**Wartime Letters: Hamp and Peggy Smith** Joan Noble,2014-10-28 This book has been compiled in memory of the author's parents. It gives a brief introduction about the history of the family that had its roots in Yorkshire and Lancashire before emigrating to Canada on the Valiant (1817). It is a book of letters written by Joan Noble's parents to each other during their courtship (1942) and after their marriage when her father was overseas in the UK during World War II (1944-45). Hamp was a Medical Officer in the RCAF (Squadron 423) stationed at Topcliffe, Yorkshire from May to December 1944, at Castle Archdale, Lough Erne, Northern Ireland with Coastal Command at the Royal Air Force flying boat base January- June 1945 and after V-E Day at the Canadian General Hospital in Bramshott, England as a Medical Officer in the venereal diseases unit. It's not often that one has a chance to eavesdrop on their parents' courtship and early marriage. Joan's father joined the RCAF after graduating in medicine in 1941 and travelled northern Alberta as a recruiting officer and then was posted overseas. He met her mother, a student nurse, just before he graduated. Their romance was just taking off when he joined the RCAF and they carried out much of their courtship by post. In 1944, a year after they married, he was posted overseas and they wrote each other 2-3 times weekly and carefully preserved all the letters. Reading them is a vicarious participation in their early years together. They were romantic and very much in love. For their second wedding anniversary in his letter of 6 January 1945 Hamp writes: On our second anniversary I want to take a little time to tell you again how much I think of you. We had 15 months together which were the happiest time I have ever spent and I think that they are only a tantalizing taste of what happiness is in store for us in the future. 'I think our parents remained in love from the time of these letters for the rest of their lives. I'm sure they had the ups and downs of every marriage but I don't remember much discord and they had great respect for one another. Reproducing their letters has been satisfying and like being given once again a chance to be with them,' says Joan. All of the letters have been typed out as they were. They document Hamp and Peggy's lives from 1942-45 and give an insight into life as a medical officer in the RCAF in the last years of the war in the UK and life in a small city in Canada during the war years.

**Bullshit** Mark Peters Phd,2015-10-27 An irreverent lexicon of the seemingly infinite ways we call bullshit, written by a McSweeney's columnist and etymologist, illustrated by a New Yorker-contributing cartoonist. What's the difference between balderdash and drivel? Where did mumbo-jumbo come from? How should you use meadow mayonnaise? What's felgercarb and which popular TV show coined it? There are hundreds of common and rare terms for bullshit in English, including borrowings from German, turn-of-the-century sailors, The Simpsons, and beyond. Bullshit is everywhere, but not all of it is created equal. Mark Peters's Bullshit: A Lexicon is the handy guide to identifying and calling BS in all of its many forms, from bunk and claptrap to applesauce and gobbledygook. Packed with historical facts, pop culture tidbits, and definitions for each term, Bullshit is perfect for humor readers, language lovers, and anyone looking to describe life's everyday annoyances.

**Board to Death** C. J. Connor,2023-08-22 The first in an ultra-charming new quozzy mystery series starring Ben Rosencrantz, a queer 30-something English professor (and closet sci fi fan) who's returned to his hometown of Salt Lake City to run his family's board game shop in the trendy Sugar House neighborhood - a community hotspot for players of all ages...and for killer collectors! Back in his hometown of Sugar House running his family's board game shop and café, Ben Rosencrantz just can't seem to get his life to pass go, much less collect \$200. Once he was a happily married English professor in Seattle. Now he's a divorced caregiver, looking after his ill father and a Chihuahua named Beans while still figuring out the rules of retail management. At least the town has become more LGBTQ+ friendly than when Ben was a teenager--and that flower shop owner, Ezra McCaslin, enjoys flirting with him. But despite his usual clientele of gamers, Ben is barely earning enough to keep the store running and stay on top of his father's medical bills. Then a local toy and game collector named Clive offers him a winning strategy--to purchase a turn-of-the-twentieth-century edition of The Landlord's Game, the realty and taxation game that inspired Monopoly, at a tenth of the rare edition's true value. Suspicious of Clive's shady, low-priced deal, Ben turns the offer down. Then Clive turns up dead at the front door of Ben's and a backpack full of \$100 bills appears on his doorstep. Now Ben is the #1 suspect in Clive's death, and unless he and Ezra can prove his innocence and find the real killer, he'll go to jail for murder--and no amount of double dice rolls will set him free . . .

**Mining the Past** Charles P. Arnold Jr.,2013-11-27 Generations of the authors ancestors have helped to defend America, from a third great grandfather who fought during the Revolutionary war, to his great grandfather who as a 12 year old drummer boy with the Union Army in 1863 had to learn and execute numerous drum beats while under fire , to the authors own service with the Air Force during the Viet Nam era. Several of these men are introduced in the stories of this book. Among other ancestors mentioned will be a Northern Virginia tavern owner whose 1810 home for wayfarers was well known by its visiting travelers for its ghostly inhabitants, a frontier doctor who was well informed by Shawnee Indian medicine men, the wives of these men, a number of whom bore ten or more children while living in remote areas and under very stressful conditions including threats of Indian attack, a wealthy oilman from Bakersfield California, and a family which organized its own frontier Lutheran Church in the wilds of 18th Century Virginia. From those who immigrated in the great migrations of the 19th century with accommodations in the steerage of cargo ships, we will find carpenters, my wives grandmother who, as a young girl was given away as an orphan, and her other grandmother who as a frightened young 12 year old girl who spoke no English was left alone at the port in Baltimore. Still other stories include the authors grandfather who was a glazier working with Art Glass when the country first began to make its own stained glass windows, and two great grandmothers, one the authors, and one his wives, who both gave birth to illegitimate children in Germany and emigrated to America to begin life anew.

**Get Capone** Jonathan Eig,2010-04-27 The real story of how the federal government finally apprehended and convicted America’s most notorious criminal, Al Capone. Drawing on recently discovered government documents, wiretap transcripts, and Al Capone’s handwritten personal letters, New York Times bestselling author Jonathan Eig tells the dramatic story of the rise and fall of the nation’s most infamous criminal in rich new detail. From the moment he arrived in Chicago in 1920, Capone found himself in a world with limitless opportunity. Within a few years Capone controlled an illegal bootlegging business with annual revenue rivaling that of some of the nation’s largest corporations. Along the way he corrupted the Chicago police force and local courts while becoming one of the world’s first international celebrities. Legend credits Eliot Ness and his “Untouchables” with apprehending Capone, but Eig shows that this wasn’t so. In Get Capone, the man known as “Scarface” emerges as a complex man, doomed as much by his ego as by his vicious criminality. This is the real Al Capone.
