Budget Happy Lisa Woodley,2023-02-28 Hi, I'm Lisa, and I want to give the word 'budget' a makeover! For most people, the very thought of budgeting makes them want to run a mile. It suggests restriction, going without and only buying the cheapest of the cheap. But at its best, budgeting can mean making smart decisions, planning your spending carefully and having plenty left over for treats. Growing up, I absorbed so many toxic ideas that when I became an adult, I started modelling unhealthy financial behaviours myself, living paycheck to paycheck with little regard for saving. During the December 2021 lockdown, I came across the phenomenon of 'cash-stuffing' on TikTok, where you withdraw your spending money weekly or monthly and divvy it up into sections of a binder. With nothing to lose, and knowing I needed to change my habits, I ordered my binder and started portioning out my notes. And less than a year later, more than 188,000 of you are on this journey with me at @mumwhobudgets! I want to help each and every one of you to get on top of your spending and feel more confident with money. In this book I will: - share my personal journey with you, to show how important the way we talk about and behave with money is - explore how to put together a budget that is realistic for you and your family - break down the cash-stuffing method in detail to arm you with all the tools you need to get started So what are you waiting for? Dive in and open up that binder, because it's time to BUDGET HAPPY. READERS LOVE BUDGET HAPPY 'It will get you on the right track to help with money goals' ***** 'A great guide into how to get started with budgeting' ***** 'Hands down the best budget book I have read' ***** 'Amazing book, only wish I bought it sooner' ***** 'Would recommend to everyone' ***** 'Has really changed how I spend my money already' *****

To Hell and Back: My Life as an Abused Husband Kimber Broughton, 2012-04-28 Domestic abuse at the hands of a spouse is a bitter reality that many men experience but are conditioned by society to hide. Abuse of men at the hands of women is something that does occur, but because of male pride and cultural conditioning, it often remains in the shadows. In *To Hell and Back: My Life as an Abused Husband*, author Kimber Broughton narrates the true story of Jonathan, a man who suffered a morass of abuse, psychological torment, and financial violation by his manipulative former wife, Stacy. This memoir describes Jonathans twelve years of abuse the hell he experienced, how he handled the cruelty, and how he was finally able to leave the marriage and overcome the after effects. This memoir tells one mans brutally honest story in order to share it with other men who are living through the nightmare of abuse. Detailing how to recognize the warning signs of abusive relationships and how to fight to get free of them, this book expresses that rebuilding pride and finding real love again after an abusive relationship is possible.

My Money My Way Kumiko Love, 2022-02-01 Does fear and insecurity keep you from looking at your bank account? Is your financial anxiety holding you captive? You don't have to stress about money anymore. YOU can take back control. As a newly divorced single mom making \$24,000 per year and facing down \$77,000 in debt, Kumiko Love worried constantly about money. She saw what other moms had—vacations, birthday parties, a house full of furniture—and felt ashamed that she and her son lived in a small apartment and ate dinner on the floor. Worse, when her feelings began to exhaust her, she binge-shopped, reasoning that she'd feel better after a trip to the mall. On the day she needed to pay for a McDonald's ice cream cone without her credit card, she had an epiphany: Money is not the problem. Self-Doubt is the problem. Shame is the problem. Guilt is the problem. Society's expectations for her are the problem. She is the solution. Once she reversed the negative thinking patterns pushing her toward decisions that didn't serve her values or goals, her financial plan

wrote itself. Now, she's not only living debt-free in her dream home, which she paid for in cash, but she has spread her teachings around the world and helped countless women envision better lives for themselves and their families. Now, building on the lessons she's taught millions as the founder of The Budget Mom, she shares a step by step plan for taking control back over your financial life—regardless of your level of income or your credit card balance. Through stories from navigating divorce to helping clients thrive through recessions, depression, eviction, layoffs and so much more, you will learn foundational practices such as: How to use your emotions to your financial advantage, instead of letting them control you How to create a budget based on your real life, not a life of self-denial How to create a motivating debt pay-off plan that makes you excited about your future, instead of fearing it My Money My Way will give you the tools to align your emotional health with your financial health—to let go of deprivation and embrace desire. Love's paradigm-shifting system will teach you how to honor your unique personal values, driving emotions, and particular needs so that you can stop worrying about money and start living a financially fulfilled life.

P.S. You're a Genius Kelly Trach,2021-11-30 Do you feel like you're doing it all and it's still not enough? Discover your shortcut to success in P.S. You're A Genius. After a lifetime of overachieving, aiming to be excellent at everything, and three failed tech startups in Silicon Valley, Kelly Trach was stirred by a simple question: What if I just did what I'm good at? Now a six-figure business coach, Kelly poses the same question to you: What if you just did what you're good at? Despite conventional wisdom, the gifts and experience you need are already innate. Having that "it factor" or "special ingredient" isn't as elusive as you may think. P.S. You're a Genius takes you on a self-reflective journey to find your own gifts (especially when you don't feel "gifted" at all), asking questions like: How are your idols a reflection of your own genius? What are you great at that nobody taught you how to do? How is your darkest shadow your greatest gift? What have you been unexpectedly criticized for? Through these questions and more, you'll uncover the ways you naturally excel, relinquish the lie that you're not "good enough," and discover how to convincingly convey your value to anyone. In the process, you'll unlock the gumption to go after what you really want and ditch the mindset blocks holding you back—because YOU have an inherent genius. You just have to find it.
