Growing Up NASCAR Humpy Wheeler,Peter Golenbock,2010-03-15 In 1949, when Humpy Wheeler was 11, he attended the very first NASCAR race. For the next ten years, he spent as much time in the pits as he could, and came to know many of the sport's pioneers. Eventually, Wheeler began promoting races at Carolina tracks such as Concord Speedway, Robinwood Speedway, and Starlight Speedway. Racing was so rough back then he kept a gun by his side when he paid the purse, and often used his fists to keep order. By the time Wheeler retired in 2008, he had helped NASCAR become the six-billion-dollar-a-year industry it is today. Filled with photographs from Wheeler's personal archives, Growing up NASCAR presents the ultimate behind-the-scenes look at NASCAR from the consummate insider.

One Helluva Ride Liz Clarke,2008-02-12 From its raw beginnings on Southern dirt tracks, NASCAR smacked of a slightly depraved spectacle, as if nothing but trouble could come from the unbridled locomotion of a V8 engine. By the time NASCAR roared into the twenty-first century, it had grown into a billion-dollar sports and marketing colossus, its races attended by hundreds of thousands of fans on any given weekend from mid-February through mid-November, watched on television by the second-largest viewing audience in sports, and bankrolled by the marketing largesse of the Fortune 500's elite. One Helluva Ride, a full-throttle account of the rise and reign of NASCAR nation, is award-winning motorsports reporter Liz Clarke's chronicle of how stock car racing exploded from regional obsession to national phenomenon. In covering the sport for more than fifteen years, Clarke has developed a strong rapport with NASCAR's drivers, team owners, and hard-core fans. Through her reporting and analysis, we get to know the public and private sides of NASCAR's most iconic figures, including seven-time champion Richard Petty, who set the standard for treating fans with respect, and the late Dale Earnhardt, whose brazen, bullying tactics wreaked havoc on the track, but whose heart was as big as Daytona's infield. The sports world stopped in its tracks the day Earnhardt was killed on the last lap of the 2001 Daytona 500. Some feared that NASCAR's soul would die with him. But it has raced on, steered by visionary promoters, the all-controlling France family (who founded the sport), and, above all, the next generation of drivers to stir fans' passions: Dale Earnhardt, Jr., son of the NASCAR legend and now, like his father before him, the circuit's most popular driver; Jeff Gordon, the beloved but oft-maligned outsider, bred from the cradle to be NASCAR's winningest modern champion; and Kasey Kahne, a reluctant heartthrob whose confidence derives entirely from an accelerator pedal. Clarke also brings us inside NASCAR's most triumphant and tragic dynasties: the Pettys, the Earnhardts, and the Allisons—and reveals how faith, family, and a deep-seated love of their sport helps them cope with grief and loss. Clarke shows NASCAR to be at a crossroads. In pursuit of a broader audience, NASCAR has severed its sponsorship ties to Big Tobacco, abandoned racetracks in small markets in favor of speedways near glitzy major cities, and welcomed Japan's Toyota into a sport traditionally restricted to American-made sedans. As NASCAR races toward mass appeal, some suggest it is leaving its roots behind. To others, it is boldly extending its reach from the Southern workingman to every man, woman, and child in the world. Whether you're one of the die-hard NASCAR faithful or just a casual follower, nobody brings you closer to the sport and business of big-time stock car racing than Liz Clarke. This book, like the phenomenon it profiles, really is One Helluva Ride.

The Nuts and Bolts of NASCAR Greg Engle,2017-06-06 When people think of NASCAR, many think of cars racing around

Kevin Harvick Greg Roza, 2009-01-15 Receiving a go-kart as a kindergarten graduation present, Kevin Harvick got behind the wheel early and has been racing ever since. By the age of 20, he became a NASCAR Rookie of the Year in the Featherlite Southwest series. Soon he was racing in all three of NASCAR's most prestigious nationwide series. In two of these series he would win Rookie of the Year honors. Only one year after being named the NASCAR Busch series Rookie of the Year, he would win the Busch series championship in 2001. He'd win it again in 2006. With 11 wins, 5 poles, 51 Top 5 finishes, 105 Top 10 finishes, and almost \$40 million in earnings during his still young NASCAR career, Harvick has certainly delivered on the early promise he showed as a 5-year-old in his go-kart. There's no telling how much farther and faster this speed demon will go!
