My Life on Earth and Elsewhere R. Murray Schafer, 2012 My Life on Earth and Elsewhere, a memoir by the internationally-acclaimed Canadian composer, music educator and writer R. Murray Schafer, traces the author's life and growth as an artist from his earliest memories to the present. Scenes from his youth as an aspiring painter, a music student at the University of Toronto and a sailor on a Great Lakes freighter give way to memories of his several years of work and wandering in Europe, where he gained a deeper understanding of his vocation, and found, especially in Greece, the inspiration for much of the astonishing music he would create after his return to Canada.

Brain On Fire: My Month of Madness Susannah Cahalan, 2012-11-13 'My first serious blackout marked the line between sanity and insanity. Though I would have moments of lucidity over the coming days and weeks, I would never again be the same person ...' Susannah Cahalan was a happy, clever, healthy twenty-four-year old. Then one day she woke up in hospital, with no memory of what had happened or how she had got there. Within weeks, she would be transformed into someone unrecognizable, descending into a state of acute psychosis, undergoing rages and convulsions, hallucinating that her father had murdered his wife; that she could control time with her mind. Everything she had taken for granted about her life, and who she was, was wiped out. Brain on Fire is Susannah's story of her terrifying descent into madness and the desperate hunt for a diagnosis, as, after dozens of tests and scans, baffled doctors concluded she should be confined in a psychiatric ward. It is also the story of how one brilliant man, Syria-born Dr Najjar, finally proved - using a simple pen and paper - that Susannah's psychotic behaviour was caused by a rare autoimmune disease attacking her brain. His diagnosis of this little-known condition, thought to have been the real cause of devil-possession through history, saved her life, and possibly the lives of many others. Cahalan takes readers inside this newly-discovered disease through the progress of her own harrowing journey, piecing it together using memories, journals, hospital videos and records. Written with passionate honesty and intelligence, Brain on Fire is a searingly personal yet universal book, which asks what happens when your identity is suddenly destroyed, and how you get it back. 'With eagle-eye precision and brutal honesty, Susannah Cahalan turns her journalistic gaze on herself as she bravely looks back on one of the most harrowing and unimaginable experiences one could ever face: the loss of mind, body and self. Brain on Fire is a mesmerizing story' -Mira Bartók, New York Times bestselling author of The Memory Palace Susannah Cahalan is a reporter on the New York Post, and the recipient of the 2010 Silurian Award of Excellence in Journalism for Feature Writing. Her writing has also appeared in the New York Times, and is frequently picked up by the Daily Mail, Gawker, Gothamist, AOL and Yahoo among other news aggregator sites.

My Fox Ate My Alarm Clock David Blaze, 2017-08-30 My name is Jonah Johnson, and I'm in the 6th grade -- but please call me Joe. My whole world was made better when I met a talking fox. I'm about to find out how Fox got the ability to walk and talk like humans. But before I can, we have to avoid a whole new enemy that wants to take Fox away. Oh, and Fox teaches a squirrel, opossum, rabbit, and raccoon how to fart!

Play It On My Radio Giselle Renarde, Join award-winning queer Canadian author Giselle Renarde for a year's worth of music and memories. As we listen to songs from a variety of genres, Giselle shares anecdotes about growing up in the 80s, being a teen of the 90s, and listening to the radio on those long and lonely nights in her first apartment. Accompany Giselle on a musical journey as she revisits the days of her youth through song. From the introduction to Play It On My Radio: My name is Giselle and I'm your new best friend. Well, maybe not best friend. A best friend usually listens in addition to talking, but that's not me. What I will do is be here every day to share whichever song pops into my head. Why? What's the point? Well, here's the thing: I'm a writer. It's a pretty lonely job. Over the years, I've become increasingly socially isolated and you know what? It sucks. It sucks bad. The truth of the matter is that a lot of us are socially isolated, these days. And not just older people—younger ones, too. There are friendly visitor programs for seniors, but those of us under 65 are kind of lost at sea. I speak from experience. If you need a no-pressure visit every day, let me be your friendly visitor. I'll bring a song—whichever song pops into my head, gets stuck in my head, or seems relevant to something that day. As a person with chronic depression, music has helped me more than anything. It's magic, I swear. I hope my little musical visits will give you something to look forward to every day, because they'll certainly do that for me.

My Memoirs Marja Harris, 2009 Marja has painstakingly taken the reader into her daily world for a period of time. Marja suffers from schizophrenia, but despite this, lives a normal life. The writing of this book has given Marja much confidence and she has taken a lot of initiative in bringing this story to you.

My Life Colette Keefe, 2015-04-29 Colette Keefe brings us an emotional, poignant account of her turbulent childhood in which she was physically, emotionally, and sexually abused. Into her adulthood, these traumatic experiences manifested themselves in an array of mental illnesses, including depression and Obsessive Compulsive Disorder. When a tragedy strikes, Colette is forced to confront her issues, despite the stigma and shame associated with these misunderstood problems. What begins is a courageous road to healing, which continues today. Her story of reclaiming her life is an inspiration for anyone who has experienced abuse or dealt with mental illness. It is a book about acceptance, forgiveness, and ongoing recovery.

My Mother Has Alzheimer's Mark V. Jastrzemski, 2015-02-26 I wrote this as a tribute to my mother, a humble and gently unassuming housewife and mother who loved and understood everything about life and all of its great mysteries. Although Alzheimer's disease relentlessly and ruthlessly ravaged both her mind and body, her soul remained untouched and pure. This book chronicles her struggles, which certainly impacted the lives of everyone for both the better and the worse. In the end, though, her final lasting lesson was that even in sickness, she still was able to reveal to her loved ones the beauty that surrounds each of us. We learned from her, and for this, we each became better human beings. I wish to share that message of comfort and hope with you, dear reader.

My Invisible Disability Greg Noack,2006-02-20 I needed proof that God existed. I received this proof from the swing of a baseball bat.While walking home from work on November 10, 1996 I was assaulted. That initial blow resulted in a severe head injury, and when I awoke from a fifteen day coma, I was in essence a newborn. My Invisible Disability is the recollection I have of rehabilitation from head injury and the struggles I endured to gain back all that I lost. The book is based on journals I wrote during recovery so it reveals the power of the human mind, therefore body and spirit. Going through this adversity and surviving the way I did is the proof I needed that God does exist, and had His hand in my healing. It took suffering from My Invisible Disability to realize He is there, and always was, and always will be.

How to Make Your Dreams Come True Mark Forster,2014-11-27 Most people think of life as either something that happens to them or as something which they have to bend to their will. Life in short is seen as a series of problems requiring solutions. As a result people spend much of their lives either in escape activities or driving themselves to achieve, often both at the same time. But life becomes qualitatively different when we see it as a theatre in which we decide what is going to happen and then let it happen in the way that an artist will allow his or her creation to appear. This book is an example of the message that it teaches. Forster records methodically how he himself stopped struggling to work against his own feelings and to let his life happen. Exciting and inspiring, his own story with accompanying exercises for the reader prove the life-changing fact - that when we give priority to the workings of our unconscious minds we can trust them not to let us down.

My (not so) Storybook Life Elizabeth Owen,2011-10-18 Fresh, funny, and poignant, *My (not so) Storybook Life* is old-fashioned humor mashed with literary spoofery. Elizabeth thinks of herself and her husband, Matt, as a modern-day Lucy and Ricky Ricardo. Together they've endured paint-color mishaps, sewage disasters, pest infestations, and a schnauzer that poops at tornado sirens. It's hardly the domestic perfection a young Liz imagined while reading *Anne of Green Gables* and *Pride and Prejudice*. Could it be that these literary stalwarts had led her astray? Liz tells the story of her own path to happiness, along the way seeking revenge on her literary heroes: Jo March has to cope with a soul-sucking job, Elizabeth Bennett shepherds a Duggar-size brood of kids, and Anne Shirley deals with a penny-pinching husband. But every comedy is balanced by tragedy. Angela was one of Liz's closest friends, a kindred spirit who, at age thirty-one, was diagnosed with cancer. Before Angela, Liz was discontented. But it was the journey she took with this friend that made her realize that her house and its decorations and plumbing and dirty-clothes-covered Man Cave were not burdens to be tweaked and perfected, but blessings to be thankful for.

Me and My Cat Carmel Reilly,2012-07-05 Every cat owner believes that his or her cat understands every word that they say. Every cat owner believes that cats are far more intelligent than dogs - they're just too cool to show it. Every cat owner believes that their cat should be on TV starring in advertisements for everything from furniture and carpets to central heating and, yes, cat food. And those Andrex puppies have had it their own way for far too long... Every cat owner, in fact, is a cat lover. If they're not cat lovers when the cat first comes along - you don't purchase a cat, they choose to live with you - then they will be within a very short space of time. There are stories, of course, that every cat owner loves to tell. It may be that the cat became hugely and unusually distressed the day a relative died unexpectedly on the other side of town. It may be about how the cat is a constant source of comfort during bad times, or how the cat faces up to urban foxes in the garden. It may simply be a story about how the cat is a loving companion. Cat lovers simply love telling cat stories!

Haunting My Ghosts Noëlle Blake,2012-12-06 Shelby Rivers only has a few months of secondary school left when, along with a group of friends, she narrowly escapes with her life after a terrifying car accident, thanks to the kindness of a complete stranger. As she recovers, Shelby realizes her friends are no friends at all. Years later, she feels compelled to carry out a meticulously crafted plan to exact her revenge, in an attempt to wipe away the painful memories. When Shelby returns to her hometown after a considerable absence, she finds that although the landscape has changed, her feelings have not. After gathering information on her so-called friends with the sole purpose of ruining their lives, Shelby is quickly sobered when she realizes that she too has been the focus of someone else's attentions, and this person has pieced together her catalogue of deceit. Once Shelby puts her vengeful plan into motion, there is no one left to catch her fall—except, once again, a complete stranger. In this engaging tale, deception envelops a dysfunctional quest for absolution as a woman faces the demons from her past once and for all.

My Story, My Journey Paul Lippok,2015-10-13 I was born in 1926 in a town in Silesia, Germany's south eastern Province bordering Poland to the east and Czechoslovakia to the south. That is how it was for 2000 years until 1945 when Hitler's war ended, and our 'Heimat Schlesien' no longer existed. The peace treaty demanded that Silesia be annexed to Poland meaning the eviction of our people. Six months after my 17th birthday, shortly before Christmas 1943, I was called up to military service and after my training sent to Italy, where five months later, on Sunday 4th June 1944 I was captured by the U.S. Army just outside Rome. They brought us to Norfolk Virginia from where a train journey took us to a POW camp in Oklahoma, moving soon to Fort Bliss, El Paso. In autumn 1945 fifty POWs travelled by bus to the Napa Valley to pick tomatoes, prunes, and work in the vineyards, and after New Year 1946 south to pick cotton. In early March 1946 we received black-dyed U.S. Army uniforms, boarded a troop ship in Oakland and were sent back to Europe via the Panama Canal, to arrive three weeks later in Liverpool, UK. From there we travelled by train to the north of Scotland where now over sixty years later, I continue to live. My book will tell my journey.

Lending a Paw Laurie Cass,2013-12-03 With the help of her rescue cat, Eddie, librarian Minnie Hamilton is driving a bookmobile based in the resort town of Chilson, Michigan. But she'd better keep both hands on the wheel, because it's going to be a bumpy ride... Eddie followed Minnie home one day, and now she can't seem to shake the furry little shadow. But in spite of her efforts to contain her new pal, the tabby sneaks out and trails her all the way to the bookmobile on its maiden voyage. Before she knows it, her slinky stowaway becomes her cat co-pilot! Minnie and Eddie's first day visiting readers around the county seems to pass without trouble—until Eddie darts outside at the last stop and leads her to the body of a local man who's reached his final chapter. Initially, Minnie is ready to let the police handle this case, but Eddie seems to smell a rat. Together, they'll work to find the killer—because a good librarian always knows when justice is overdue. FIRST IN A NEW SERIES!

My Crazy Life ,2002 What does it feel like when the adult members of a family are too preoccupied or self-absorbed to act as parents? What is life like for kids who grow up in a family where alcoholism is a daily reality, where separation and divorce hang like a cloud over daily life? In these situations it is too often the teen

who assumes much of the responsibility and has to grow up quickly amidst the struggle to maintain even a semblance of stability. My Crazy Life presents the voices of ten teens who have lived through these situations. Rather than despair, you will hear these young people talking about how they coped and survived. One girl found strength through friendships and her sibling relationships. Another girl, abused by her alcoholic father, tells how her commitment to art and a sympathetic teacher gave value to her life. The Afterword by the head of psychiatry at a metropolitan children’s hospital provides guidance to those seeking help.

Me And My Boyfriend (Y.A Series Book 7) Sarah Tork,2020-12-15 The Drama Continues.... I ask myself a few questions every day. Does time heal all wounds? Can a broken heart heal... eventually? Is love really worth it in the end? And the most important question of all... is forgiveness possible? For Becky Sloaner, when the two most important people in your life back stab you, trust and love were two things that couldn’t be brought back to the equation, no matter how badly those that hurt you were sorry. For Jenna Sabini, her whole life was about to crash. With friendships fizzling and ex swim team members going off to do their own thing, at least she still had Annabelle and Tom by her side to finish off senior year with. What’s the worst that could happen? It’s not like she had any dangerous enemies, lurking in the shadows waiting for her. Or... did she? For Tom Colleto, he’s had trouble remembering who his father was ever since he disappeared years ago. But things were getting strange. Faint warnings surprise him when he least expects it. A certain darkness has been creeping in the shadows, and Tom acknowledging it might mean the difference between life and something... very, very bad. For Annabelle Simms, the divorce her parents were on route for was tearing their family apart. When you’ve spent your entire life walking on eggshells, it was unfair that one moment of defiance would be the catalyst that ended everything. At least she still had two people she could count on, her best friend Jenna, and her boyfriend, James. With those two by her side, making it out of this nasty storm seemed possible, even if scars were guaranteed. For James Lawson, there were only two things he cared about. Winning fights and his girlfriend Annabelle. And nothing would ever change that. Reaching a high level of success under Rome’s rule in such a short period of time had everyone looking at James with new eyes. When you’re willing to risk it all for the win, Romilly Matos always noticed, and whether James was ready or not, he was about to enter a world where the bad sneaky guys ruled the game, all at the cost of the good guy. But business was business, and he was an asset now, one that Rome wouldn’t be letting go of, no matter how dangerous things got. Success always had a price. Warning: Contains sexual scenes, some bad language, and includes scenes of violence and hostility. Recommended for ages 17+ Me and My Boyfriend is a 116,000 word Young Adult Romance novel. This is not a standalone novel: Young Annabelle Series Book 7 Young Annabelle Series: 8 Books Total Book 1: Young Annabelle Book 2: The Truth About James Book 3: What My Heart Wants Book 4: You’re What I Want Book 5: Don’t Stop Holding Me Book 6: It’s Me And You Book 7: Me and My Boyfriend Book 8: Us Against The World (Final) - To be Determined
