The Pro Butch Harmon, 2007-05-22 Butch Harmon is the world's number one golf coach. He taught Tiger Woods through one of the greatest stretches of victories in golf history (and, perhaps even more conspicuously, did not teach Tiger Woods following his unprecedented run), as well as superstars like Greg Norman, Adam Scott, Fred Couples, Darren Clarke, Natalie Gulbis, and Davis Love III. How did he become such a legendary teacher and mentor? The answer is simple: He learned from watching his father. The Harmons are the First Family of golf, and Claude Harmon, Sr., was the greatest of them all. His skill as a player, an innovator, a teacher, a devoted father, a loyal friend, and a peer of giants such as Ben Hogan has gone largely unappreciated by all but those who knew him best. In this book by his son, he finally gets his due. In *The Pro*, Butch Harmon paints a compelling portrait of an era in sports before the emergence of big media and bigger money, and shows how the lessons he learned about life and golf at his father's knee made him the man he is today. *The Pro* is both a family and a golf memoir, as well as an inside look at what it takes to teach the Tigers of the world. It describes how Butch and his brothers, who are also teachers, transfer their father's unique wit, wisdom, and philosophy to the next generation of golfers. Sometimes their advice relates to the game, sometimes they simply offer words of encouragement and motivation, sometimes they make pointed criticisms intended to shock their students into focus, and sometimes they try to impart simple advice about "walking around through life." The Harmon brothers are teachers who share a special quality: All of their lessons are passed down from their father. Millions of golf fans know Butch Harmon; many are even familiar with his father and brothers. But never before have we been given such an intimate look at life among the legends of golf. *The Pro* is the story of an extraordinary father and son that will resonate with anyone who has ever looked back on life and recognized the wisdom of their parents' teachings. Golf's hard, Dad would say, pointing a meaty finger at me as if he were

about to reveal the secret of the Rosetta Stone. “Good golf is damn hard, and championship golf is something only a few will ever see. But that’s how it should be. If it were easy, everybody would do it. And where’s the fun in that?” From Butch Harmon, the world’s number one golf coach, comes the inside story of how he learned everything he knows about golf and life from his father, Claude Harmon, Sr. Both a family memoir and a reminiscence of growing up among the legends of sport, *The Pro* is a portrait of one extraordinary family and the game that will carry their legacy for years to come.

Life in Two Worlds Ted Nolan, 2023-10-10 In 1997 Ted Nolan won the Jack Adams Award for best coach in the NHL. But he wouldn’t work in pro hockey again for almost a decade. What happened? Growing up on a First Nation reserve, young Ted Nolan built his own backyard hockey rink and wore skates many sizes too big. But poverty wasn’t his biggest challenge. Playing the game meant spending his life in two worlds: one in which he was loved and accepted and one where he was often told he didn’t belong. Ted proved he had what it took, joining the Detroit Red Wings in 1978. But when his on-ice career ended, he discovered his true passion wasn’t playing; it was coaching. First with the Soo Greyhounds and then with the Buffalo Sabres, Ted produced astonishing results. After his initial year as head coach with the Sabres, the club was being called the “hardest working team in professional sports.” By his second, they had won their first Northeast Division title in sixteen years. Yet, the Sabres failed to re-sign their much-loved, award-winning coach. *Life in Two Worlds* chronicles those controversial years in Buffalo—and recounts how being shut out from the NHL left Ted frustrated, angry, and so vulnerable he almost destroyed his own life. It also tells of Ted’s inspiring recovery and his eventual return to a job he loved. But *Life in Two Worlds* is more than a story of succeeding against the odds. It’s an exploration of how a beloved sport can harbour subtle but devastating racism, of how a person can find purpose when opportunity and choice are stripped away, and of how focusing on what really matters can bring two worlds together.

Viking For Life Scott Studwell, 2021-09-07 An unforgettable look at a lifetime of Vikings football packed with Studwell’s insights into the game, on and off the field. In professional football, careers are often short and turnover is a constant. So when one man’s career spans more than four decades with one organization, it is quite an achievement. Scott Studwell did just that with the Minnesota Vikings. As a linebacker, Studwell totaled a Vikings record 1,981 tackles in 14 seasons, reaching two Pro Bowls. After retiring as a player after the 1990 season, Studwell moved into the Vikings’ player personnel department and served as the team’s Director of College Scouting. In *Viking for Life: A Four-Decade Football Love Affair*, Studwell shares stories from the Vikings teams of the 1970s and ‘80s under head coaches Bud Grant and Jerry Burns, teams that reached two NFC championship games. He also provides rare insight into his three decades in the Vikings’ scouting department and draft room, during which he helped the Vikings identify countless stars, including Randy Moss, Adrian Peterson, and Harrison Smith. In the pages of this striking memoir, Studwell shares a passion for the

Vikings that he calls a dream come true.

Religion at the Edge Paul Bramadat, Patricia O'Connell Killen, Sarah Wilkins-Laflamme, 2022-04-01 The Cascadia bioregion – British Columbia, Washington, and Oregon – has long been at the forefront of cultural shifts occurring throughout North America, in particular regarding religious institutions, ideas, and practices. Religion at the Edge explores the rise of religious “nones,” the decline of mainstream Christian denominations, spiritual and environmental innovation, increasing religious pluralism, and the growth of smaller, more traditional faith groups. The first research-driven book to address religion, spirituality, and irreligion in the Pacific Northwest, past and present, Religion at the Edge expands our understanding of the nature, scale, and implications of socio-religious changes in North America, and the relevance of regionalism to that discussion.

Decision Point Mitch L. Gohman, 2008-07 Toward Spiritual Sovereignty diagnoses societal samodaya (Buddhist terminology for emotional craving). The author uses extensive knowledge and wisdom from masters of ages past and present to refocus the spirit of man (spiritus mundi) on a wholesome re-creation of the world community. Every soul has the divine right to determine his or her sacred path to their unique destiny upon the horizons of learned choice. Political aggression, (governmental power), religious aggression (proselytizing), and financial aggression (voracious capitalism) provide conflict and work against the realization of happiness and wellbeing. These works are an attempt to advocate for the abolition of hindrance toward those ends, to advocate, without fetter, for spiritual sovereignty of every soul. Each person, Homo Divinitas (man of Divinity) should be able to experience life without threat. Threat can manifest in the form of hunger, poverty, illiteracy, illness, or physical/emotional/spiritual aggression. The 21st century provides an atmosphere of escalating violence, and terror, amidst the Middle East in particular, and the world in general. Such as the Roman Forum prior to the turn of the first millennia after Christ, mankind seems unable or unwilling to cease participation in the spiritual morphine of violence whether real, virtual, or vicarious. Mr. Casperson's authorship proposes effective measures for self-enlightenment and effective ways to cope with violence and political and religious terrorism. Take a Shot! Jake Steinfeld, Dave Morrow, 2012-08-15 “Take a Shot! is a fast and furious ride. It's Moneyball meets The Hangover! I love it almost as much as my Oscar and Lombardi Trophies.” — Steve Tisch, Chairman, New York Giants & Academy Award-winning producer, Forrest Gump Take a Shot! is the incredible true story of how three unlikely partners—world-famous fitness icon Jake Steinfeld, former Princeton University lacrosse star Dave Morrow, and son of a TV preacher Tim

Robertson—broke all the rules and beat all the odds to create Major League Lacrosse. This book will take you on a roller-coaster ride through the ups and downs of starting a business—and not just any business, but a professional sports league built around America's oldest and most tradition-bound game. Today, Major League Lacrosse is entering its 12th season, and the sport has exploded into the fastest-growing game in the U.S. But it wasn't always that way . . . not even close. For four crazy, chaotic years, from 1998 to 2001, Jake, Dave, and Tim faced enormous obstacles and endless challenges in their lonely battle to make their lacrosse dream come true. From the earliest inspiration—Jake's chance reading of a magazine article that got the ball rolling—to the wild search for investors and owners, to the insane setbacks that nearly derailed the league time and time again, to the emotional and triumphant debut of Major League Lacrosse, *Take a Shot!* is an action-packed, thrill-a-minute adventure story. But this book is also about friendship under fire. It tells the tale of three men from vastly different worlds—Jake, the brash Hollywood icon and driving force behind Major League Lacrosse; Dave, a shy Ivy Leaguer from blue-collar Detroit and the ultimate fish out of water; and Tim, the son of TV evangelist Pat Robertson and a multimedia mogul—who teamed up to try the impossible: start a professional sports league from scratch at a time when other leagues were crashing and burning around them. When Jake recruited Dave to be his partner, neither had any idea what was in store for them, nor what it took to start something like this (after all, who does?). But they had something more important: a gut instinct that, from day one, they could always trust each other. And so, with only a handshake, they ignored all the naysayers who warned them that they were doomed to fail and together built Major League Lacrosse, weathering every crisis and shrugging off each disaster along the way. And in the process, their partnership evolved into an enduring friendship, as Jake helped Dave blossom into a big-time entrepreneur, and Dave—at a crucial moment with everything on the line—came out of his shell and justified Jake's relentless faith in him.
