*Mullahs on the Mainframe* Jonah Blank, 2023-11-30 In Jonah Blank's important, myth-shattering book, the West gets its first look at the Daudi Bohras, a unique Muslim denomination who have found the core of their religious beliefs largely compatible with modern ideology. Combining orthodox Muslim prayer, dress, and practice with secular education, relative gender equality, and Internet use, this community serves as a surprising reminder that the central values of modernity are hardly limited to the West.

**Islam in the Digital Age** Gary R. Bunt, 2003-07-20 The book explores what characterises a a ~good life (TM) and how this idea has been affected by globalisation and neoliberalism.

Muslim Communities in North America Yvonne Yazbeck Haddad, Jane I. Smith, 1994-08-04 This book provides the first in-depth look at Muslim life and institutions forming in North America. It considers the range of Islamic life in North America with its different racial-ethnic and cultural identities, customs, and religious orientations. Issues of acculturation, ethnicity, orthodoxy, and the changing roles of women are brought into focus. The authors provide insight into the lives of recent immigrants who are asking what is Islamically appropriate in a non-Muslim environment. Contrasts are drawn between Sunni and Shi'i groups, and attention is given to the activities of some Sufi organizations. The growing Islamic community among African-American Muslims is examined, including the followers of Warith Deen Muhammed and the sectarians identified with black power, such as the Nation of Islam, Darul Islam, and the Five Percenters. The authors document the challenges and issues that American Muslims face, such as prejudice and racism; pressure from overseas Muslims; dress and education; the influence of Islamic revivalism on the development of the community in this country; and the maintenance of Muslim identity amidst the pressure for assimilation.

**The Taliban Reader** Alex Strick van Linschoten, Felix Kuehn, 2018-07-01 Who are the Taliban? Are they a militant movement? Are they religious scholars? The fact that these and other questions are still raised with frequency is testimony to the way the movement has been studied, often at arm's length and with scant use of primary sources. The Taliban Reader forges a new path, bringing together an extensive range of largely unseen sources in a guide to the Afghan Islamist movement from a unique insider perspective. Ideal for students, journalists and scholars alike, this book is the result of an unprecedented, decade-long effort to encourage the emergence of participant-centered accounts of Afghan history. This ground-breaking collection, ranging from news articles and opinion pieces to online publications and poems transcribed by hand in the field, sets the stage for a recalibration of how we understand and study the Afghan Taliban. It challenges researchers to forge new norms in the documentation of conflict and provides insight into the future trajectory of political Islamism in South Asia and the Middle East.

**The Peacemaker's Path** Jerry Zehr, 2021-08-24 Now more than ever, people are painfully divided politically, religiously, and culturally. And yet, there is a commonality in our faith traditions that can help us turn away from polarization and create a greater sense of community in which our differences are honored. The Peacemaker's Path brings together wisdom from the world's major religious traditions, including Bahá'í, Buddhism, Christianity, Hinduism, Islam, Jainism, Judaism, Native American spiritualities, Sikhism, Taoism, and Zoroastrianism, showing that we have much more in common than what divides us. Through daily readings that explore the tenets, teachings, writings, and prayers of these diverse faith traditions, you will gain new insight, understanding, and connection with people from different religious backgrounds. Each day offers a reflection, scripture passages from the world's religions, questions to contemplate, a call to action, and a closing prayer. May we realize the tremendous importance of building bridges of peace in our own lives, our communities, and our world. Loving our friends is easy; loving the other will bring shalom.

**An Audience of One** Majid Mohiuddin, 2004-04 This book takes the Persian form of poetry, the Ghazal, and transforms it into a masterful collection of English poems. Each Ghazal title corresponds to the name and time of the prayers said by Muslims. Each Ghazal takes the reader on a spiritual journey.

*Domestic Issues and Their Solutions* Hazrat Mirza Masroor Ahmad, 2018-06-01 This book is a collection of sagacious pronouncements of His Holiness Mirza Masroor Ahmad, Khalifatul Masih V (may Allah be his Helper) giving solutions based on teachings of Islam to problems faced in domestic life. These discourses of His Holiness shine a beacon of light on how to live a happy married life for husband and wife and also on the best moral training of their next generations.

*Partners of Zaynab* Diane D'Souza, 2014-09-03 How do pious Shia Muslim women nurture and sustain their religious lives? How do their experiences and beliefs differ from or overlap with those of men? What do gender-based religious roles and interactions reveal about the Shia Muslim faith? In *Partners of Zaynab*, Diane D'Souza presents a rich ethnography of urban Shia women in India, exploring women's devotional lives through the lens of religious narrative, sacred space, ritual performance, leadership, and iconic symbols. Religious scholars have tended to devalue women's religious expressions, confining them to the periphery of a male-centered ritual world. This viewpoint often assumes that women's ritual behaviors are the unsophisticated product of limited education and experience and even a less developed female nature. By illuminating vibrant female narratives within Shia religious teachings, the fascinating history of a shrine led by women, the contemporary lives of dynamic female preachers, and women's popular prayers and rituals of petition, *Partners of Zaynab* demonstrates that the religious lives of women are not a flawed approximation of male-defined norms and behaviors, but a vigorous, authentic affirmation of faith within the religious mainstream. D'Souza questions the distinction between normative and popular religious behavior, arguing that such a categorization not only isolates and devalues female ritual expressions, but also weakens our understanding of religion as a whole. *Partners of Zaynab* offers a compelling glimpse of Muslim faith and practice and a more complete understanding of the interplay of gender within Shia Islam.

**The Lion Hearted Lady of Karbala** ATIA RIZVI, 2019-12-21 Zainab, the lion hearted Lady of Karbala was the daughter of Fatima and Ali. She was the Grand daughter of Prophet Mohammad (PBUH) and Hasan and Hussain's sister. She played a seminal role in safeguarding Islam and in keeping the memory of the martyrdom of the Prophet's beloved Grandson Hussain at Karbala fresh in the minds of generations to come. She stood tall and unafraid against the Caliph Yazid who was the epitome of temporal tyranny, despotism and debauchery. The eloquent power of her sermons brought him to his knees. Hussain's supreme sacrifice at Karbala would have long been forgotten had it not been for the courageous denouement by Zainab of the oppressive Muslim regime which had sought to efface the holy lineage of Prophet Muhammad and distort Islam at will. Zainab is an inspiration for all women and a grand example of feminism displayed way back in 721 AD. Standing defenceless, having lost all male relatives in the unholy war waged against the House of Mohammad, she rose amidst the ashes of ruin and fearlessly lashed out at the Caliph. Her eloquence in the imperial court packed with jeering, derisive, mocking crowds was unprecedented and won for Islam a seminal victory. The sublime martyrdoms at Karbala and Zainab's fearless searing sermons saved Islam for all posterity. This book traces the history of Islam through Zainab's eyes and explores how she is known as the Lion Hearted Lady of Islam.

*The History of al-Ṭabarī* Vol. 9 ,2015-06-15 This volume deals with the last two and a half years of the Prophet's life. In addition to the three major expeditions to Ḥunayn, Tā'if, and Tabūk, it describes in detail the circumstances surrounding the illness from which he died and the subsequent crisis of leadership faced by the nascent Muslim community. The author depicts with admirable fairness all the various opinions and divisions that existed within the community. He also presents a vivid picture of the Prophet's physical appearance, his personal life, and his marriages. Among other topics discussed in this volume are all the deputations that came to Medina; a summary of all the expeditions and raiding parties; and his scribes, freedmen, horses, camels, goats, swords, coats of mail, and so on. It also covers the apostasy of Musaylimah, Aswad, and Ṭulhahah and the Prophet's attempts to deal with them. The translation not only preserves the original lively flavor of al-Ṭabarī but also, in its annotations, draws extensively on both parallel Arabic sources and the intensive research of recent years. Readers who seek a deeper understanding of the Prophet's personality and of the reasons for antagonisms engendered among various factions will find this volume most informative.

From Pac-Man to Pop Music Karen Collins,2011-02-28 Digital interactive audio is the future of audio in media OCo most notably video games, but also web pages, theme parks, museums, art installations and theatrical events. Despite its importance to contemporary multi-media, this is the first book that provides a framework for understanding the history, issues and theories surrounding interactive audio. Karen Collins presents the work of academics, composers and sound programmers to introduce the topic from a variety of angles in order to provide a supplementary text for music and multimedia courses. The book offers a fresh perspective on media music, one that will complement film studies, but which will show the necessity of a unique approach when considering games music.

**Christian Citizens in an Islamic State** Theodore Gabriel,Theodore P. C. Gabriel,2007 This book covers new ground in exploring the various factors that govern the relations between Muslims and Christians in Pakistan, a nation state which has been politically unstable in the past, and where the imposition of Islamic law has been controversial and problematic for religious minorities. Theodore Gabriel clarifies the history of Christian-Muslim relations in the region, explores the rise of Islamic militancy, and draws on personal interviews to determine the mind set of both Christians and Muslims in Pakistan today.
