Jacky Bahbout, Cynthia Merhej

My Wonderful World of Fashion Nina Chakrabarti, 2009-09-23 An interactive coloring book for fashionistas of all ages, *My Wonderful World of Fashion* is packed with beautiful and sophisticated illustrations specially created by the leading fashion-illustrator Nina Chakrabarti. The book encourages creativity, with illustrations to color in and designs to finish off, as well as simple ideas for making and doing (how to make a sari, turn a napkin into a headscarf, dye a T-shirt, and so on). Covering clothing, shoes, bags, jewelry, and other accessories, the illustrations span both vintage fashions drawing on beautiful and interesting objects from past ages and contemporary designs from the illustrator's own imagination. 'Did you know...?' features that give brief historical notes encourage children to be inspired by history and by other cultures. A wonderful celebration of fashion, the book will appeal to fashion addicts from 8 years plus.

My Fashion Lookbook Jacky Bahbout, Cynthia Merhej, 2012-10-02 Fresh, spontaneous, and aimed at budding young designers: how to create your own fashion collection Inspired by the hands-on, write-in, look-and-feel idea of a sketchbook, *My Fashion Lookbook* encourages children to think through, write up, and sketch out their own fashion ideas through a series of engaging questions and visual exercises. Here children follow the process of a real fashion designer to create their own collections. This includes finding inspiration; making a mood board; collecting examples; selecting colors and a defining silhouette; experimenting with fabrics, prints, and patterns; assembling a "lookbook" to show off the new creations; and organizing a runway show. Step by step, children sketch, collect, cut, and paste ideas into the book to build the designs for their own unique fashion collections.

IN MY FASHION Bettina Ballard, 2016-04-14 Un livre indispensable pour qui veut comprendre l'histoire de la mode du XX^{ème} siècle. Bettina Ballard ? Une figure, une intelligence, une plume de la mode ! Correspondante de Vogue à Paris avant-guerre puis à la Libération, rédactrice mode à New York dans les années 50, sa carrière et plus largement sa vie sont un long défilé d'artistes, de femmes du monde, de couturiers, de photographes et de mannequins. Vous lirez ici l'arrière-décor des défilés, les portraits ô combien personnels de Schiaparelli, Chanel, Balenciaga, Dior ; vous découvrirez la frivolité et le luxe d'un monde que seule l'Histoire mit entre parenthèses. Ces mémoires n'avaient jamais été traduits en français tandis qu'ils sont depuis longtemps introuvables aux États-Unis. Ils confirment la prédiction qu'une amie perfide fit un jour à Bettina Ballard : Si vous aviez fait de bonnes études, ce qui n'est évidemment pas le cas, vous auriez été un véritable écrivain. *In My Fashion* est un bijou, une photographie sensible, un grand parfum d'époque.

My Even More Wonderful World of Fashion , 2011-10-05 A new interactive colouring book for fashionistas of all ages, *My Even More Wonderful World of Fashion* is packed with more beautiful and sophisticated illustrations specially created by illustrator Nina Chakrabarti. The book encourages creativity, with illustrations to colour in

and designs to finish off, as well as simple ideas for making and doing (how to make a sari, turn a napkin into a headscarf or dye a T-shirt). Covering clothing, shoes, bags, jewelery and other accessories, the illustrations span both vintage fashions drawing on beautiful and interesting objects through the ages and contemporary invented designs from the illustrator's own imagination. 'Did you know...?' features, giving brief historical notes, encourage children to be inspired by history and by the fashions of other cultures. A wonderful celebration of fashion, the book will appeal to fashion addicts from 8 years upwards.

After My Fashion John Cowper Powys,2009-06-04 After My Fashion has an unusual publishing history. Although it was John Cowper Powys' third novel and written in 1920, it wasn't published until 1980. It seems that when his US publisher turned it down Powys made no effort to place it elsewhere. Indeed, when Powys had finished a book he tended to be oddly indifferent to its fate. The novel has two other unusual features: its locations (Sussex and Greenwich Village); and Isadora Duncan being the inspiration for Elise, the dancer and mistress of the protagonist, Richard Storm (based quite largely on Powys himself). As one would expect from Powys the writing is vivid, not least in the descriptions of the Sussex landscape and the bohemian milieu of Greenwich Village.

American Dreamer Tommy Hilfiger,Peter Knobler,2016-11-01 In this tale of grit and glamour, setbacks and comebacks, business and pop culture icon Tommy Hilfiger shares his extraordinary life story for the first time. Few designers have stayed on top of changing trends the way Tommy Hilfiger has. Fewer still have left such an indelible mark on global culture. Since designing his first collection of "classics with a twist" three decades ago, Tommy Hilfiger has been synonymous with all-American style—but his destiny wasn't always so clear. Growing up one of nine children in a working-class family in Elmira, New York, Tommy suffered from dyslexia, flunked sophomore year of high school, and found himself constantly at odds with his father. Nevertheless, this self-described dreamer had a vision and the relentless will to make it a reality. At eighteen he opened his own clothing store, parlaying his uncanny instinct for style into a budding career as a fashion designer. Through decades of triumph and turmoil, Tommy remained doggedly optimistic. To this day, his approach to commerce is rooted in his positive view of the world. American Dreamer brims with anecdotes that cover Tommy's years as a club

kid and scrappy entrepreneur in 1970s New York as well as unique insights into the exclusive A-list personalities with whom he's collaborated and interacted, from Mick Jagger and David Bowie to Ralph Lauren and Calvin Klein. But this is more than just a fashion icon's memoir—it's a road map for building a brand, both professionally and personally. Tommy takes us behind the scenes of every decision—and every mistake—he's ever made, offering advice on leadership, business, team-building, and creativity. This is the story of a true American original, told for the first time in his own words, with honesty, humor, and the insatiable appetite for life and style that proves that sometimes you have to dream big to make it big. Praise for American Dreamer "A unique look into the fashion world . . . an honest, straightforward, mostly entertaining autobiography of the man who created a classic yet hip line of clothing."—Kirkus Reviews "Fashionistas and business gurus alike will glean important lessons from Hilfiger's rags-to-riches rag-trade story."—Booklist "Tommy burst onto the fashion scene at the height of hip-hop and was instantly taken up by rappers and rockers alike. Since then, year after year he has been ahead of the curve with his elegant and stylish looks. His creative energy has always been an inspiration to me. He's really himself in American Dreamer."—Mick Jagger In American Dreamer Tommy shows how he has taken the (rock) stars and the (preppy) stripes and come up with a look—and a label—that are recognized globally as being quintessentially American, as well as a brand that constantly keeps time with pop music."—Anna Wintour "Tommy is an inspiration to many people. American Dreamer shows how he has managed to be successful in business and done so with integrity."—David Beckham "Tommy is one of the most genuine people I know! In American Dreamer you can feel his passion pour through everything he does: fashion, fatherhood, family, and friendship!"—Alicia Keys "Tommy Hilfiger is an American icon who was able to transcend fashion and blend it with pop culture and take it to a worldwide audience. American Dreamer documents how, unlike any other designer, Tommy was able to tap into music, its subculture, and its influence on society."—Tommy Mottola
