. Listening for God. Waiting, silent, expecting a theophany. Lord, what do you want? What would you like me to do? I am listening. This book contains more than 550 haiku poems taken from the life experiences of the writer. Enjoy them all at once or savor them one at a time. You are sure to find many which speak to where you are.
