

News Republic

David Greenberg

Electronic Republic Lawrence K. Grossman, 1996-09-01 Fascinating...Examines the cost to democracy from decades of electronic and technological advancements.—Chicago Tribune.

Herbert Croly of the New Republic David W. Levy, 2014-07-14 Here is the first full-length biography of Herbert Croly (1869-1930), one of the major American social thinkers of the twentieth century. David W. Levy explains the origins and impact of Croly's penetrating analysis of American life and tells the story of a career that included his founding of one of the most influential journals of the period, *The New Republic*, in 1914 and his writing of *The Promise of American Life* (1909), a landmark in the history of American ideas. Originally published in 1984. The Princeton Legacy Library uses the latest print-on-demand technology to again make available previously out-of-print books from the distinguished backlist of Princeton University Press. These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions. The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905.

Coming of Age with the New Republic, 1938-1950 Merrill D. Peterson, 1999 Peterson weaves together the fresh reading, the history of the country during the 1940s, and his own personal history to give us the heart of the book. In addition, he includes brief essays on Vernon L. Parrington, Lewis Mumford, and Max Lerner, the three American writers and intellectuals he believes had the most influence on him.--BOOK JACKET.

The Poet as Journalist Reed Whittemore, 1976

News from the Republic of Letters, 2003 News from the Republic of Letters is an independent review of literature and the arts supported entirely by the Editors.

Parts of a Past Gilbert A. Harrison, 2009-06 Gilbert Harrison's memoir includes stories of his early family life in Los Angeles in the 1920's and 30's, an astonishing description of his being the first of two Americans in Nagasaki after the bomb dropped, and gripping accounts of his role in starting the American Veterans Committee, with its attendant battles with the Communist party. There was work for Eleanor Roosevelt, a stint as part of an ecumenical religious organization, and a brief tenure in the CIA. Of primary interest are his years as owner and editor of *The New Republic* magazine between 1954 and 1976, which put him at the center of a who's who of politics, JFK, Moe Udall, Eugene McCarthy, Adlai Stevenson, Henry Wallace, and many more.

Republic.com Cass R. Sunstein, 2001 This text shows us how to approach the Internet as responsible people. Democracy, it maintains, depends on shared experiences and requires people to be exposed to topics and ideas that they would not have chosen in advance.

What Liberal Media? Eric Alterman, 2008-12-17 Widely acclaimed and hotly contested, veteran journalist Eric Alterman's ambitious investigation into the true nature of the U.S. news media touched a nerve and sparked debate across the country. As the question of whose interests the media protects-and how-continues to raise hackles, Alterman's sharp, utterly convincing assessment cuts through the cloud of inflammatory rhetoric, settling the question of liberal bias in the news once and for all. Eye-opening, witty, and thoroughly and solidly researched, *What Liberal Media?* is required reading for media watchers, and anyone concerned about the potentially dangerous consequences for the future of democracy in America.

Democracy's News G. Michael Killenberg, Rob Anderson, 2023-02-20 Since the Founding, America's faith in a democratic republic has depended on citizens who could be trusted to be communicators. Vigorous talk about equality, rights, and collaboration fueled the Revolution, the Declaration of Independence, and the Constitution with its amendments. In a republic, the people set the terms for their lives not individually, but in community. The genius of keeping it alive exists in how everyday citizens talk and listen, write and read, for a common good. Dialogue and deliberation—rather than an accumulation of individual preferences—sustains a republic, yet a diminished and scarred institution of journalism jeopardizes citizens' access to shared and truthful information. A disturbing “what's in it for me?” attitude has taken over many citizens, and a

creeping, autocratic sense of dismissive accusation too often characterizes the political style of elected officials. The basic fuel for democracy is the willingness of informed citizens to take each other seriously as they talk about political choices. Once we begin to clam up, build walls, and dismiss each other, we unravel the threads tying us to the Founders' vision of a republic. A free press and free speech become meaningless if not supported by sustained listening to multiple positions. There are those who profit by dividing citizens into two camps: a comfortable "us" versus a scary "them." They make their case with accusations and often with lies. They warp the very meaning of communication, hoping citizens never truly discover each other's humanity. Democracy's News discusses today's problems of public communication in the context of history, law, and interpersonal life. News should not be something to dread, mistrust, or shun. Aided by reliable, factual journalism, citizens can develop a community-based knowledge to cope with social issues great and small. They come to treat neighbors and strangers as more than stereotypes or opponents. They become collaborators with whom to identify and sustain a working republic where news, citizenship, and public discourse merge.

Affairs of Honor Joanne B. Freeman, 2002-01-01 Offering a reassessment of the tumultuous culture of politics on the national stage during America's early years, when Jefferson, Burr, and Hamilton were among the national leaders, Freeman shows how the rituals and rhetoric of honor provides ground rules for political combat. Illustrations.

#Republic Cass R. Sunstein, 2018-04-03 From the New York Times bestselling author of *Nudge* and *The World According to Star Wars*, a revealing account of how today's Internet threatens democracy—and what can be done about it As the Internet grows more sophisticated, it is creating new threats to democracy. Social media companies such as Facebook can sort us ever more efficiently into groups of the like-minded, creating echo chambers that amplify our views. It's no accident that on some occasions, people of different political views cannot even understand one another. It's also no surprise that terrorist groups have been able to exploit social media to deadly effect. Welcome to the age of #Republic. In this revealing book, New York Times bestselling author Cass Sunstein shows how today's Internet is driving political fragmentation, polarization, and even extremism--and what can be done about it. He proposes practical and legal changes to make the Internet friendlier to democratic deliberation, showing that #Republic need not be an ironic term. Rather, it can be a rallying cry for the kind of democracy that citizens of diverse societies need most.

To Rescue the Republic Bret Baier, Catherine Whitney, 2021-10-12 #1 New York Times Bestseller Fox News Channel's Chief Political Anchor illuminates the heroic life of Ulysses S. Grant To Rescue the Republic is narrative history at its absolute finest. A fast-paced, thrilling and enormously important book. —Douglas Brinkley An epic history spanning the battlegrounds of the Civil War and the violent turmoil of Reconstruction to the forgotten electoral crisis that nearly fractured a reunited nation, Bret Baier's *To Rescue the Republic* dramatically reveals Ulysses S. Grant's essential yet underappreciated role in preserving the United States during an unprecedented period of division. Born a tanner's son in rugged Ohio in 1822 and battle-tested by the Mexican American War, Grant met his destiny on the bloody fields of the Civil War. His daring and resolve as a general gained the attention of President Lincoln, then desperate for bold leadership. Lincoln appointed Grant as Lieutenant General of the Union Army in March 1864. Within a year, Grant's forces had seized Richmond and forced Robert E. Lee to surrender. Four years later, the reunified nation faced another leadership void after Lincoln's assassination and an unworthy successor completed his term. Again, Grant answered the call. At stake once more was the future of the Union, for though the Southern states had been defeated, it remained to be seen if the former Confederacy could be reintegrated into the country—and if the Union could ensure the rights and welfare of African Americans in the South. Grant met the challenge by boldly advancing an agenda of Reconstruction and aggressively countering the Ku Klux Klan. In his final weeks in the White House, however, Grant faced a crisis that threatened to undo his life's work. The contested presidential election of 1876 produced no clear victory for either Republican Rutherford B. Hayes or Democrat Samuel Tilden, who carried most of the former Confederacy. Soon Southern states vowed

to revolt if Tilden was not declared the victor. Grant was determined to use his influence to preserve the Union, establishing an electoral commission to peaceably settle the issue. Grant brokered a grand bargain: the installation of Republican Hayes to the presidency, with concessions to the Democrats that effectively ended Reconstruction. This painful compromise saved the nation, but tragically condemned the South to another century of civil-rights oppression. Deep with contemporary resonance and brimming with fresh detail that takes readers from the battlefields of the Civil War to the corridors of power where men decided the fate of the nation in back rooms, *To Rescue the Republic* reveals Grant, for all his complexity, to be among the first rank of American heroes.

Deaf Republic Ilya Kaminsky, 2019-03-05 Ilya Kaminsky's astonishing parable in poems asks us, What is silence? *Deaf Republic* opens in an occupied country in a time of political unrest. When soldiers breaking up a protest kill a deaf boy, Petya, the gunshot becomes the last thing the citizens hear—they all have gone deaf, and their dissent becomes coordinated by sign language. The story follows the private lives of townspeople encircled by public violence: a newly married couple, Alfonso and Sonya, expecting a child; the brash Momma Galya, instigating the insurgency from her puppet theater; and Galya's girls, heroically teaching signing by day and by night luring soldiers one by one to their deaths behind the curtain. At once a love story, an elegy, and an urgent plea, Ilya Kaminsky's long-awaited *Deaf Republic* confronts our time's vicious atrocities and our collective silence in the face of them.

Literature and Liberalism Edward Zwick, 1976

Republic of Spin: An Inside History of the American Presidency David Greenberg, 2016-01-11 "A brilliant, fast-moving narrative history of the leaders who have defined the modern American presidency."—Bob Woodward In *Republic of Spin*—a vibrant history covering more than one hundred years of politics—presidential historian David Greenberg recounts the rise of the White House spin machine, from Teddy Roosevelt to Barack Obama. His sweeping, startling narrative takes us behind the scenes to see how the tools and techniques of image making and message craft work. We meet Woodrow Wilson convening the first White House press conference, Franklin Roosevelt huddling with his private pollsters, Ronald Reagan's aides crafting his nightly news sound bites, and George W. Bush staging his "Mission Accomplished" photo-op. We meet, too, the backstage visionaries who pioneered new ways of gauging public opinion and mastering the media—figures like George Cortelyou, TR's brilliantly efficient press manager; 1920s ad whiz Bruce Barton; Robert Montgomery, Dwight Eisenhower's canny TV coach; and of course the key spinmeisters of our own times, from Roger Ailes to David Axelrod. Greenberg also examines the profound debates Americans have waged over the effect of spin on our politics. Does spin help our leaders manipulate the citizenry? Or does it allow them to engage us more fully in the democratic project? Exploring the ideas of the century's most incisive political critics, from Walter Lippmann and H. L. Mencken to Hannah Arendt and Stephen Colbert, *Republic of Spin* illuminates both the power of spin and its limitations—its capacity not only to mislead but also to lead.

News from the Republic of Letters Keith Botsford, Saul Bellow, 2007-09 Features works by Josip Novakovich, Robert Palter, Leopold Buczkowski and David Lutes, as well as translations of Manuel Rivas, and stories from David Green and Emily Van Kley. This title includes works by Guillaume Apollinaire and Nikos Kachitsis. It also contains Pierre Bayle's Notebook.

The Byzantine Republic Anthony Kaldellis, 2015-02-02 Scholars have long claimed that the Eastern Roman Empire, a Christian theocracy, bore little resemblance to ancient Rome. Here, Anthony Kaldellis reconnects Byzantium to its Roman roots, arguing that it was essentially a republic, with power exercised on behalf of, and sometimes by, Greek-speaking citizens who considered themselves fully Roman.

Roots of the Republic Stephen L. Schechter, 1990 Published for the New York State Commission on the Bicentennial of the US Constitution. Eighteen highly readable essays focus on the most important documents of America's colonial and revolutionary past, accompanied by the complete text of each document, from the Mayflower Compact to the Bill of Rights. Paper edition (unseen),

\$19.95. Annotation copyrighted by Book News, Inc., Portland, OR

Ireland in the 1950s: News From A New Republic Tom Garvin, 2011-09-02 The 1950s was a decade of international economic recovery in the United States and most of Western Europe after the disasters of World War II. There was just one exception. The Irish economy actually contracted in those years, and over four hundred thousand people, out of a population of fewer than three million, emigrated. Tom Garvin's survey of the 1950s is based largely on a close reading of contemporary newspaper reports and analyses. This darkest decade of the Irish state was brought about by an aging government that overstayed its welcome and an ideology of rural frugality that was supported by an under-developed educational system and the overweening power of the Catholic Church. Garvin also traces the rise of the generation that broke this consensus and carried Ireland into the free-trade boom of the 1960s.

The Loudest Voice in the Room Gabriel Sherman, 2017-02-14 A revelatory journey inside the world of Fox News and Roger Ailes—the brash, sometimes combative network head who helped fuel the rise of Donald Trump NEW YORK TIMES BESTSELLER • NOW A SHOWTIME LIMITED SERIES • NAMED ONE OF THE BEST BOOKS OF THE YEAR BY NPR When Rupert Murdoch enlisted Roger Ailes to launch a cable news network in 1996, American politics and media changed forever. With a remarkable level of detail and insight, Vanity Fair magazine reporter Gabriel Sherman puts Ailes's unique genius on display, along with the outsize personalities—Bill O'Reilly, Sean Hannity, Megyn Kelly, Sarah Palin, Karl Rove, Glenn Beck, Mike Huckabee, Gretchen Carlson, Bill Shine, and others—who have helped Fox News play a defining role in the great social and political controversies of the past two decades. From the Clinton-Lewinsky scandal to the Bush-Gore recount, from the war in Iraq to the Tea Party attack on the Obama presidency, Roger Ailes developed an unrivaled power to sway the national agenda. Even more, he became the indispensable figure in conservative America and the man any Republican politician with presidential aspirations had to court. How did this man become the master strategist of our political landscape? In revelatory detail, Sherman chronicles the rise of Ailes, a frail kid from an Ohio factory town who, through sheer willpower, the flair of a showman, fierce corporate politicking, and a profound understanding of the priorities of middle America, built the most influential television news empire of our time. Drawing on hundreds of interviews with Fox News insiders past and present, Sherman documents Ailes's tactical acuity as he battled the press, business rivals, and countless real and perceived enemies inside and outside Fox. Sherman takes us inside the morning meetings in which Ailes and other high-level executives strategized Fox's presentation of the news to advance Ailes's political agenda; provides behind-the-scenes details of Ailes's crucial role as finder and shaper of talent, including his sometimes rocky relationships with Fox News stars such as O'Reilly, Hannity, and Carlson; and probes Ailes's fraught partnership with his equally brash and mercurial boss, Rupert Murdoch. Roger Ailes's life is a story worthy of *Citizen Kane*. Featuring an afterword about Ailes's epic downfall during the extraordinary 2016 election, *The Loudest Voice in the Room* is an extraordinary feat of reportage with a compelling human drama at its heart.

News Republic Book Review: Unveiling the Magic of Language

In an electronic era where connections and knowledge reign supreme, the enchanting power of language has been more apparent than ever. Its capability to stir emotions, provoke thought, and instigate transformation is actually remarkable. This extraordinary book, aptly titled "**News Republic**," published by a very acclaimed author, immerses readers in a captivating exploration of the significance of language and its profound affect on our existence. Throughout this critique, we shall delve into the book's central themes, evaluate its unique writing style, and assess its overall influence on its readership.

News Republic Introduction

In today's digital age, the availability of News Republic books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of News Republic books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of News Republic books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for

educational or professional purposes. By accessing News Republic versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, News Republic books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing News Republic books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they

can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for News Republic books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, News Republic books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our

fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of News Republic books and manuals for download and embark on your journey of knowledge?

FAQs About News Republic Books

1. Where can I buy News Republic books?
 Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores.
 Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available?
 Hardcover: Sturdy and durable, usually more expensive.
 Paperback: Cheaper, lighter, and more portable than hardcovers.
 E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a News Republic book to read?

Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.).

Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations.

Author: If you like a particular author, you might enjoy more of their work.

4. How do I take care of News Republic books?
Storage: Keep them away from direct sunlight and in a dry environment.
Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them?
Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection?
Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections.
Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are News Republic audiobooks, and where

can I find them?

Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.

8. How do I support authors or the book industry?
Buy Books: Purchase books from authors or independent bookstores.
Reviews: Leave reviews on platforms like Goodreads or Amazon.
Promotion: Share your favorite books on social media or recommend them to friends.
9. Are there book clubs or reading communities I can join?
Local Clubs: Check for local book clubs in libraries or community centers.
Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read News Republic books for free?
Public Domain Books: Many classic books are available for free as they're in the public domain.
Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
