All My Knotted-Up Life Beth Moore,2023-02-21 New York Times, Publishers Weekly, and Wall Street Journal bestseller! An incredibly thoughtful, disarmingly funny, and intensely vulnerable glimpse into the life and ministry of a woman familiar to many but known by few. “It’s a peculiar thing, this having lived long enough to take a good look back. We go from knowing each other better than we know ourselves to barely sure if we know each other at all, to precisely sure that we don’t. All my knotted-up life I’ve longed for the sanity and simplicity of knowing who’s good and who’s bad. I’ve wanted to know this about myself as much as anyone. This was not theological. It was strictly relational. God could do what he wanted with eternity. I was just trying to make it here in the meantime. As benevolent as he has been in a myriad of ways, God has remained aloof on this uncomplicated request.” – Beth Moore New York Times best-selling author, speaker, visionary, and founder of Living Proof Ministries Beth Moore has devoted her whole life to helping women across the globe come to know the transforming power of Jesus. An established writer of many acclaimed books and Bible studies for women on spiritual growth and personal development, Beth now unveils her own story in a much-anticipated debut memoir. All My Knotted-Up Life includes: 8 pages of photos An exploration of Beth’s childhood, love, marriage, and motherhood Insights on what it was like when she was “waist-deep in a season of loss” A discussion of her 2018 break with the Southern Baptist movement Details on the origins of Living Proof Ministries All My Knotted-Up Life is told with surprising candor about some of the personal heartbreaks and behind-the-scenes challenges that have marked Beth’s life. But beyond that, it’s a beautifully crafted portrait of resilience and survival, a poignant reminder of God’s enduring faithfulness, and proof positive that if we ever truly took the time to hear people’s full stories . . . we’d all walk around slack-jawed.

Education Into the 21st Century Inga Elgquist-Saltzman,Alison Mackinnon,Alison Prentice,2005-08-16 The combined effort of 19 feminist educators and theorists from four continents, this exciting collection of essays is designed to be as wide-ranging intellectually as it is geographically. Probing the abilities (and dis-abilities) of women in education from the mid-19th century to the present, it brings historical analysis, classroom research, and theoretical reflection to bear on gender issues in schooling and higher education. 'What about the boys?' cry alarmists who fear a feminist takeover in schools. 'What about them indeed?', say students of women's education who wonder if it is now time to engage more explicitly and directly with the politics of male advantage in education, as well as in economic, political, social and cultural life.
