Stephanie Elizondo Griest

Don't Stop Believin' Brian Raftery, 2008-12-09

Armed with a keen eye and a terrible singing voice, writer Brian Raftery sets out across the globe, tracing karaoke's evolution from cult fad to multi-million dollar phenomenon. In Japan, he meets Daisuke Inoue, the godfather of karaoke; in Thailand, he follows a group of Americans hoping to win the Karaoke World Championships; and in New York City, he hangs out backstage with the world's longest-running heavy-metal karaoke band. Along the way, Raftery chronicles his own time as an obsessive karaoke fan, recalling a life's worth of noisy relationships and poor song choices, and analyzing the karaoke-bar merits of such artists as Prince, Bob Dylan and Fugazi. Part cultural history, part memoir, *Don't Stop Believin': How Karaoke Conquered the World and Changed My Life* is a hilarious and densely reported look at the liberating effects of a good sing-along.

One Nation Under Song L. Kris Gowen, 2020-12 I don't remember when I first articulated my goal of singing karaoke in all fifty states, but for a while it was all I had. Then my best friend died, and my half-hearted conversation piece of a goal was suddenly a driving need. Kris Gowen had a successful career, a wonderful partner, a strong circle of friends ... and then tragedy struck. Faced with the death of her best friend, she turned to something that brought her joy: karaoke. With a half-formed plan and a need to sing, she

took off on a 17,774-mile karaoke road trip through America, singing in bars, American Legions, and Eagles Lodges, experiencing the country with people who sometimes had nothing more in common than a love of cheesy 80s tunes. Along the way, she reconnected with old friends, made new ones-and healed. Each time Kris took the microphone, she shed a little more grief, stepping into a world where everyone was accepted simply for singing a song they loved.

Popular Music of Vietnam Dale A.

Olsen,2008-06-30 Based on the author's research in Ho Chi Minh City, Hanoi, and other urban areas in Vietnam, this study of contemporary Vietnamese popular music explores the ways globalization and free market economics have influenced the music and subcultures of Vietnamese youth, focusing on the conflict between the politics of remembering, nurtured by the Vietnamese Communist government, and the politics of forgetting driven by the capitalist interests of the music industry. Vietnamese youth at the end of the second and beginning of the third millennium are influenced by the challenges generated by a number of seemingly opposite ideologies and realities, such as the past versus the present, socialism versus capitalism, and cultural traditionalism versus globalization. Vietnam has undergone a radical

demographic shift with a very pronounced youth movement, and consequently, Vietnamese popular culture has been radically reshaped by a young population coming of age in the twenty-first century. As Olsen reveals, the way Vietnamese young people cope with these opposing and contrasting forces is often expressed in their active and passive music making.

Excursions With the Chief Sean

Siverly, 2019-01-17 As a writer of travelogues, Louis DeCarlo has been there and done that. Unfortunately, his most recent travels have left him with a case of writer's block-lost and devoid of vision. He needs a break. More than that, he needs an adventure. Enter the Chief: a man who has not only been there and done that but has experienced and embraced both the people and the places, as well. However, for all he's seen and done, he too has become lost and empty and in need of something new. Both men are searching for their next great story but don't know how or where to find it. Oddly enough, they discover the answer in a bottle at a bar where they meet. It seems a strange solution and an even stranger pairing, but what ensues is a journey to find not only the key to cracking Louis's writer's block but also the Chief's five elements to happiness and, ultimately, themselves. The men travel from place to place, seeing sights and meeting people, while

drinking, dining, laughing, crying, and enjoying life and learning lessons along the way. Excursions with the Chief is more than a mere trip-it's a cross-country adventure of a lifetime.

The Gangster's Wife David Leslie, 2011-01-18 For almost four decades, Margaret 'Mags' McGraw was a keeper of secrets. Her husband, Tam, the notorious 'Licensee', amassed a fortune by leading a safe-cracking gang before masterminding a spectacular £50-million drugs racket. Mags was a devotee of Tarot cards and fortune telling, so when Tam and his associates wondered whether luck would be with them, it was to her that they turned. But Mags discovered that the cards warned of much more than years in prison cells: they predicted death. She learned that her own husband was also doomed to a fate that was unexpected by everyone but her: Tam died in the arms of the wife he called his 'rock' while her secret lover frantically tried to save him. In *The Gangster's Wife*, Mags reveals her gripping life story, from being a London clipper through often hilarious days running an ice-cream van during the infamous Glasgow Ice Cream Wars to managing a notorious bar, being agony aunt to the toughest criminals around, hiding a secret love and sharing a life with The Licensee.

Made in Hong Kong Peter E. Hamilton, 2021-01-05 Between 1949 and 1997, Hong Kong transformed from a struggling British colonial outpost into a global financial capital. *Made in Hong Kong* delivers a new narrative of this metamorphosis, revealing Hong Kong both as a critical engine in the expansion and remaking of postwar global capitalism and as the linchpin of Sino-U.S. trade

since the 1970s. Peter E. Hamilton explores the role of an overlooked transnational Chinese elite who fled to Hong Kong amid war and revolution. Despite losing material possessions, these industrialists, bankers, academics, and other professionals retained crucial connections to the United States. They used these relationships to enmesh themselves and Hong Kong with the U.S. through commercial ties and higher education. By the 1960s, Hong Kong had become a manufacturing powerhouse supplying American consumers, and by the 1970s it was the world's largest sender of foreign students to American colleges and universities. Hong Kong's reorientation toward U.S. international leadership enabled its transplanted Chinese elites to benefit from expanding American influence in Asia and positioned them to act as shepherds to China's reengagement with global capitalism. After China's reforms accelerated under Deng Xiaoping, Hong Kong became a crucial node for China's export-driven development, connecting Chinese labor with the U.S. market. Analyzing untapped archival sources from around the world, this book demonstrates why we cannot understand postwar globalization, China's economic rise, or today's Sino-U.S. trade relationship without centering Hong Kong.

Hong Kong Cantopop Yiu-Wai Chu, 2017-01-01

Cantopop was once the leading pop genre of pan-Chinese popular music around the world. In this pioneering study of Cantopop in English, Yiu-Wai Chu shows how the rise of Cantopop is related to the emergence of a Hong Kong identity and consciousness. Chu charts the fortune of this

important genre of twentieth-century Chinese music from its humble, lower-class origins in the 1950s to its rise to a multimillion-dollar business in the mid-1990s. As the voice of Hong Kong, Cantopop has given generations of people born in the city a sense of belonging. It was only in the late 1990s, when transformations in the music industry, and more importantly, changes in the geopolitical situation of Hong Kong, that Cantopop showed signs of decline. As such, *Hong Kong Cantopop: A Concise History* is not only a brief history of Cantonese pop songs, but also of Hong Kong culture. The book concludes with a chapter on the eclipse of Cantopop by Mandapop (Mandarin popular music), and an analysis of the relevance of Cantopop to Hong Kong people in the age of a dominant China. Drawing extensively from Chinese-language sources, this work is a most informative introduction to Hong Kong popular music studies. "Few scholars I know of have as thorough a knowledge of Cantopop as Yiu-Wai Chu. The account he provides here—of pop music as a nexus of creative talent, commoditized culture, and geopolitical change—is not only a story about postwar Hong Kong; it is also a resource for understanding the term 'localism' in the era of globalization." —Rey Chow, Duke University "Yiu-Wai Chu's book presents a remarkable accomplishment: it is not only the first history of Cantopop published in English; it also manages to interweave the sound of Cantopop with the geopolitical changes taking place in East Asia. Combining a lucid theoretical approach with rich empirical insights, this book will be a milestone in the study of East Asian popular

cultures.” –Jeroen de Kloet, University of Amsterdam

My City, My New York Jeryl Brunner, 2011-10-04
What do famous people love to do during their free time in the Big Apple? Like all New Yorkers, even the well-known among them have cherished rituals that connect them to their city in a unique way—favorite restaurants, delis, museums, parks, galleries, landmarks, haunts, and hideaways. For one resident, it may be watching tango dancers on Saturday nights in Central Park; for another, it’s riding a bike over the Brooklyn Bridge to get a slice of Grimaldi’s pepperoni pizza and a view of the Manhattan skyline from across the East River. Perhaps it entails choosing from the many varieties of bread at Rock Hill Bake House in the Union Square Greenmarket or simply walking across 46th Street and ending up at the great Broadway hangout, Angus McIndoe. In a refreshing step beyond the usual travel guides and tourist listings, *My City, My New York* quotes VIPs and gives readers something truly unique: a chance to experience Manhattan the way its most notable luminary residents do. The activities and establishments included are diverse, often eclectic, and, most-importantly, nonexclusive—you don’t need to be a celebrity to enjoy them. While offering new and creative possibilities for exploration, *My City, New York* is also a love letter to the Big Apple and will touch even the most jaded New Yorkers. Celebrities include: - Matthew Broderick - Woody Allen - Bette Midler - Joan Rivers - Donald Trump - Chris Noth - Mayor Michael Bloomberg - Alex Rodriguez

Fitba Daft James Meikle, 2008-03 Fitba (football, soccer) is truly the world's game. It evokes the deepest emotions in the millions who play and watch it in almost every corner and culture around our globe. So where does this passion come from? Some of it is certainly inherent in genes, especially in respect of playing ability. However millions who have never played at any serious level are amongst the most fanatical of all. Like most addictions it is something formed by steady

consumption over a prolonged period. Alcohol, nicotine and cocaine have much more obvious routes to our bloodstream but I firmly believe that soccer can get there too. It can ultimately provide such an overwhelming sensation of joy that the brain craves repetition of that euphoria, even if it may have to wait thirty years or more between very brief highs. Here's a true life story which provides a detailed insight into the environment and twists of fate which contrive to addict one Scottish boy and sustain that addiction even when he moves to America. They have soccer in America? Oh yeah, more than you can imagine.
