One Million Tiny Plays about Britain Craig Taylor,2013-01-17 A Wonder Woman and bride-to-be finds herself worse for wear at the end of a hen night; a funeral director's love of Manchester United proves unhelpful when talking to the bereaved; two overly-vigilant mothers wrestle with their paranoia in the queue for Santa's Grotto; a widow recounts her disastrous return to the world of dating and a father realises that his son is growing away from him as he helps him tie his football boots.In these snippets of overheard conversations from across the length and breadth of the country, Craig Taylor captures the state we're in with humour and pathos and perfect timing. Laugh-out-loud funny, and sometimes heartbreakingly moving, these tiny plays in which every one of us could have a starring role are little windows into other people's lives that reveal the triumphs, disasters, prejudices, horrors and joys of twenty-first-century life.Hugely entertaining and utterly addictive, this is book that can be dipped into or feasted upon in one sitting. It will change the way you listen to the world around you, and train journeys will never be the same again.

**Phucked Up Philosophy** Neimyah Cornelis Jones,2022-07-05 Don't open this book unless you're ready for a potent uncut reality from the perspective of an unbiased source, the victim. This book is designed to answer the questions or give insight into the ways some of us had to think from the inside from a survival standpoint and for those on the outside that have the questions of where this type of thinking came from so they can understand what the problem really is while providing therapy for both sides as well as a potential solution for all. This is a platform for understanding the forced reality—that's the fact that it takes a village to tend to this properly. So I'm taking this fight head-on.

**Mama I'm In Love With A Gangsta** Joy,2008-11-01 Baby Girl McCoy was given her name when her mother couldn't even be bothered to give her another one in the hospital after she gave birth. Baby Girl was the product of rape, and she spends her life in a quest for a father figure. Never in a million years did she imagine that she'd find it in the man that she does. With a good head on her shoulders and a forgiving heart, Harlem Lee Jones discovers that some things in life must still be accounted for. She may have allowed her heart to find its way to God, but the devil is surely lurking close behind. Has she really left her mean street ways behind her? These two dramatic stories filled with pain, heartache, and ghetto love, remind readers that you can take the girl away from the ghetto, but she'll always manage to find her way back.

*The Midnight Years* Jane De Suza,Sangita Unni,2021-10-25 One night is all it takes. A party turns into a nightmare for four teenagers. Alisha guards a secret that will shatter those who know her. Sharad is crushed under his family's expectations. Good little Ruhi makes a single mistake that will come back to haunt her. And AK is let down disastrously by those he trusts the most. As they struggle through this pitch-black time in their lives, they must make life-changing choices that could hurl them backwards, or help them claw towards the light. TALK SPACE: A psychologist analyses teen dilemmas.

From Soul to Hip Hop Tom Perchard,2017-07-05 The essays contained in this volume address some of the most visible, durable and influential of African American musical styles as they developed from the mid-1960s into the 21st-century. Soul, funk, pop, R&B and hip hop practices are explored both singly and in their many convergences, and in writings that have often become regarded as landmarks in black musical scholarship. These works employ a wide range of methodologies, and taken together they show the themes and concerns of academic black musical study developing over three decades. While much of the writing here is focused on music and musicians in the United States, the book also documents important and emergent trends in the study of these styles as they have spread across the world. The volume maintains the original publication format and pagination of each essay, making for easy and accurate cross-reference and citation. Tom Perchard's introduction gives a detailed overview of the book's contents, and of the field as a whole, situating the present essays in a longer and wider tradition of African American music studies. In bringing together and contextualising works that are always valuable but sometimes difficult to access, the volume forms an excellent introductory resource for university music students and researchers.

Venom In My Veinz Rumont Tekay,2014-08-26 No matter the effort that Bromise Balducci put forth early on to undermine his passion to kill, he d fall weak to the seducer of power over again. Initially, it was only his mentor and grandpa, Brisco, that basked in the joy of Bromises frequent killing sprees. Then something changed. He began to feel the urge to kill . . . to feel his adrenaline rush through his bloodstream as his pulse beat in sync with the rapid blasts of his banger. With each job, he became more addicted to the power of controlling life or death. His signature style trigger-finger placed him in a class of his own. He chased the rush like a clucker chased a fix with only one objective in mind . . . to take back the crown that was wrongfully stripped from Brisco . . . The King of Chiraq! And nothing or no one will stop him.

*No Name For Refugees* Edison N. Yongai,2014-03-02 The story is narrated by a fifteen-year-old boy who flees from a brutal war in Africa with his parents and little sister and they settle in Australia as refugees. There, they encounter a type of life they are not expecting, and so their lives are turned upside-down. Quarrels and police intervention separate the parents, and the two kids are forced to stay with their mother. Without their father's usual supervision, they become delinquent and are enticed to become drug couriers until the police step in.

**Head-On Collision with God** Rodney Wright, The Inspirational True Story of Trauma to Tragedy to Triumph Head-On Collision with God is the true and candid story of tragedy, trauma, addiction, arrogance, deliverance, and spiritual growth. It is also a troubling but necessary discourse on the prison and judicial system, depression, and the lack of awareness in the Black community. Plagued with a childhood of addiction, gang violence, and generational curses, Rodney Wright grew into an arrogant, double-minded man with a chip on his shoulder. With his dreams and aspirations of becoming an NBA star and famous rapper behind him, he lived the dual life of a churchgoer and working man by day and a so-called "street dude" by night. But in one tragic and devastating moment, his fragile world came tumbling down. He was involved in a head-on collision that left two people dead and one clinging to life in ICU. Trapped behind the four walls of the dark, violent prison cells with two counts of murder over his head, Rodney could not escape the harsh reality he had hidden for so long. He was forced to face the naked truth about himself. And it forever changed his life. As you read this insightful and deeply moving story, you will find courage and hope in your wilderness of tragedy, depression, imprisonment, rejection, and hopelessness. Your eyes will be opened to the profound and surprising realities of life, the system, the grind for success, and your priorities. And you will be moved to make a change.

Sounding Race in Rap Songs Loren Kajikawa,2015-03-07 As one of the most influential and popular genres of the last three decades, rap has cultivated a mainstream audience and become a multimillion-dollar industry by promoting highly visible and often controversial representations of blackness. Sounding Race in Rap Songs argues that rap music allows us not only to see but also to hear how mass-mediated culture engenders new understandings of race. The book traces the changing sounds of race across some of the best-known rap songs of the past thirty-five years, combining song-level analysis with historical contextualization to show how these representations of identity depend on specific artistic decisions, such as those related to how producers make beats. Each chapter explores the process behind the production of hit songs by musicians including Grandmaster Flash and the Furious Five, The Sugarhill Gang, Run-D.M.C., Public Enemy, N.W.A., Dr. Dre, and Eminem. This series of case studies highlights stylistic differences in sound, lyrics, and imagery, with musical examples and illustrations that help answer the core question: can we hear race in rap songs? Integrating theory from interdisciplinary areas, this book will resonate with students and scholars of popular music, race relations, urban culture, ethnomusicology, sound studies, and beyond.

*The Whiskey Lee* Brit Parker,2021-11-24 Prepare to plunge into dangerous waters. A fifty-foot fishing trawler and its captain, James Karl Moreland, vanish from the waters off Barney's Cove, Maine in 1989. Did the captain and his vessel merely succumb to the violent battering of an angry and tumultuous sea, or was there something sinister going on? Less than two weeks into an extensive land and sea search, the close-knit coastal community is plunged into terror when the murdered body of the local lighthouse keeper is found, and a young woman mysteriously falls to her death. The case remains unsolved two decades later, when scuba enthusiast and journalist Brandon Summers travels to Maine for a dive vacation in 2008. He finds himself drawn into the town's suspicious past and a series of strange events only prompts Summers to dig deeper. Brandon becomes the target of a ruthless quest to keep the truth from emerging. This novel will appeal to adventure-seeking adults who enjoy an exciting read; this well-crafted seafaring tale includes intrigue, action, history, romance, and the supernatural. The book is set in two different time periods, with the suspense mounting as the narrative smoothly transitions back and forth while the gripping story unfurls.

*The Peach Seed* Anita Gail Jones,2023-08-01 Fletcher Dukes and Altovise Benson reunite after decades apart—and a mountain of secrets—in this debut exploring the repercussions of a single choice and how an enduring talisman challenges and holds a family together. On a routine trip to the Piggly Wiggly in Albany, Georgia, widower Fletcher Dukes smells a familiar perfume, then sees a tall woman the color of papershell pecans with a strawberry birthmark on the nape of her neck. He knows immediately that she is his lost love, Altovise Benson. Their bond, built on county fairs, sit-ins, and marches, once seemed a sure and forever thing. But their marriage plans were disrupted when the police turned a peaceful protest violent. Before Altovise fled the South, Fletcher gave her a peach seed monkey with diamond eyes. As we learn via harrowing flashbacks, an enslaved ancestor on the coast of South Carolina carved the first peach seed, a talisman that, ever since, each father has gifted his son on his thirteenth birthday. Giving one to Altovise initiated a break in tradition, irrevocably shaping the lives of generations of Dukeses. Recently, Fletcher has made do on his seven acres with his daughter Florida's check-ins, his drop biscuits, and his faithful dog. But as he begins to reckon with long-ago choices, he finds he isn't the only one burdened with unspoken truths. An indelible portrait of a family, *The Peach Seed* explores how kin pass down legacies of sorrow, joy, and strength. And it is a parable of how a glimmer of hope as small as a seed can ripple across generations.

*Onslaught* David Poyer,2016-12-06 Onslaught chronicles Captain Dan Lenson's latest challenge as the U.S. Navy struggles to hold Taiwan, Korea, and Japan against a massive Chinese offensive. The prize: domination of Asia and the Western Pacific. As the United States' computer, satellite, and financial networks are ravaged by coordinated cyberwar attacks, China and its Associated Powers begin to roll up and intimidate American allies, launching invasions of India, Taiwan, South Korea, and Okinawa. USS Savo Island, captained by Lenson, is one of the few forces left to stop them. But with a crew under attack from an unknown assailant aboard their own ship, and rapidly running out of ordnance against waves of enemy missiles and torpedoes, can Dan and his scratch-team task force hold the line? Or will the U.S. lose the Pacific—and perhaps much more—to an aggressive and expansionist new People's Empire? The most explosive novel yet in the long-running Dan Lenson series, David Poyer's Onslaught follows Tipping Point to unfold an utterly convincing scenario of how a global war with China could unfold.

*Word from the Mother* Geneva Smitherman,2021-11-26 This classic text by Geneva Smitherman, pioneering scholar of Black Talk, is a definitive statement on African American Language (AAL). Enriched by her inimitable writing style, the book outlines past debates on the speech of African Americans and provides a vision for the future. As global manifestations of AAL increase, she argues that we must broaden our conception of the language and its speakers, and further examine the implications of gender, age and class on AAL. Perhaps most of all we must appreciate the artistic and linguistic genius of AAL, from Hip Hop lyrics to the rhyme and rhetoric of the broader Black speech community. Smitherman explores AAL's contribution to American English, includes a summary of expressions as a suggested linguistic core of AAL, and features cartoons that educate readers on the broader relationship between language, race, and racism. This classic edition features a new foreword by H. Samy Alim, celebrating Smitherman's continuing impact on Black Language scholarship and her influence on the future of the field. *Word from the Mother* is an essential read for students of African American speech, language, culture and sociolinguistics, as well as the general reader interested in the worldwide crossover of Black popular culture.
