**New Year's Eve** Lisa Grunwald, 2012-05-30 Part contemporary family drama, part ghost story, this engrossing novel dramatizes the difficult process of letting go of one's childhood to embrace one's new chosen family. This is the story of twin sisters, their children, and an accident that claims the life of one, and leaves the others to find their way away from, and back to each other.

*Encyclopedia of New Year's Holidays Worldwide* William D. Crump, 2014-04-25 Among the world's myriad cultures and their associated calendars, the idea of a "New Year" is relative and hardly specifies a universal celebration or even a universal point in time. Ways of celebrating the New Year range from the observances of religious rituals and superstitions to social gatherings featuring particular foods, music, dancing, noisemaking, fireworks and drinking. This first encyclopedia devoted exclusively to the New Year includes 320 entries that give a global perspective on the New Year, beyond its traditional Western associations with Christmas. National or regional entries detail the principal traditions and customs of 130 countries, while 27 entries discuss major calendar systems in current use or of significant historical interest. The remaining entries cover a wide variety of subjects including literary works, movies, and television specials; the customs of specific ethnic groups; universal customs such as toasting and drinking; football bowl games and parades; and the New Year celebrations at the White House and the Vatican.

*New Year's Thieve (1-Act Play)* Hillary DePiano, 2014-05-25 Frosty the... coat rack? It's New Year's Eve at the North Pole but the work of the holidays isn't over. Father Time's warehouse is under renovation and Santa's Workshop is bursting at the stocking seams trying to house the world's New Year shipment. The extra pressure isn't helping head elf Murry tolerate the festivities on what's already his least favorite holiday. They've almost made it to midnight when an unexpected, and strangely familiar, caller in an old silk hat appears looking for the boss. He's convinced he's cursed and searching for a cure that may even be beyond Santa Claus' powers. When the situation turns desperate and the visitor turns thief, will Time be on their side? Can the elves restore the light of the future before the ball drops on another year? *New Year's Thieve* is a holiday comedy in one act for all ages from the author of *The Love of Three Oranges* and *Polar Twilight*. Run Time: 30 - 35 minutes 2 Male, 3 Female, 3 Either 7 to 10+ actors possible

She's a born entrepreneur. She just has to figure out her soul's true calling—and she's given herself until the clock strikes midnight on New Year's Eve to do it. With her trust fund dwindling and only two and a half months to go, she takes an assistant position at prestigious law firm Harris & Harris. The problem is, Olivia's a terrible employee—incessantly late, forgetful, and clumsy. Not that her gorgeous new boss Garrett Emerson seems to mind. Beautiful, charming Olivia has been on his mind ever since she ran into him, literally, sprinting to the interview. But Olivia's first big assignment—to plan an elaborate last minute New Year's Eve party for the entire company—could make or break her job entirely. With Ms. Harris herself demanding perfection, a jealous office rival rooting for Olivia to lose, and even Garrett dreading the affair, can Olivia finally prove herself—or will an unforeseen complication send her back to the drawing board? All she wants for the holidays is to be her own boss—and to ignite the flirtatious sparks between her and Garrett...so she can file their relationship under love.
