Autumn Love Dawn Van Beck, 2019-10-17 It's Autumn and more than crisp, colorful leaves are falling...three couples are falling in the love of their lifetimes. Welcome to the first short story collection by Debut Author Dawn Van Beck, which includes the following three short and sweet romances: *Autumn Splendor*: Blair Sutton somewhat expected to run into her childhood best friend, Colton Kingsbury, as they reunited for her Paw Paw's funeral in Eagle River, Wisconsin. What she didn't expect, however, was for Colton's presence to reignite the smoldering feelings she'd vowed to dismiss. As their limited time together presents an opportunity to take inventory of their current lives, will Blair continue to suppress her feelings, or will she finally admit to what Colton anticipated all along? *As the Leaves Turn*: The leaves aren't the only things falling in Michigan's charming Upper Peninsula! Grace Montgomery spends a vacation weekend in the quaint lakeside town of St. Ignace. Reluctantly allowing the handsome Brandon Walker to be her personal tour guide, their companionship leads her to questioning everything about her life back in Chicago, including her complex relationship with her boyfriend, Dexter. Will Grace choose to remain in Chicago, or will she one day return to St. Ignace...and to Brandon? *Victorian Fall*: Kendall's world crushes beneath him as his beloved Jasmine suffers amnesia following a horrible accident. Kendall makes repeated attempts to trigger Jasmine's memory of the strong bond of love between them. As time passes and his hope diminishes, will sparks of the life they once shared appear along with the Victorian Fall Festival they came to love as the couple they once were? **PRAISE FOR AUTUMN LOVE**: Wow! I'm in love...with the short and sweet romances of Debut Author Dawn Van Beck. She's a master storyteller, who makes you feel every bit of the magic in the tales she weaves. Such perfect, little short stories that just make you feel good and offer a wonderful reminder that love triumphs overall. I'm looking forward to her next collection.---

ABOUT THE AUTHOR: Hi there! Welcome to me. I'm a writer, singer, child of God, and chocolate chip cookie connoisseur. I hold a degree in Human Resources with a concentration in Gerontology which has allowed me a rewarding career advocating for vulnerable senior adults. After transitioning out of my private Guardianship practice of several years, I now work alongside my husband with our moving business as well as put in some part-time hours at an Elder Law office . . . still advocating for seniors. My love of all things writing began at an early age, pretending to be a librarian leading story time with my imaginary patrons. Over the years I've contributed to various publications including newsletters, magazines and theater pieces. My first official publication was in 1993 for the magazine *West Coast Woman*, where I shared my experience of living with a Multiple Sclerosis diagnosis. Now, after years of dreaming, I'm finally publishing the dozens of short stories I've written as well as a children's picture book and working on wrapping up a Christian Romance novel. I make my home in sunny Florida where I'm surrounded by a ridiculous number of writing journals and artisan coffee mugs. Close to my heart are bear hugs from my crazy husband, time spent with my adult children, and the companionship of Lilly, our feisty Daschund. Join me as we journey together sharing short stories, devotions, miscellaneous musings and an occasional rant or two (or three). Come, sit for a spell . . . I'll put the coffee on. And in the meantime, please connect with me at my website (Dawn Van Beck dotcom) and on Facebook, Twitter and Pinterest (Dawn Van

The Leaves In Autumn Leslie Pike,2022-12-14 A man saddled with grief, who isn't looking for love... A fiercely independent single woman... And a friendship that should never become more... Aargon I'm not looking for love. Hell, I can barely see my way through to the end of every day, but I do it for my son. What choice do I have? Not exactly what I planned for my life, but this is where things ended up. The one bright spot is my best friend, my favorite sparring partner, the funniest person I know, and the only woman who seems able to accept me without demanding more than I can give. Barbra. And yeah, she's sexy. But she's leaving, and friends is all we can ever be. Barbra Being Aargon's sister-in-law's sister doesn't make us blood. But it does mean we'll be in each other's lives... pretty much forever. And that's only reason number one why giving in to our desires would be a terrible idea. Reason number two? I'm months away from the trip I've been planning my whole life. I'm moving to Europe, and I have no plans to return. But now? Europe's shine has faded next to the spark and joy I feel igniting between us. Leaves in Autumn is a single dad, opposites attract standalone contemporary romance with a happily ever after.

Delphi Complete Harvard Classics and Shelf of Fiction (Illustrated) Charles W. Eliot,2018-08-01 Regarded by many as the most comprehensive anthology of all time, 'The Harvard Classics' was first published in 1909 under the supervision of the Harvard president Charles W. Eliot. An esteemed academic, Eliot had argued that the elements of a liberal education could be gained by spending 15 minutes a day reading from a collection of books that could fit on a five-foot shelf. The publisher P. F. Collier challenged Eliot to make good on this statement and 'Dr. Eliot's Five Foot Shelf' was the result. Eight years later Eliot added a further 20 volumes as a sub-collection titled 'The Harvard Classics Shelf of Fiction', offering some of the greatest novels and short stories of world literature. The exhaustive anthology of the 'The Harvard Classics' comprises every major literary figure, philosopher, religion, folklore and historical subject up to the twentieth century. This comprehensive eBook presents the complete anthology, with Eliot's original introductions, numerous illustrations, rare texts and the usual Delphi bonus material. (Version 1) * Beautifully illustrated with images relating to life and works of the authors featured in the anthology * All 51 volumes of 'The Harvard Classics' * Eliot's original concise introductions * Eliot's general introduction to the anthology (Volume 50) * The complete 20 volume edition of 'The Harvard Classics Shelf of Fiction' * Images of how the books were first published, giving your eReader a taste of the original texts * Excellent formatting of the texts * Major works include the original illustrations that accompanied the text * Easily locate the chapters and sections you want to read with individual contents tables * Precise arrangement of texts into the original anthology order * A veritable digital library comprised in a single eBook! Mypairs Autumn Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Mypairs Autumn free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of

research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Mypairs Autumn free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Mypairs Autumn free PDF files is convenient, it's important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading Mypairs Autumn. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Mypairs Autumn any PDF files. With these platforms, the world of PDF downloads is just a click away.
